Right of Way Items

Right of Way-Route 24 Freeway

79. There are presented two sheets of the General Property Parcel Map on Route 24 Freeway, Section 9, Federal Project EUF 204-(2), Whitehead Road to Whippany Road, showing right of way to be acquired from Philip J. Solondz, Daniel Solondz and David Winarsky, designated as Parcels 30A and 30B. It is recommended that these sheets be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of Parcels 30A and 30B. There are sufficient funds existing in the right of way account on this project to cover the estimated cost of these parcels. A building permit has been issued to these owners for the construction of garden-type apartments consisting of eight buildings. The property is presently being cleared for construction. The cost, when completed, is estimated to be $1,000,000.00. In order to insure the discontinuance of this extensive operation, it is requested that authority be granted to place a condemnation complaint on file immediately with the understanding that negotiations will be conducted in the regular manner in an effort to reach an amicable settlement. (April 28, 1962)

Right of Way-Route U.S. 322(1953)

101. There is presented purchase agreement on Route U.S. 322 (1953), Section 11, Project F-105-(13), Cecil to Route 54; Parcels 4A and 4B, Christopher Filomena and wife, consideration $100.00. Approval is recommended. (April 25, 1962)

Right of Way-Route 18 (1953)

102. There is presented again the matter of acquisition of property on Route 18 (1953), Section 6, Project U-112-(18), Tanners Corner to Old Bridge Traffic Circle, Parcels 34A and 34B, Kenneth J. DeVoe et ux. Condemnation proceedings were previously authorized at which time the owners did not make known their demand. Continued negotiations have resulted in the execution of an agreement in the sum of $4,900.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (April 18, 1962)

Right of Way-Route 287

103. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287, Easton Avenue to Stelton Road, An agreement in the sum of $4,100.00 was previously approved for Parcels R39A, 39B and 39C, (0.690 Ac.), Gordon M. Babcock and wife. Subsequently, our Engineers advised us that the plans on which the above agreement was based, were in error. The present plan, as corrected, indicates the property side lines 35 feet from their former location; and requires the acquisition of 0.673 Ac. now designated as Parcels R39A, R39B and R39C. The slightly reduced area would not materially affect valuations. Negotiations were reopened which have resulted in the execution of an agreement covering the revised parcels in the same amount; namely $4,100.00. It is recommended that the agreement covering Parcels R39A, R39B and R39C in the sum of $4,100.00 be approved and that the previous agreement covering Parcels R39A, 39B and 39C be rescinded. (April 17, 1962)

104. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287, Easton Avenue to Stelton Road. An agreement was previously approved in the sum of $9,200.00 (owner to retain and remove post and rail entrance fence), for Parcels 54 and 54B (area 0.095 Ac.), James G. Beggs and wife. Subsequently, our Engineers advised us that the plans on which the above agreement was based were in error. The present plan, as corrected, indicates the property side lines 35 feet from their former location; and requires the acquisition of 0.105 Ac. now designated as Parcels R54 and R54B. This correction also affected the grade of the road in front of the property resulting in increased damages. Negotiations were reopened for the acquisition of Parcels R54 and R54B which resulted in the execution of an agreement in the sum of $12,700.00 (owner to retain and remove post and rail entrance fence). It is recommended that this agreement covering Parcels R54 and R54B be approved and that the previous agreement covering Parcels 54 and 54B be rescinded. (April 17, 1962)

NO. 15 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MAY 14, 1962

Administration Items

Services-Engineering ✓

1. Approval of a verbal agreement between the State Highway Department and Clarence F. Wicker, P.E., consultant, relative to the performance of consultant engineering services in conjunction with a special report titled "Beach Erosion Control With Surplus Ships - A Feasibility Report" is recommended, the consultant to be reimbursed on the basis of $100.00 per day plus expenses, total expenditure not to exceed $150.00 for these services. (May 8, 1962)

Federal Aid-Emergency Relief Funds ✓

2. It is recommended that the attached Supplemental Emergency Relief Program be approved and authority given to submit same to the Bureau of Public Roads for their approval. This program consists of 17 projects, the estimated total cost of which is $1,584,400.00. Federal Emergency Relief Funds to be requested are $792,200.00, the balance of $792,200.00 to be County Funds. (May 9, 1962)

Policy-Agreements ✓

3. Long established policy with respect to agreements for extra and supplemental work or work under force account has allowed 15% overhead and profit on reimbursable direct labor and material costs, but taxes, insurance, welfare costs and rental of equipment have been held to be separate items on which no percentage of overhead and/or profit has been permitted. Increasing costs of overhead and administrative functions appear to warrant reconsideration of this policy. It is recommended that (1) required payroll taxes, insurance and prevailing welfare and union costs be added to the direct labor costs for the purpose of computing allowable overhead and profit on labor; (2) reimbursable rates for equipment usage billed at actual cost or at developed rates for such usage including verifiable indirect costs be allowed to include overhead and profit ; and (3) the allowable rate for overhead and profit continue to be 15% except where at variance with regulations of the Bureau of Public Roads or other superseding regulatory agencies or shall have been specifically stated at other agreed percentage. (May 11, 1962)

Policy-Federal & State Funds ✓

4. It is recommended that the current uncommitted balances as of March 31, 1962 for the present Construction Program be adjusted between Federal and State Funds and that in the future the set-up of funds between the Federal Aid Project Engineer and the Comptroller's Office should be for the same amount. It should be noted that this in no way authorizes transfers within programmed accounts, but merely establishes the breakdown of funds on the "B" Statement (Balance of Program) as of March 31, 1962. This procedure was recommended by Mr. Harry J. Baird, of Peat, Marwick, Mitchell & Company. The information necessary to effect the above adjustments and the methods of arriving at the adjusted amount will be filed with the Comptroller's Office for possible future reference. (May 11, 1962)

No Parking Zones ✓

5. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking" zones along Route 70, Cherry Hill Township, Camden County. It is further recommended that the following be rescinded: Regulation RP-61-12, adopted 4-27-61 and approved 5-2-61. (May 8, 1962)

Construction Items

79. There is presented purchase agreement on Route 287 (1953), Section 4, Project I-287-1-(12), from Route U.S. 202 & U.S. 206 to Route U.S. 22; Parcels R149A & R149B, Philip Magliochetti & wife, consideration $11,250.00 - owner to retain and remove oil fired boiler. The consideration includes payment for building encroaching on a portion of the 66-foot wide Foot Hills Road. These owners have been in possession for a long period of time, and dispute our claim that this road is 66 feet wide. The acquisition necessary for the slopes to relocate Foot Hills Road on an overpass requires the demolition of said buildings. In view of these circumstances it is considered in the best interest of the State to acquire and demolish said buildings by agreement, under the discretionary powers of the State Highway Commissioner. Approval ofthe agreement is recommended. Authority is requested to dispose of the two-car cinderblock garage, platform and boiler room to the road contractor, by sealed bids or by public auction. (May 21, 1962)

- - - - - - - - - -

80. There is presented purchase agreement on Route 287 (1953), Section 5, Project I-287-1-(12), Klines Mill Road to Route U.S. 202 & U.S. 206; Parcels 24A,B,C, Frederick C. Heinemann et al, consideration $15,900.00, including $3,950.00. Approval is recommended. Authority is requested to dispose of the buildings to the road contractor, at public auction, or by sealed bids. (May 16, 1962)

Right of Way-Route U.S. 322

81. There is presented purchase agreement on Route U.S. 322 (1953), Section 10, Project F-105-(13), Clayton Road to Cecil; Parcels 20A & R20B, Stephen L. Sikorski & wife, consideration $130.00. Approval is recommended. (May 17, 1962)

83. There is presented again the matter of acquisition of property on Route U.S. 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 14, Raritan Auto, Inc. Condemnation proceedings were previously authorized at which time the owners were demanding $15,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $8,200.00. Owner to retain and remove two signs, poles and appurtenances. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (May 17, 1962)

Right of Way-Route 28

84. There is presented again the matter of acquisition of property on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 12, Morecraft Building Corp. Condemnation proceedings were previously authorized at which time the owners were demanding $20,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $9,850.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (May 17, 1962)

Right of Way-Route 80

85. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5M, Project I-80-5-(13), from a point East of Garden State Parkway to Saddle River Road, Parcel 14, Hugh James Butler & wife. Condemnation proceedings were authorized at which time the owners were demanding $36,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $24,500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (May 16, 1962)

Right of Way-Route 4

86. There is presented again the matter of condemnation of lands on Route 4, Section 4H, at Hackensack Avenue, Parcel 2, Diedrick Willenbrock, et al. At the hearing before condemnation commissioners the testimony on behalf of the State was in the sum of $20,800.00 and the testimony on behalf of the owner was in the sum of $91,349.00. The commissioners made an award in the sum of $42,500.00. It is recommended that an appeal be authorized. (May 21, 1962)

Right of Way-Route U.S. 40

87. There is presented again the matter of condemnation of lands on Route U.S. 40 (1953), Section 2, Project F-1-(5), Delaware Memorial Bridge to Route 48; Parcel 1, Dr. Humphrey D. Wolfe & wife. At the hearing before condemnation commissioners the testimony on behalf of the State was in the sum of $6,500.00 and the testimony on behalf of the owner was $19,476.00. The commissioners made an award in the sum of $12,466.00. It is recommended that an appeal be authorized. (May 16, 1962)

Right of Way-Route 70 (1953)

88. There is presented again the matter of condemnation of land on Route 70 (1953), Section 14, Garden State Parkway to Herbertsville Road, Parcel 1, Lillian K. Lockwood & husband. An appeal was previously authorized from a condemnation commissioners' award in the sum of $53,275.00. Subsequently our appraisals were revised to take into consideration comparable sales in the immediate vicinity which reflected higher land values than orginally reported. Further discussions and negotiations resulted in the owner's attorney consenting to a figure of $37,500.00. A Consent Judgment in that amount has been entered. It is recommended that this Consent Judgment be approved. (May 17, 1962)

Right of Way-Route U.S. 22

89. There are presented report and appraisal with map and description on Route US 22 (1953), Section 11, Parcel U-178-(21), King George Road to Green Brook, Parcel 1, Matilda L. Broderick, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of the parcel in fee simple subject to any public utilities existing in the premises. The owner's demands of $18,000.00.was considered excessive. (May 22, 1962)

Right of Way-Route 26 Extension (Trenton Freeway)

90. There is presented report and appraisal with map and description on Route 26 Extension (Trenton Freeway), Section 1, from Delaware River Bridge to Perry Street, Parcels 82A & 82B, Louis F. Rendemonti & Marion C. Rendemonti, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. Attorney for the owner refused to state a demand. (May 17, 1962)

Right of Way-Route 27 (1953)

91. There are presented report and appraisal with map and description on Route 27 (1953), Section 7, Garden State Parkway to Grand Avenue, Parcel 10, Livingston Realty Co., Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner did not state his demands. (May 22, 1962)

Right of Way-Route 54 (1953)

92. There is presented report and appraisal with map and description on Route 54 (1953), Section 1, from Unexpected Road to U.S. Route 40, Parcel E-32, Josephine De Maria. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this Slope Easement subject to any public utilities existing in the premises. The State's offer of $600.00 was declined. Owner refuses to negotiate. (May 16, 1962)

Right of Way-Route 80

93. There is presented again the matter of acquisiton of property on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey & New York Railroad (Erie) at Hackensack, Parcel 1 (850 square feet), Irma Realty, Inc.; on which an agreement was previously approved in the sum of $2,700.00. Subsequently, it was learned that an error had been made in calculation and that the actual area required in Parcel 1 is 1,428 square feet. The property was re-appraised and negotiations were reopened. It now appears that the owner cannot convey marketable title. It is, therefore, recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. It is further recommended that the previous action approving the agreement be rescinded. (May 16, 1962)

NO. 16 - 1962

Right of Way-Route 80

94. There are presented report and appraisal with map and description on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey & New York Railroad (Erie) at Hackensack to Hackensack River, Parcel 132, Joseph M. Yannette & Michelina, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. Theowner isdemanding $25,000.00 which is considered excessive. (May 16, 1962)

Right of Way-Route 287

95. There are presented report and appraisal with map and description on Route 287 (1953), Section 4, Project I-287-1-(12), from Route U.S. 202 & U.S. 206 to Route U.S. 22, Parcel 155, Lawrence E. & Mary Selover, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners have not made known their demand. (May 22, 1962)

Burlington-Bristol Bridge Approach

96. There are presented report and appraisals with map and description on Burlington-Bristol Bridge Approaches, Project BC 130-(1), Burlington County Bridge Commission, Parcel R19S, Heirs of the Estate of Guerrino D'Elena (required by the Burlington County Bridge Commission). Authority is requested to transmit this data to the Burlington County Bridge Commission for the institution of condemnation proceedings; title is involved. (May 16, 1962)

Right of Way-Route 6 (1927)

97. There is presented again the matter of the sale of excess land on Route 6 (1927), Section 21, Parcel X11A2 and designated as Item 250. Under date of April 19, 1962, the State Highway Commissioner approved the sale of the above property to the Township of Denville for public use at a consideration of $6,500.00. It is recommended that the attached deed covering the conveyance of Parcel X11A2 to the Township of Denville be executed; and authority granted to make delivery of the deed upon payment of the full purchase price. The State Highway Commissioner does hereby further declare that this property is no longer required by the State for use of construction, improvements or maintenance of any State Highway. (May 17, 1962)

Right of Way-Route 80

98. There is presented a report of the public sale held on May 10, 1962 for the building located on Route 80 (1953), Section 3B, Project I-80-3-(4), Parsippany Road to Edwards Road, Parcel 1, formerly owned byPenny Realty Company. There were a total of 56 bids received for this building ranging from a low of $1,000.00 to a high bid of $9,000.00, which bid was submitted by Mr. Sheldon Kessler of Paterson, New Jersey. It is recommended that the high bid of $9,000.00 be accepted, and that the successful bidder be authorized to remove the building upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State; said money to be returned after certification that he has complied with the terms of the sale. (May 16, 1962)

Right of Way-Route 295

99. There is presented again the matter of the public sale of buildings located on Route FAI-108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, Parcels 121A1 & 121B1, which was previously sold at public auction. The successful bidder has complied with the terms and conditions of the sale. It is recommended that authority be granted to return the escrow money in the amount of $300.00 which was deposited with this department. (May 16, 1962)

Right of Way-Route U.S. 130

100. There is presented a report of the public sale held on May 15, 1962, for the property located on Route U.S. 130 (1953), Section 8, New Albany to Pennsauken Creek and designated as Parcel V9C. Under date of May 4, 1962, the State Highway Commissioner authorized the sale of this parcel for $450.00 for the land, plus $150.00, which is the estimated cost of conducting the sale, making a total of $600.00. A bid in the amount of $600.00 was submitted for this property by Mr. Walter D. Lamon, Jr., of Palmyra, New Jersey. It is recommended that the bid submitted by Mr. Walter D. Lamon, Jr., be approved and that a deed of conveyance be executed and delivered upon payment of the balance of the purchase price. (May 17, 1962)

101. Authority is requested to rescind previous action approving the following Appraisal Orders:

1962-A-198 to Albert O. Bogert of Ridgewood, New Jersey
1962-A-199 to W. Gerould Clark of Englewood, New Jersey
1962-A-200 to James W. Mason of Hasbrouck Heights, New Jersey

The above orders were for an evaluation of land only. It has now been determined that a before and after value of the entire property including the very large industrial buildings is required, and new appraisal orders are being issued. (May 17, 1962)

The amount of Federal-aid Interstate funds obligated is $3,708,900.00 which is 90% of the estimated cost of $4,121,000.00 for Federal participation. There is an additional sum of $49,100.00 of 100% State cost for a grand total of $4,170,100.00. (May 24, 1962)

Claims-Settlements

9. This claim arises out of an accident occurring on December 25, 1960 at approximately 6:20 A.M., involving a vehicle owned and operated by Sidney Aronchick. As the result of said accident, four sections of bridge concrete railing were damaged and had to be repaired at a cost of $585.37. Mr. Aronchick at the time of the accident, made a claim against the State Highway Department for the damage sustained by his vehicle claiming that the roadway approaching the bridge had been completely free of any ice. The accident occurred when the debtor's vehicle reached the bridge deck, went into a skid, lost control of his vehicle and crashed into the concrete railing. An investigation of the accident was made by the Claims Bureau who subsequently denied payment of Mr. Aronchick's claim. When the Highway Department's claim was presented to Mr. Aronchick, his insurance carrier denied liability

(continued on next page)

and refused to make payment on the ground that there was no negligence on his part, and that their assured had no prior knowledge that the bridge deck would be icy inasmuch as the roadway had been completely free of any slippery condition. The Claims Bureau did not accept the insurance company's complete turndown, and subsequent negotiations have now resulted in the carrier offering 50% of our claim. We do have to admit that our investigation disclosed that the highway was completely free of any icy or slippery condition and that this motorist did not have actual prior notice that the bridge deck would contain an icy surface. In view of the foregoing, we feel that the offer of 50% is reasonable and it is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack, that the offer of settlement receive favorable consideration. (May 25, 1962)

Claims-Settlements

10. This claim arises out of an accident occurring on February 15, 1961 on Route 82 and North Avenue, Union, New Jersey, involving State Highway Department Ford HYF-595 operated by Albert DeGoria and a vehicle owned by Elizabeth Roofing Supply Company and operated by Donald Ruth. As a result of the aforesaid accident the State Highway Department owned vehicle was damaged and had to be repaired at a cost of $178.65. The insurance carrier representing Elizabeth Roofing Supply Company refused to honor our claim on the basis that the State vehicle was making a left turn while their assured's vehicle was going straight from the opposite direction when the collision occurred. After further negotiations with the insurance carrier involved they made an offer of 25% of our claim, namely $44.66. Inasmuch as it appears that we would be unsuccessful in obtaining a judgment, in the event we started a suit in this matter, it is recommended that their offer in the amount of $44.66 be accepted and the balance of this claim in the amount of $133.99 be cancelled. (May 28, 1962)

- - - - - - - - -

11. This claim arises out of operations of the forces of Conti Contractors, Inc. being performed on March 20, 1959 on Route 17 and Linwood Avenue, Paramus, New Jersey. On the aforesaid date and location said forces dug up State Highway Department owned conduit and wiring for traffic signals, which had to be repaired at a cost of $143.56. The contractor involved did not have any general liability insurance coverage at the time this mishap occurred and went into bankruptcy a short time after this incident occurred. A claim was filed with the proper Bankruptcy Court for our claim in this matter and we have recently received a draft in the amount of $9.33 in full settlement of this claim. In view of the foregoing it is my recommendation that the $9.33 be accepted in full settlement of this claim and the remaining $134.23 be cancelled. (May 28, 1962)

Agreements-Jurisdiction, Control & Maintenance

12. Approval and execution is recommended of the attached Agreement dated May 25, 1962, between West Windsor Township and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance of the new turning facility which was constructed at Alexander Road, West Windsor Township, Mercer County, in connection with the State's widening and resurfacing of Route U.S. 1. (May 29, 1962)

Utilities-Route 17

13. By Commission Action dated May 9, 1961 the sum of $825.00 was set up to reimburse the New Jersey Bell Telephone Company for the cost of telephone relocation work to accommodate the grade separation structure at East Ridgewood Avenue on Route 17. We agreed to pay the Company for the actual cost of the relocation work which amounted to $1,095.72, exceeding the original estimate by more than 25%. There was no departure from the original plan. It is, therefore, recommended that the New Jersey Bell Telephone Company be reimbursed for the actual amount of $1,095.72 and that the additional amount of $270.72 be set up to cover the additional cost. (May 31, 1962)

Utilities-Route U.S. 130, Section 1B

14. To accommodate the construction of Route U.S. 130, Section 1B, in the Borough of Collingswood, Camden County, it was necessary for the Pennsylvania-Reading Seashore Lines to install a 36" C.M. drain and one manhole on the Railroad's right of way. Since said drainage facilities were to be owned and maintained by the Borough of Collingswood no formal agreement between the State and the Railroad was negotiated; however, by letter dated September 20, 1961 the State agreed to reimburse the Railroad for its costs in connection with the construction of said facilities. It is recommended that the Railroad Company be reimbursed in the actual amount of $387.24 as evidenced by the attached invoice. (May 31, 1962)

Utilities-Route U.S. 130, Section 10E

15. To accommodate the construction of Route U.S. 130, Section 10E, in the Township of Burlington, Burlington County, it will be necessary for the Pennsylvania Railroad Company to relocate one of its signal devices located on right of way owned by the Railroad and occupied by the Highway. It is recommended that the Railroad be reimbursed for the cost of this work which is estimated at $687.00, which includes approximately 10% for contingencies. (May 31, 1962)

No Parking Zones

16. In accordance with the provisions of s. 78, c. 23, L. 1951 (c.39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking" zones along Route 28, Bound Brook, Borough, Somerset County, Middlesex Borough, Middlesex County; and that Regulation RP-62-3, adopted January 17, 1962 and approved January 26, 1962, be rescinded. (May 25, 1962)

No Parking, Stopping or Standing Zones

17. In accordance with the provisions of s. 78, c. 23, L. 1951 (c.39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping or standing" zones along Route 63, Palisades Park Borough, Bergen County. (May 31, 1962)

18. In accordance with the provisions of s. 78, c. 23, L. 1951 (c.39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping or standing" zones along Route 3, City of Clifton, Passaic County. (May 28, 1962)

Construction Items

Route U.S. 9 (1953), Section 22A

19. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Dualization of Route U.S. 9 (1953) Section 22A, from Adelphia Road to Toll Gate Corner, in the Township of Freehold, Monmouth County, Federal Project F-181(7). Item No. 2, Construction Program Year 1960-61. (May 24, 1962)

Route U.S. 130, Section 10E

20. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and for advertising after approval has been received from the Bureau for the grading, paving and bridges on Route U.S. 130, Section 10E, from Logan Street to Lincoln Avenue in the City of Burlington, Burlington County, Federal Project U-69(24). Item No. 9, Constructinn Program Year 1960-1961. (May 31, 1962)

Route 4 Parkway, Sections 1H,2K,3A,4L,5H,6H,7J,8H & 9P

21. It is recommended that all bids received on May 17, 1962, for the construction of Guard Rail and Barrier Curb on Route 4 Parkway, Sections 1H,2K,3A,4L,5H,6H,7J, 8H and 9P, in the Townships of Woodbridge, Clark, Cranford, Union, and Borough of Kenilworth, Middlesex and Union Counties, be rejected in view of the fact that these bids were too much in excess of the engineers estimate. It is further recommended that this project be readvertised for bids to be received June 21, 1962. (May 25, 1962)

Route U.S. 130 (1953), Sections 7E,8D,9D & 10D

22. Approval is recommended in making Award of Contract to South Jersey Construction Company for Widening, Resurfacing and Island Closures, from Chelton Avenue to Union Avenue on Route U.S. 130 (1953), Sections 7E,8D,9D and 10D, in the City of Burlington, Townships of Burlington, Edgewater Park, Levittown, Delanco, Delran, Cinnaminson and Pennsauken, Burlington and Camden Counties, at their bid, the lowest of four bids received on May 10, 1962, in the amount of $2,747,584.20. (May 24, 1962)

Route 21 Freeway, Section 1D

23. Schiavone Construction Co., Inc., 1600 Paterson Plank Road, Secaucus, New Jersey, contractor for the construction of two (2) single sign supports on Route 21 Freeway, Section 1D, City of Clifton, Passaic County, has satisfactorily completed the work on this project as of May 4, 1962. It is thereby recommended that this project be finally accepted and 100% payment authorized. (May 31, 1962)

(22)

Route U.S. 130, Sections 7A & 8B

24. By Commission Action approved January 29, 1962 semi-final acceptance and semi-final payment was authorized on the George M. Brewster and Son, Inc., contract for the construction of Route U.S. 130, Sections 7A and 8B, Federal Project No. U-69(2[illegible], from interchange at Route 73, Townships of Pennsauken and Cinnaminson, Camden and Burlington Counties. At the time of this acceptance it was recommended that the amount of $7,079.30 be deducted as a penalty from monies due the contractor, due to deficiencies in the bituminous pavement. This project has now been finally completed as of December 15, 1961 and it is recommended that the project be finally accepted and final payment authorized in accordance with the as-built quantities after the necessary formalities have been observed. It is further recommended that the previous deduction authorized by the Commission Action of January 29, 1962 be reduced to $5,708.60. This deduction represents the value of the deficiencies in the bituminous stabilized base courses, 6" and 7" thick, using the as-built measurements as a basis for the computation. This recommendation applies only to roadway items. (May 31, 1962)

Route 80, Section 5F

25. Approval is recommended of the request of Johnson, Drake & Piper, Inc., 86 Trinity Place, New York, New York, contractor for the construction of Route 80, Section 5F, from the Hackensack River Bridge to the vicinity of Teaneck Creek, Grading, Drainage, Bridges, Walls and Incidental Paving, in the Borough of Bogota and the Townships of Ridgefield Park and Teaneck, Bergen County, Federal Project No. NJ-I-80-5(19)67, to sublet Items 80, 99, 115, 131, Structural Steel (erection only), in the amount of $43,000.00 (Specialty Item), and Items 81, 100, 116 and 132, Shear Connectors, in the amount of $15,000.00, representing 0.3932% of the total contract amount less Specialty Items, to U. Right of Way Items

General Property Parcel Map-Route 80, Section 4E

66. There are presented sheets 7 and 8 of the General Property Parcel Map on Route 80, Section 4E, Two Bridges Road to Glover Avenue, Federal Project I-80-4-(10); together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It is recommended that these sheets be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The funds for this entire project have already been requested and set up. (May 24, 1962)

Right of Way-Lower Ferry Road, Ewing Township

67. There is presented a report regarding purchase of two properties located along Lower Ferry Road, Ewing Township, immediately adjacent to our present holdings. These two owners have tentatively agreed to accept the considerations indicated below, which are in accordance with the appraised valuations:

Owner	Description of Property	
Robert T. Burroughs	150' frontage on Lower Ferry Road by depth of 475' along Houston Ave. together with 2-story frame dwelling, frame barn and tool shed	$22,800.00
August Fasolino	262' frontage along westerly side of Houston Ave. by depth of 157'	$12,050.00

The matter of acquisition of these properties is presented to the Commissioner for consideration. If the Commissioner approves of the acquisitions, funds can be made available by transfer of $34,850.00 from Right of Way Projects on which we have balances. (May 28, 1962)

Right of Way-Proposals

68. There are presented herewith proposals by:

New Jersey Realty Title Insurance Co. Newark

State Highway Commissioner

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JUNE 12, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director & Chief Road Engineer, Counsel and the State Highway Engineer. (June 5, 1962)

Services-Engineering

2. Approval and execution is recommended of the attached "Fourth Supplemental Agreement" dated May 25, 1962, between the Jersey Testing Laboratories, Inc. (called the Laboratory) and the State of New Jersey, which Agreement confirms all items of the 4 contracts presently in force dated respectively June 27, 1958; June 24, 1959; March 13, 1961 and August 21, 1961. In addition, this Agreement expands the list of samples to include all samples of any nature and any weight, and deliver same to the State's Laboratory at Fernwood for the prices as follows: Cylinders up to 35 pounds for a flat rate of $1.50; other packages up to and including a single unit of 10 pounds at $0.50; over 10 pounds (one package) at the rate of $0.50 for the first 10 pounds and $0.50 for each additional 10 pound weight increment or fraction thereof. (June 5, 1962)

Agreements-Route 27, Sections 7A & 8A

3. Approval and execution is recommended of the attached Agreement dated May 31, 1962, between The Union County Park Commission and the State of New Jersey, covering understandings in connection with the construction and improvement of State Highway Route 27, Sections 7A & 8A, from Junction with Route 35 to Stiles Street, where it was necessary to remove and/or relocate several items of planting and beautification owned by the Commission. It is recommended that The Union County Park Commission be reimbursed for the relocating and replacing of the landscape items in an amount not to exceed $400.00. Construction Program Year 1960-61, Item No. 38. (June 4, 1962)

Utilities-Route 80, Section 4H

4. Approval and execution is recommended of the attached Agreement between Passaic Valley Water Commission and the State of New Jersey covering understandings in connection with the rearrangement of water facilities to accommodate the construction of Freeway Interstate Route 80, Section 4H, located in the City of Paterson, County of Passaic. The Water Commission is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $80,800.00. Construction Program Year 1961-62, Item No. 22. (June 5, 1962)

Utilities-Route 287, Section 5D

5. Approval and execution is recommended of the attached Agreement (PUA-73-287-5D) between Transcontinental Gas Pipe Line Corporation and the State of New Jersey covering understandings in connection with the rearrangement of gas transmission pipe line facilities to accommodate the construction of Freeway Interstate Route 287, Section 5D, located in the Township of Bridgewater, County of Somerset. The State will reimburse the Corporation for the work it must perform to accommodate the State's construction, which work is estimated at $33,800.00 and includes approximately 10% for contingencies. Construction Program Year 1961-62, Item No. 28. (June 4, 1962)

Sections 7A & 8B
Utilities-Route 287, Section 3C & Rt. 1

6. Subsequent to the completion of the development of construction plans for the construction of Freeway Interstate Route 287, Section 3C & Route U.S. 1 (1953), Sections 7A & 8B, the Borough of Metuchen installed an 8" Class 1500 Transite Sanitary Sewer along McPherson Avenue in the Borough of Metuchen, Middlesex County. However, due to embankment being constructed under the aforementioned project, the transite sewer is not of sufficient strength to withstand the increased additional weight, and it will, therefore, be necessary for the Borough to replace a portion of this sewer with a higher strength and long life pipe material. It is, therefore recommended that the Borough of Metuchen be reimbursed for this work which including 10% contingencies amounts of $1,375.00. This work will be performed for the Borough by the Middlesex Tranching Corporation, whom the Borough normally engages to perform this type of work. Construction Program Year 1961-62, Item No. 21. (June 6, 1962)

Utilities-Route 287, Section 12B

7. Approval and execution is recommended of the attached Order, issued to the Jersey Central Power & Light Company, covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 287, Section 12B, located in the Township of Parsippany-Troy Hills, County of Morris. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $81,700.00. Construction Program Year 1960-61, Item No. 22. (June 8, 1962)

Utilities-Route 440, Section 2A

8. By letter dated October 7, 1960 the State Highway Department agreed to reimburse the Lehigh Valley Railroad Company for work performed by the Railroad on its facilities to accommodate the resurfacing on Route 440, Section 2A, in Jersey City. The Lehigh Valley Railroad Company have submitted a bill in the amount of $45.14 covering the cost of its work and it is recommended that this amount be paid. (June 4, 1962)

No Parking Zones-Route 28 (North Ave., West)

9. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking" zones along Route 28 (North Avenue, West), Cranford Township, Union County. (June 5, 1962)

Right of Way-Route 42

99. There is presented again the matter of acquisition of property on Route 42, Sections 1 & 2, Williamstown to Atlantic County Line, Parcel 94, Mary Green, widow, on which an agreement in the sum of $133.30 was approved on September 5, 1929. This agreement contained a clause to the effect that "the two-story frame dwelling located 6 feet within the limits of the right of way may remain in its present location until such time as the State may find it necessary to remove same when the same may be removed or rebuilt so that it will no longer encroach". A recent construction contract was awarded to improve this highway to the full width of the existing right of way, Investigation disclosed that the main portion of the dwelling is less than 2 feet from the right of way line and it was determined that to remodel this dwelling and allow it to remain just outside of the right of way would create a hazard, not only to the occupants but also to the travelling public. Therefore it is considered in the best interest of the State to move the dwelling to a safe distance from the right of way line. Estimates for the removal of the dwelling were secured as follows:

William Russell & Sons, Mullica Hills, N.J. - $4,887.00
Mullen & Ranalli, Mount Holly, N.J. - 5,850.00

The owner has agreed to execute a release andto move the dwelling back a substantial distance from the right of way line for a consideration of $4,100.00. It is recommended that authority be granted to pay Mrs. Green the sum of $4,100.00 upon execution of the release and the removal of the building; relieving the State of its obligation in connection with the dwellin as specified in the agreement. (June 5, 1962)

Right of Way-Route 80

100. There is presented report from the Title Officer together with Deed for conveyance of Parcels V1B & V27B on Route 80 (1953), Section 2J, Project I-80-2-(20), from the State of New Jersey to Denbrook Corporation. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on December 6, 1961, under the terms of which Denbrook Corporation conveyed to the State Parcel 25A at a consideration of $27,000 plus conveyance of Parcels V1B & V27B. All the other terms of this agreement have been consumnated. It is recommended that this deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcels V1B & V27B are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway. (June 5, 1962)

NO. 19 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JUNE 19, 1962

Administration Items

Federal Aid-Interstate Funds

1. It is recommended that the attached modified project agreement in duplicate be approved and executed (Construction): Route No. 295, Section 2G, from Interchange at Route 80S to Copley Road, Camden County, Project No. I-295-2(11)28. The amount of Federal-aid Interstate funds obligated is $2,114,064.13 which is 90% of the estimated cost for Federal participation. This modification is necessary to receive final reimbursement. (June 14, 1962)

Utilities-Route 80, Section 5K

2. The present Agreement with the Borough of Lodi (PUA-50-80-5K) covers reimbursement for water main relocation only in connection with the State's construction of Freeway Interstate Route 80, in the Borough of Lodi. However, it now appears that it is desirable to extend this Agreement to cover the Borough's sanitary sewer relocation work in Lucille Drive, as shown on Change of Plan C.G.-334, and that the Borough be reimbursed for the actual cost of the sewer relocation work, which is estimated at $1,980.00 including 10% for contingencies. (June 15, 1962)

Utilities-Route 80, Section 4G

3. Under present Agreement (PUA-7-80-4G) with the Passaic Valley Water Commission, the State's contractor will have to sever a 42" water main and reconnect by means of relocated pipelines, with the stipulation that the pipeline can be out of service over weekend periods only. It has been discovered that this pipeline downstream from the State's project serves the City of Garfield. In the Agreement with the City of Garfield, the Passaic Valley Water Commission is liable for water service and the City of Garfield officials will not tolerate any discontinuance of service, especially at this time of the season. To correct this situation it is proposed to construct a temporary pipeline which is to be considered as an additional cost for temporary service under PUA-7-80-4G, which work will be done under Change Order #2 by the Passaic Valley Water Commission, and to expedite the work the State will enter into a contract directly with the Centri Line Division of the Raymond International, Inc., and with the City of Garfield. It is recommended that payment of costs be made for this temporary pipeline work in accordance with the estimated cost of the parties involved as listed hereunder, and it is further recommended that all Agreements necessary to carry out this work be approved.

1.	Centri Line Division Raymond International, Inc. 3,000 feet ± of 12-inch or dual 8-inch surface pipeline at $3.25 plus insurance premium for railroad crossing, $1,000 maximum - Estimated Total	$10,750.00
2.	City of Garfield for excavation, replacement of surface (including concrete sidewalk and bituminous roadway pavement), manning valves, engineering and inspection.	16,500.00
3.	Work by New York, Susquehanna and Western Railroad Company where pipeline passes under track, including protective personnel.	100.00
4.	Wet taps by Passaic Valley Water Commission covered by Change Order No. 2 in the estimated amount of $956.73.	
	Estimated Total Costs	$27,350.00

(June 19, 1962)

No Parking, Stopping Or Standing Zones

4. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping or standing" zones along Route 35, Woodbridge Township, Middlesex County. (June 15, 1962)

Construction Items

Route 3 (1953), Section 1D

5. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Grading, Paving, Resurfacing and Pedestrian Bridge on Route 3 (1953), Section 1D, from the New Hackensack River Bridge to vicinity of Paterson Plank Road, in the Town of Secaucus, Hudson County, Federal Project U-116(9). Construction Program Year 1960-61, Item No. 3 - No. 1,1959-60. (June 14, 1962)

Route 18, Section 7A

6. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for New Street Overpass, Intersection Revisions at Route 27 and Commercial Avenue and Island Closures on Route 18, Section 7A, from Route 27 to Municipal Dock Road, in the City of New Brunswick, Middlesex County, Federal Project No. U-112(20). NO. 20 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JUNE 25, 1962

Administration Items
Apportionment of Jurisdiction, Control & Maintenance Functions

1. Approval and execution is recommended of the attached agreements dated June 13, 1962 between the Borough of Bellmawr and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of Freeway Interstate Route 295, Sections 1 & 2G, where it was necessary to contrsuct an overpass at the following locations:

To carry said route over Relocated Essex Avenue and also entailed improvements to portions of Essex Avenue & Creek Road.

To carry said Relocated Creek Road over said route and also entailed improvements to portions of Creek Road & Relocated Creek Road.

To carry Bell Road over said route, and also entailed improvements to Bell Road. (June 21, 1962)

Utilities-Route 27, Section 8B

2. To accommodate the construction of State Highway Route 27, Section 8B, it will be necessary for the City of Linden Fire Department to relocate 8 fire hydrants, which are owned and maintained by the City of Linden Fire Department. Installation and maintenance work on these hydrants will be performed by the Elizabethtown Water Company and billed to the Fire Department at actual cost. The estimated cost for this work including 10% for contingencies is $880.00, and it is recommended that the City of Linden Fire Department be reimbursed for the actual cost and it is further recommended that the Elizabethtown Water Company be paid directly for the performance of the work. Construction Program Year 60-61, Item No. 38. (June 21, 1962)

Utilities-Route 34, Sections 1A & 2A & Rt. 35, Sec. 3A

3. To accommodate the construction of Route 34, Sections 1A & 2A and Route 35, Section 3A, from Route 71 to Route 33, it is necessary for the Borough of Brielle to rearrange a portion of their water supply facilities. The Borough, with their own forces, relocated a water meter and pit at Old Bridge Road Station 21+75-R, which work amounts to $124.02. Also at this location it was necessary to relocate a fire hydrant, which work was done by Contractor George Mueller, who performs this type of work for the Borough. This work amounted to $254.13. It is, therefore recommended that the Borough of Brielle be reimbused for the total water main relocation work which was performed by their own forces and by contract at the total amount of $378.15. Construction Program Year 61-62, Item No. 10. (June 22, 1962)

Utilities-Route 295, Section 2F

4. Approval and execution is recommended of the attached Order issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 295, Section 2F, located in the Township of Cherry Hill, County of Camden. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $33,605.00. (June 21, 1962)

SCHEDULE OF APPROVALS - JUNE 29, 1962

Administration Items

Federal Aid - Defense Access Roads

1. It is recommended that the attached modified project agreement in duplicate be approved and executed for Construction (Defense Access); Defense Access Road - Landing, St. Newbolds Corner to Eayrestown Road, Lumberton, Project A-AD-1(1). The amount of Federal aid Funds obligated is $85,803.37 which is 10% of the estimated cost for Federal participation. This modification is necessary to receive final reimbursement. (June 28, 1962)

Federal Aid - Interstate Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Preliminary Engineering; Route 295 from Hollywood Avenue North to U.S. Route 130 near Repaupo Road, Project I-295-1(25)9. The amount of Federal aid Interstate funds obligated is $665,820.00 which is 90% of the estimated cost for federal participation. (June 28, 1962)

Utilities - Route 18, Secs.1B & 6A

3. To accommodate the construction of overpasses and ramps over Route 18, Sections 1B and 6A at Milltown Road and Cranbury Road, it will be necessary for the Public Service Electric and Gas Company to relocate some of their electric distribution facilities. It is recommended that the Public Service Electric and Gas Company be reimbursed for the actual cost of relocating their facilities, which including approximately 10% for contingencies is estimated at $4,620.00. (June 29, 1962)

Utilities - Route 80, Section 5-S

4. To accommodate the construction of Freeway Interstate Route 80, Section 5S, in the Township of South Hackensack, Borough of Teterboro, Bergen County, it will be necessary for the New Jersey and New York Railroad Company to perform extensive industrial spur track relocations. This relocation work is the result of the Department electing to reimburse the Railroad for off-site track work rather than provide a bridge where the spur track crosses the Freeway. It is, therefore, recommended that the Railroad Company be reimbursed for the industrial spur track relocations and also for the cost of protective personnel at both the bridge and spur track sites, in the estimated amount of $165,057.00, which includes approximately 10% for contingencies. (June 29, 1962)

Agreement - Gloucester County (Rt.44 Freeway,Sec.15)

5. Approval and execution is recommended of the attached Agreement dated June 28, 1962, between the County of Gloucester and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of Route 44 Freeway, Section 15, Townships of Greenwich and East Greenwich, Gloucester County, which construction necessitated a grade separation to carry the combined Relocation of Harmony Road and Swedesboro Avenue over Route 44, and also included improvement to portions of Harmony Road. (June 29, 1962)

Storm Damage Disaster

6. There is presented herewith a list of equipment hired to supplement State equipment during the March 7th storm to expedite clean-up operation caused by the storm. No agreements were in existence at the time the equipment was hired and in lieu of formal agreements, it is recommended that the contractors be paid for their respective equipment at the rates listed on the attached sheets and as per items 8, 14 and 15 of Equipment Rental Agreements, copy attached. This list comprises of contractors who were inadvertently omitted from previous lists submitted, also with whom further negotiations had to be carried on to bring their hourly charges in line with rates paid other contractors. It also contains contractors who legally own said equipment and request payment be made directly to them. (June 29, 1962)

Services - Engineering

7. Approval and execution is recommended of the attached Agreement dated June 25, 1962, between Boswell Engineering Company, consultant, and the State of New Jersey covering understandings in connection with the performance of various field engineering services relative to the proposed construction of Routes 95, 80 and others. (June 29, 1962)

Services - Engineering

8. Approval and execution is recommended of the attached Agreement dated June 27, 1962 between Goodkind & O'Dea, Inc., consultant and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the proposed construction of State Highway Route 287, from Littleton Road, Parsippany-Troy Hills to Main Road, Montville, Morris County, designated Projects I-287-3(6), I-287-3(9) and I-287-3(10), a distance of about 5.7 miles. The consultant is to be paid for this work on a force account basis limited to a ceiling of $112,000.00. (June 29, 1962)

General Property Parcel Map - Rt. 42, Sec. 12

9. Approval is recommended of the attached print of the General Property Parcel Map for Route 42, Section 12 (North-South Freeway), from Morgan Boulevard to Route 45 (1927), to be filed in Camden County. (June 26, 1962)

10. Approval is recommended of the attached print of the General Property Parcel Map for Route 42, Section 13 (North-South Freeway), from Kings Highway to Big Timber Creek, to be filed in Camden County. (June 25, 1962)

Utilities - Route 80, Section 4-G

11. Under present Agreement (PUA-7-80-4G) with the Passaic Valley Water Commission, the State's contractor will have to sever a 42" water main and reconnect by means of relocated pipelines, with the stipulation that the pipeline can be out of service over weekend periods only. One of the principle industrial customers downstream from the State's project is the Industrial Terminal Company, which company purveys water to about thirty industrial firms. One of these firms is the Garden State Paper Company. This company cannot tolerate interruption to its manufacturing processing over the weekends when water main must be severed. The Paper Company requires about 50 to 60 thousand gallons per day and this amount can be furnished by a truck tank company (Pavlisco Brothers, Inc.) in tank trucks requiring the use of two trucks on a 24 hour around the clock basis for a period of time not exceeding 60 hours. The rate per hour is $12.00 for weekend periods, and the total estimated cost at 60 hours is $1,440.00. It is, therefore, recommended that payment of costs be made directly to Pavlisco Brothers, Inc. for the temporary water service in the amount of $1,440.00. Construction Program 1960-61, Item No. 19. (June 28, 1962)

SCHEDULE OF APPROVALS - JULY 10, 1962

Administration Items

Federal Aid - Interstate Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Utility Construction: Route I-95 from Teaneck Road East to a point East of Fletcher Ave., Bergen County, Project No. I-95-7(6)63. The amount of Federal-aid Interstate funds obligated is $1,088,361.00 which is 90% of the estimated cost for Federal participation. (July 3, 1962)

---

2. It is recommended that the attached project agreement in duplicate be approved and executed for Construction (Utility). Route I-287 from Whitman Avenue to New Durham Road, Project I-287-1(16). The amount of Federal Aid Interstate funds obligated is $397,206.00 which is 90% of the estimated cost of $441,340.00 for Federal participation. There is an additional sum of $92,090.00 of 100% State cost for a grand total of $533,430.00. (July 3, 1962)

---

3. It is recommended that the attached project agreement in duplicate be approved and executed for Rights-of-Way: Route I-287, Section 3A from Stelton Road to New Durham Road, Middlesex County, Project No. I-287-1(18)3. The amount of Federal-aid Interstate funds obligated is $3,906,000.00 which is 90% of the estimated cost for Federal participation. There is an additional sum of $12,600.00 of 100% State cost for a grand total of $4,352,600.00. (July 3, 1962)

---

4. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 295, Section 2E from Copley Road to Vicinity of Kresson Road, Camden County, Project No. I-295-2(18)31. The amount of Federal aid Interstate funds obligated is $3,645,900.00 which is 90% of the estimated cost for Federal participation. There is an additional sum of $224,200.00 of 100% State cost for a grand total of $4,275,200.00. (July 3, 1962)

Utilities - Route 18

5. To accommodate the construction of the grade separation structure and approach ramps of Cranbury South River Turnpike over Route 18, it was necessary for the Township of East Brunswick to relocate a 2" water main. The least expensive relocation to restore service to two remaining customers was by extending an existing line in Walker Street. The State will be billed on the basis of 2" pipe, but the Township will install a 4" pipe. The cost differential will be mainly in cost of materials. The per foot cost of the relocation including three new service corrections amount to $1.45 per foot. The total cost of 355 relocations which was done by the Township's own forces amounted to $485.24 as per invoice dated May 21, 1962. It was also necessary for the Township to relocate a fire hydrant to accommodate the construction of the jug-handle at Ferrie Street. The total cost of this relocation, as per invoice dated May 22, 1962, is in the amount of $102.97. It is, therefore, recommended that the Township of East Brunswick be reimbursed for the water main and fire hydrant relocation work in the amount of $588.21. Construction Program Year 1960-61, Item No. 5. (July 3, 1962)

Agreement - Pavlisco Bros., Rt. 80, Sec. 4G

6. By Commission Action dated June 28, 1962, the State agreed to pay the cost of furnishing temporary water service for tank truck carrier to the Garden State Paper Company by hiring the firm of Pavlisco Brothers, Inc., to accommodate the construction of Freeway Interstate Route 80, Section 4G. This Commission Action covered the use of two trucks on a 24 hour around the clock basis for the weekend period of 5 p.m. the 29th of June to Sunday the 1st of July or Monday morning July 2nd, for a period of time not to exceed 60 hours. However, it developed that only one truck was able to maintain the supply, but the water service will be required for a second weekend from July 6th to July 9th inclusive. The rate per truck hour ($12.00) will be the same and it is expected that the amount of money set-up in the original action ($1,440.00) will cover the truck service for both weekends. It is, therefore, recommended that the original action approved June 28, 1962, be extended to cover the second weekend period of July 6th to July 9th inclusive. (July 3, 1962)

No. 22 - 1962

Services-Engineering

7. Approval and execution is recommended of the attached Agreement dated June 28, 1962, between McClave and McClave, Consultant, and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the proposed construction of State Highway Route 195, Section 1E from Teaneck Creek to Route 4 and Section 1G from Route 4 to Fletcher Avenue, a distance of about 5.2 miles. The Consultant is to be paid for this work on a force account basis limited to a ceiling of $378,000.00. It is, therefore, recommended that this amount be set-up to pay the Consultant for said costs. (July 3, 1962)

Approval is recommended.

Right of Way - Route 10

43. There is presented again the matter of acquisition of an easement on Route 10 (1953), Section 5, Livingston Avenue to Prospect Avenue, Parcel E19, John J. O'Brien and wife. Condemnation proceedings were previously authorized at which time the owners demanded that certain construction items be provided. Continued negotiations have resulted in the execution of an agreement in the sum of $200.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (July 3, 1962)

Right of Way - Route 295

44. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, Parcels 38A, R38B, 38C and 38D, Lawnside Hills Inc. Condemnation proceedings were previously authorized at which time the owners were demanding $131,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $92,500. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (July 3, 1962)

Right of Way - Route 80

45. There is presented invoice in the sum of $592.92 from Public Service Electric and Gas Company covering costs incurred in the acquisition of a new site required for the relocation of their facilities that were located on Parcel 21, on Route 80, Section 4D, Passaic River to Glover Avenue, Federal Project I-80-4-(4). The State Highway Commissioner on August 14, 1959 approved the acquisition of Parcel 21 for a total consideration of $30,800.00 with the understanding that the owner was to remove and relocate all their facilities and that, in accordance with R.S. 27:7A-7, the State would reimburse Public Service for the acquisition costs involved in the acqusition of a new site. It is recommended that authority be granted to reimburse Public Service Electric and Gas Company in the sum of $592.92 for the actual amount paid to cover their acquisition costs. (July 3, 1962)

Right of Way - Route I-101 (80)

46. There is presented a proposed agreement between the State of New Jersey and the United States of America whereby the Government agrees to convey an easement over Parcel R-2 required by the State in the construction of Route FAI 101-5-(3), Market Street to Route 17. All negotiations in connection with this acquisition were based on maintaining uninterrupted operation of this military installation and a replacement " in kind", insofar as possible, of the existing facilities destroyed by the State's acquisition; there being no legal authority to condemn against the United States Government.

Based on the State's appraisals, the estimated value of the acquisition including the building is $90,000
This does not include the cost of furnishing interim facilities, which cost is estimated at 12,570 $102,570

The State agrees to convey to the United States of America Parcel V1B2 (the estimated value of which is $10,500) and to arrange to replace affected facilities including reimbursement to Army on an actual cost basis, for the preparing of the necessary plans and specifications and supervision by Army personnel during construction of new facilities - all of which is estimated at a cost of $107,000

It is recommended that this agreement be approved and executed by the State Highway Commissioner with authority granted to transmit same to the United States of America for execution, and that authority be granted for the Division of Roads to obtain competitive bids for the construction of the new facilities and to award a contract for said facilities upon notification of execution of the agreement by the Secretary of the Army and the granting of a right-of-entry to the State. Authority is also requested to dispose of the maintenance garage building. (July 6, 1962)

Right of Way - Route I-104

47. There is presented again the matter of acquisition of property on Route FAI 104-2-(2), From Route U.S. 22 to Easton Avenue, Parcel 356, Nathan Bloom. Condemnation proceedings were authorized because of title complications. The Title Bureau now reports that a satisfactory Deed has been delivered. It is recommended that this Deed be accepted; that authority be granted to pay the sum of $357.00 therefor; and that condemnation proceedings previously authorized be discontinued. (July 3, 1962)

Right of Way - Route 287

48. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287-2-(3), Easton Avenue to Stelton Road, Parcel R17H2, on which an agreement was previously approved in the sum of $500.00. This agreement contained a clause granting to the State the right to construct and maintain a temporary roadway for use during the construction of the bridges and the highway; which right shall terminate after completion of construction and the opening of the highway and bridges to traffic. A Warranty Deed was delivered and payment made in the sum of $500.00 in accordance with this agreement. Subsequently, our Engineers discovered that Parcel R17H2 lies entirely within the confines of Old New Brunswick Road and would not have to be acquired. This fact was proven to the owners' satisfaction resulting in their delivering to the State a check in the sum of $400.00 with the understanding that the remaining $100.00 shall be payment for the easement for the temporary roadway. It is recommended that the Union Steel Corporation be released from all liability whatsoever under any and all covenants contained in the General Warranty Deed heretofore delivered to the State covering Parcel R17H2; that payment of $100.00 for the temporary roadway be confirmed; it being understood that the $400.00 check shall be deposited in the Right of Way account for this project. (July 6, 1962)

Right of Way - Route 295

49. There is presented again the matter of Letter of Agreement providing for conveyance of a Grant of Easement for the construction of a new overhead bridge over the railroad company's Millville Branch, Route FAI 108-1-(12), also known as 295-1-(12), North-South Freeway (FAI 109) to Verga, Parcels ER132A and ER132B West Jersey and Seashore Railroad Company. A Letter of Agreement dated March 29, 1962 was previously approved and authority granted to pay the sum of $750.00 therefor. Subsequently, the railroad officials submitted a revised Letter of Agreement dated June 6, 1962 in which the correct Construction Agreement date has been incorporated. It is recommended that this corrected Letter of Agreement be accepted by the State Highway Commissioner and authority granted to pay the sum of $750.00 therefor upon conveyance of the formal Grant of Easement. It is further recommended that the previous Letter of Agreement dated March 29, 1962, be rescinded. (July 3, 1962)

Right of Way - Route U.S.130

50. There is presented report, together with 7 signed Permits on Route U.S. 130 in which the owners grant at no cost to the State, the right to enter upon their lands for the purpose of forming slopes, grading and construction State Highway Route U.S. 130 (1953), from Columbus Road, Burlington, to Woodland Avenue, Pennsauken, in accordance with the current plans for said State Highway. The signed Permits cover the following properties of the owners listed below:

It is recommended that these permits be accepted and that the Director of the Division of Right of Way Acquisition & Titles be authorized to acknowledge receipt of same and express appreciation and thanks on behalf of the Commissioner for the cooperation of the respective owners. (July 6, 1962)

R ight of Way - Storm Disaster Area

51. There are presented report and appriasal, together with executed agreement, covering one improved property at Sea Isle City along the line of the Sand Dune. It is recommended that this agreement, as set forth in the attached Schedule dated July 6, 1962, be approved by the State Highway Commissioner, and authority granted to transmit same to the City of Sea Isle City for approval and execution. (July 6, 1962)

Right of Way - Route 22

52. There is presented again the matter of condemnation of lands on Route 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road, Parcel R16, Piedmont Corporation. At the hearing before condemnation commissioners the testimony on behalf of the State was in the sum of $2,550.00 and no testimony was presented on behalf of the owner. The commissioners made an award in the sum of $2,550.00. It is recommended that this award be approved without interest. (July 3, 1962)

Right of Way - Route U.S.40

53. There is presented again the matter of condemnation of lands on Route U.S. 40 (1953), Section 2, Project F-1-(5), Delaware Memorial Bridge to Route 48, Parcel 1, Dr. Humphrey D. Wolfe and wife. An appeal was previously authorized from a condemnation commissioners' award in the sum of $12,466.00. At the trial before a Judge and Jury, the testimony on behalf of the owner was in the sum of $17,322.50 and the testimony on behalf of the State was in the sum of $6,500.00. The Jury returned a Verdict in the sum of $9,400 plus interest @ 6% from the date of entry, October 20, 1960 computed at $940.00 which resulted in a total Judgment of $10,340. It is recommended that this Judgment be approved plus interest to the date of payment. (July 3, 1962)

Right of Way - Route 95

54. There is presented again the matter of condemnation of lands on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a Point East of Fletcher Avenue, Fort Lee, Parcel 6, Joseph F. Nagle and wife. At the hearing before condemnation commissioners, the owner testified on his own behalf to a value of $450,000.00. The testimony on behalf of the State was in the sum of $200,000.00. The commissioners made an award in the sum of $335,000.00. It is recommended that an appeal be authorized. (July 6, 1962)

---

55. There is presented again the matter of condemnation of lands on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a Point East of Fletcher Avenue, Fort Lee, Parcel 8, Joseph Ciocca et al. At the hearing before condemnation commissioners, there was no testimony presented on behalf of the owner and the testimony on behalf of the State was in the sum of $400.00. SCHEDULE OF APPROVALS - JULY 16, 1962

Administration Items

Prequalification of Bidders ✓

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of theComptroller, Director, and Chief Road Engineer, Counsel and State Highway Engineer. (July 11,1962)

Claims-Settlements ✓

2. This claim arises out of an automobile accident which occurred on July 23, 1961 at the intersection of Route 47 & Coles Mill Road, Gloucester County, New Jersey, and involved a vehicle owned and operated by John Trocino. As a result of this accident traffic signal equipment was damaged and subsequently repaired at a cost of $364.61. Investigation by the Claims Bureau disclosed that Mr. Trocino stated to an officer of the New Jersey State Police, who investigated the occurrence, that a vehicle suddenly pulled into his lane of travel and caused him to veer off the traveled portion of the highway in order to avoid an accident with this vehicle and striking the traffic light pole. In view of this, the insurance company representing Mr. Trocino denied payment of our claim on the grounds there was no negligence on the part of their assured. Further negotiations with the insurance company resulted in their offer of 50% in full payment of our claim. In view of the circumstances under which the accident occured, it is the opinion of the Claims Bureau that the State would be justified in accepting the above offer of settlement. This is in accordance with Mr. Levine's memorandum, attached hereto and the recommendation of Philip A. Donnelly, Deputy Attorney General.(July 12,1962)

Procedures-FederalAid Reimbursement ✓

3. It is recommended that the attached Memorandum of Understanding with the Federal Bureau of Public Roads effectuating a Concurrent Audit procedure with regard to reimbursement---Federal Aid construction funds be approved and executed. It is further recommended that the procedures covered by this Memorandum, as outlined and supported by the flow charts and other documents submitted to the Bureau of Public Roads and agreed to by it, be approved and adopted as the required operating procedures of the New Jersey Highway Department with respect to auditing and control of Federal Aid construction funds. (July 13, 1962)

Agreements-Burlington County-Reimbursement ✓

4. Approval and execution is recommended of the attached Supplemental Agreement between Burlington County and the State of New Jersey covering understandings in connection with the construction of channelization at the Intersection of Route 38 and the South Pemberton Road in the County of Burlington, which construction will be performed as a joint project with the County of Burlington. The State is to reimburse the County of Burlington for its share of the work in an amount not to exceed $75,500.00, except any extra costs exceeding this amount which may be caused by changes of plan required and approved by the State. (July 13, 1962)

Agreements-Settlement (Route 78) ✓

5. At the time of acquisition of the Tinsman property for the construction of Route 78, certain items of construction were not considered items of right of way acquisition. It was therefore determined to cause this work to be performed as extra work by the contractor or by the Maintenance Bureau forces of the Highway Department. At unit prices bid it was estimated that this work would cost $4700. As the contractor was then behind schedule it was determined to turn the work over to the Department Maintenance Bureau, who in turn, did not have the forces available to perform the work. It was then decided to meet with Mrs.Tinsman (now Mrs. Mary K. Morris) and explore the possibility of a cash settlement. This was negotiated at $3,000. It is therefore recommended that payment in the amount of $3,000. be made to Mrs. Mary K. Morris in settlement of all claims against the State. (July 10, 1962)

57. There is presented again the matter of acquisition of property on Route 29A (1927), Section 5, from one mile North of Byram to Raven Rock, Parcel R1, The Ravenhouse Inc. An agreement was previously approved in the sum of $850, which agreement did include any damages by reason of disruption to the septic system. The owner's claim that a new well is needed in addition to the relocation of the septic system has been substantiated by our engineers. Estimates have been secured for this work as follows:

For new septic system including construction of soil lines, new septic tank and concrete distribution box

Arthur Colligan	Lambertville	$1,500.00
A. C. Brown	Trenton	1,612.00

Estimates for new well:

Theodore Ziegenfuss	New Hope	$ 737.00
Walter P. Travis	Trenton	823.50

It is recommended that authority be granted to pay the total sum of $2,237.00 (representing the two low bids) upon execution of a General Release of all claims for damages by reason of the well and septic system damages. (July 11, 1962)

Right of Way-Route 95

58. There is presented invoice from Bergen County Sewer Authority covering parcels acquired in the name of the Sewer Authority, consideration for which was previously approved by the State Highway Commissioner, with the understanding that the Sewer Authority would be reimbursed by the State in accordance with R.S. 27:7A-7. This invoice covers the following parcels on Route 95, Section 1F, Route 4 to Fletcher Avenue, Federal Project I-95-7-(4):

Parcel	Owners Name	Consideration	Acq. Costs, Title Expense & Recording Fees
UER12B & UER12C	The Wayne Company, Inc.	$ 1,900.00	$ 206.50

It is recommended that authority be granted to reimburse the Bergen County Sewer Authority in the sum of $1,900.00 plus the sum of $206.50 to cover title expenses, recording fees and acquisition costs for the actual amount paid for property rights. (July 11, 1962)

59. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287-2-(3), Easton Avenue to Stelton Road, Parcels R17A, 2R17B, 17C, 17D, 17F, 17G and R17H1, Charles Brickoff, Sr. et al, on which an agreement was previously approved in the sum of $32,400. A Deed was delivered and payment made in accordance with this agreement. Subsequently, our Engineers discovered that a portion of Parcels R17A and R17H1 lies within the confines of Old

(Continued on next page)

New Brunswick Road, thereby reducing the area of these two parcels (now designated as Parcels 2R17A and 2R17H1) from 0.984 acres to 0.744 acres. This slight reduction would not materially affect the appraised valuations. It is therefore recommended that authority be granted to place a Correctory Deed on file covering Parcels 2R17A, 2R17B, 17C, 17D, 17F, 17G and 2R17H1; and that payment previously made in the sum of $32,400 be confirmed and considered payment for this Correctory Deed. (July 10, 1962)

Right of Way-Lower Ferry Road

60. There is presented again the matter of the purchase of two properties located on Lower Ferry Road, Ewing Township, immediately adjacent to our present holdings. On May 28, 1962, the State Highway Commissioner authorized the acquisition of these two properties at a total considerationof $34,850. Accordingly, agreements have now been executed as indicated below:

Owner	Description of Property	Consideration
Thomas J. McGann	150' frontage on Lower Ferry Road by depth of 475' along Houston Ave. together with 2-story frame dwelling, frame barn and tool shed.....	$ 22,800.00
August Fasolino	262' frontage along westerly side of Houston Ave. by a depth of 157'.....	12,050.00

It is recommended that these agreements be approved for which funds have been made available by the transfer of $34,850 from Right of Way Projects on which we have balances. (July 13, 1962)

Right of Way-Upper Township (Whale Beach)

61. There is presented report and appraisal, together with executed agreement, covering one improved property in Upper Township (Whale Beach) along the line of the Sand Dune. It is recommended that this agreement, as set forth in the attached Schedule dated July 9, 1962, be approved by the State Highway Commissioner, and authority granted to transmit same to Upper Township for approval and execution. (July 10, 1962)

Right of Way-Route 22 (1953)

62. There is presented again the matter of condemnation of lands on Route 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road, Parcel 8, Thomae Park Corp. At the hearing before condemnation commissioners, no testimony was presented on behalf of the owner and the testimony on behalf of the State was in the sum of $16,140. The commissioners made an award in the sum of $16,140. It is recommended that this award be approved without interest. (July 13, 1962)

Right of Way-Route 38

63. There is presented again the matter of condemnation of lands on Route 38, Section 1 Widening, from Connecting Road to Kings Highway, Parcel DA3, James Glynn and wife. A condemnation commissioners' award in the sum of $12,600 was previously approved, however, the owner filed an appeal. At the trial before a Judge and Jury, the testimony on behalf of the owner was in the sum of $33,000 and the testimony on behalf of the State was in the sum of $12,500. 59. There is presented again the matter of acquisition of property on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville. An agreement was previously approved in the sum of $8800.00 covering Parcel R-9 (18,890 square feet), Rosenfeld Realty Company. Subsequently the plan was revised because the title search revealed the existence of a paper street dividing the property and slightly reducing the area to be acquired. The parcels are now designated as Parcel R9A and R9B (0.403 acres). An agreement has been executed and submitted in the sum of $8800. for Parcel R9A and R9B. It is recommended that this agreement covering Parcel R9A and R9B be approved and that the previous agreement covering Parcel R-9 be rescinded. The metal shed formerly located on this property was demolished by the contractor in the performance of his contract. (July 19, 1962)

60. There is presented again the matter of acquisition of property on Route 95 (1953), Section 1B, Project I-95-7-(2), Teaneck Road to Route 4, Parcel 98, Antonio Podesta and wife. Condemnation proceedings were previously authorized because of title complications. The title objections have been resolved and the owners have executed and submitted a deed with the understanding that $400 will be paid therefor. It is recommended that this deed be accepted and that condemnation proceedings previously authorized be discontinued. (July 19, 1962)

Right of Way-Route 80 ✓

61. There is presented again the matter of an agreement between the State of New Jersey and the United States Government providing for the conveyance of a grant of easement over Parcel R-2 required by the State in the construction of Route FAI 101-5-(3). The agreement provided for a replacement "in kind", insofar as possible, of the Government facilities destroyed by the State's acquisition. On July 3, 1962 this agreement was approved by the State Highway Commissioner and authority was granted to transmit same to the United States Government for execution. Authority was also granted for the Division of Roads to obtain competitive bids for the construction of the new facilities and to award a contract for said facilities upon notification of execution of the agreement by the Secretary of the Army and the granting of a right-of-entry to the State. Authority was also granted to dispose of the maintenance garage building. Included in the approved agreement as Appendix "E" was a Wage Rate Determination AA-23,928 which expired on June 29, 1962. Subsequently the Government officials submitted a new Wage Rate Determination AA-32,549, copy of which is attached with a request that the new Wage Rate Determination be substituted in the agreement for the expired schedule. It is recommended that authority be granted to accept the incorporation of the current Wage Rate Schedule in the agreement and to notify the United States Government of the acceptance of the change. (July 19, 1962)

Right of Way-Route U.S. 130 ✓

NO. 25 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JULY 31, 1962

Administration Items

Claims-Settlements

1. This claim arises out of an accident occurring on April 9, 1962 involving a vehicle owned by the State Highway Department, operated by Otis F. Megill and a vehicle owned and operated by Raynolds Van Wagner. As the result of said accident, Highway Dump Truck bearing Reg. HYD 938 was damaged and had to be repaired at a cost of $76.62. Subsequent to presenting the other party with a bill for this damage, we received a letter from the State Farm Mutual Automobile Insurance Company in which they declined to make any payment on the grounds that there was no legal liability on the part of their assured. Subsequent to the accident in question, the driver of the state vehicle was involved in a fatal accident. Recent negotiations between the insurance company and the Claims Bureau has now resulted in an offer of 50% in full settlement of this claim. Giving due consideration to the circumstances under which the accident occurred and the fact that our driver is now deceased, we feel that the offer of settlement is fair and reasonable and it is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General Joseph Lipkin that the offer of settlement receive favorable consideration and that the balance of the claim be cancelled. (July 24, 1962)

2. This claim arises out of an accident occurring on March 1, 1961 on Route 22, West Portal, New Jersey, involving a State Highway Department International HYD-245 and a vehicle owned by Andrew and Pauline Hlavaty and operated by Andrew Hlavaty. As a result of the aforesaid accident, the State Highway Department vehicle was damaged and had to be repaired at a cost of $119.39. The police report covering this accident indicates that it was snowing and the road surface was very slippery at the time this accident occurred. It further indicates that the Highway vehicle was travelling at about ten miles per hour, down a hill, when it went into a skid and came to a stop, blocking the roadway. The Hlavaty vehicle, which was following the Highway vehicle, was unable to stop and collided with the Highway vehicle. There were no violations indicated for both drivers. The insurance carrier for the Hlavaty vehicle turned down our claim on the basis that the accident was a case of contributory negligence. After further discussion with the insurance carrier involved, they agreed to pay us $60.00 in full settlement of this claim. In view of the foregoing it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General Joseph Lipkin, that their offer of settlement in the amount of $60.00 be accepted and the balance of our claim in the amount of $59.39 be cancelled. (July 31, 1962)

Reimbursements-Bergen Co. Sewer Authority
Route 80, Section 5

3. The State Highway Commissioner, under date of September 4, 1959, approved of making reimbursement to the Bergen County Sewer Authority for a change in their sewer alignment to avoid later, greater costs, which work was under contract by the Authority. This work was to accommodate the State's construction of Freeway Interstate Route 80, Section 5. The total estimated cost originally approved for this work was $93,313.75. It was known at this time that an additional manhole, estimated at $30,000.00, would be part of the reimbursable work but would be constructed in a subsequent Sewer Authority contract. The State has received invoices for this work amounting to $31,500.00 for the new manhole and $2,027.76 for legal fees incurred in connection with the construction of this new manhole (which work was not included in the original approval). It is therefore recommended that the Bergen County Sewer Authority be reimbursed in the total amount of $33,527.76. (July 30, 1962)

Utilities-Route U.S. 206, Section 22B

4. To accommodate the construction of Route U.S. 206, Section 22B, in the Town of Newton, County of Sussex, it was necessary for the Town of Newton to make certain rearrangements of existing water and sanitary sewer facilities. The Town performed this work with their own forces and have submitted a bill for the actual cost incurred in the amount of $536.05. It is recommended that the Town of Newton be reimbursed for this amount. (July 24, 1962)

Utilities-Route 287, Sections 1E,4B & 5B

5. Approval and execution is recommended of the attached Order (PUO-65-287-4B and 5B) issued to the Public Service Electric and Gas Company, covering understandings in connection with the rearrangement of gas facilities to accommodate the construction of Freeway Interstate Route 287, Section 1E, 4B and 5B, located in the Township of Bridgewater, County of Somerset. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $181,500.00. (July 23, 1962)

Utilities-Route 287, Section 3C

6. Under Agreement PUA-56-287-3C with the Transcontinental Gas Pipe Line Corporation, recommendation was made to reimburse the Company for the cost of rearranging their pipe line to accommodate the construction of Freeway Interstate 287, Section 3C, in the estimated amount of $90,034.00 (excluding contingencies), however; the Company recently completed this work covered by the Agreement for which the actual cost incurred amounted to $113,723.77 which exceeds the original amount by $23,669.77, making an excess of 26.31% over the original amount. The reason for this excess was due to the overall higher contract costs (as compared to estimated contract costs). It is, therefore, recommended that the Transcontinental Gas Pipe Line Corporation be approved for reimbursement in the revised amount of $113,723.77. Construction Program Year 60-61, Item No. 21. (July 30, 1962)

State Highway Commissioner

NO. 26 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - AUGUST 7, 1962

Administration Items

Utilities-Route 80, Section 4G

1. Under date of June 19, 1962 the State Highway Commissioner approved of making reimbursement in the amount of $27,350 to the various parties concerned in connection with the emergency water main work to accommodate the construction of Freeway Interstate Route 80, Section 4G. The City of Garfield engaged the services of Joseph Giancarlo for its portion of the water main work and has requested that due to budgetary problems that the contractor be paid direct for their work. There was, however, an additional cost incurred by the operation of the emergency water pipe line facilities which was caused by a break in one of the existing mains during the operation of the temporary water main through the City's Pumping Station, which work was of an unusual nature. The contractor, Joseph Giancarlo, has submitted two invoices covering the total cost for the emergency repair to the broken water main in the amount of $2,836.99. Due to the type of work involved, in which the contractor was required to start work during the night, it is believed that the rates and total costs of these invoices are reasonable and it is recommended that the contractor be paid direct for this work which they performed for the City of Garfield. Construction Program Year 60-61. Item Number 17 & 19. (Aug 2, 1962)

Federal Aid-Interstate Funds

2. It is recommended that the attached modified project agreement in duplicate be approved and executed for Preliminary Engineering. Route I-78- from vicinity of U.S. 206 to Snyder Ave., New Providence Township, Project I-78-4(1). The amount of Federal aid Interstate funds obligated is $908,217.36 which is 90% of the estimated cost for Federal participation. (Aug 2, 1962)

Utilities-Route 80, Section 5S

3. Approval and execution is recommended of attached Order Number PUO-48C-80-5S; Federal Project Number N.J. I-80-5(7)65, issued to the Hackensack Water Company, covering understanding in connection with the rearrangement of their facilities to accommodate the construction of Freeway Interstate Route 80, Section 5S, in the Township of South Hackensack and City of Hackensack, Bergen County. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which including approximately 10% for contingencies, is estimated at $76,690.00. Construction Program Year 60-61, Item Number 16. (Aug 3, 1962)

Utilities-Route 295, Section 2F

4. Approval and execution is recommended of attached Order No. PUO-27-295-2F; Federal Project No. N.J. I-295-2(17)34, issued to the New Jersey Bell Telephone Company, covering understandings in connection with the rearrangement of their facilities to accommodate the construction of Freeway Interstate 295, Section 2F, in Mount Laurel and Cherry Hill Townships, Burlington and Camden Counties. The Utility Company is to be reimbursed for the cost of the rearrangement work which, including approximately 10% for contingencies, is estimated at $22,550.00. Construction Program Year 61-62, Item Number 29. (Aug 3, 1962)

(Aug 3, 1962)

Maintenance Item

Detours-Glassboro College, Glassboro

16. There is presented herewith a print indicating a detour requested by the Borough of Glassboro. The detour is requested to permit the uninterrupted utility work necessary to place in operation certain buildings at the Glassboro State College in Glassboro, New Jersey. This request is also necessary because of the instability of the soil. They have struck quicksand and also there has been disruption of the pavement sometime in the past which has never been properly stabilized due to the condition of the soil. The detour will carry traffic around the work over Girard Avenue and Whitney Avenue back to Route #322. Both roads appear adequate to carry the traffic expected. The work planned involves the construction of a fifteen inch (15") sewer line to extend service to a food service building, dormitories, etc. at the Glassboro State College. The sewer line is to be in one trench.

The Borough of Glassboro will, if the detour is permitted:
1. Maintain the detour in good condition.
2. Restore the same when the detour is terminated to its former condition.
3. Provide adequate signing and lighting for the benefit of traffic.

It is recommended that, in the interest of the traveling public and since the cost will be borne by the Bureau of Construction, Department of Education, that approval be given for this detour. (Aug 6, 1962)

55. There is presented an Application for Riparian Grant required from the Department of Conservation and Economic Development on Route 72 (1953), Section 7, from Route U.S. 9 to Bridge over Mannahawkin Bay, Parcel T37. It is recommended that this Application be executed by the Commissioner so that the same can be formally presented to the Department of Conservation and Economic Development. (Aug 1,1962)

Right of Way-Route U.S. 130 (1953)

56. There is presented report, together with 3 signed Permits on Route U.S. 130 (1953) in which the owners grant at no cost to the State, the right to enter upon their lands for the purpose of forming slopes, grading and construction State Highway Route U.S. 130 (1953) from Columbus Road, Burlington, to Woodland Avenue, Pennsauken, in accordance with the current plans for said State Highway. The signed permits cover the following properties of the owners listed below:

Route U.S. 130 - Section 8 - New Albany to Pennsauken Creek

Parcel E-49B — Knickerbocker Investments, Inc.
822 Market Street
Camden 2, New Jersey

Route U.S. 130 - Section 9 - Cooperstown Road to New Albany

It is recommended that these permits be accepted and that the Director of the Division of Right of Way Acquisition & Titles be authorized to acknowledge receipt of same and express appreciation and thanks on behalf of the Commissioner for the cooperation of the respective owners. (Aug 3, 1962)

Right of Way-Route 80 (1953)

57. There is presented again the matter of acquisition of property on Route 80 (1953) Section 5K, Project I-80-5-(12), New Jersey and New York Railroad (Erie) to Hackensack River; Parcels 23A & 23B, Burlington Industries, Inc., on which an agreement was previously approved in the sum of $900,000.00 including down payment of $225,000.00 (owner to demolish that portion of the building and all other facilities within the area of the acquisition including reconstruction of new end wall to enclose the building). The down payment of $225,000.00 was made in accordance with this agreement. The owners requested that a metes and bounds description be incorporated in the Deed of conveyance, and in preparing this description our engineers found that the area of Parcels 23A & 23B is actually 300,727 square feet, instead of 313,700 square feet as shown on the original property map. It is recommended that authority be granted to accept the Deed of conveyance with the corrected area; and to pay the balance due under the agreement; namely, $675,000. (Aug 1, 1962)

No. 26 - 1962

Right of Way-Route 10 (1953)

58. There is presented again the matter of acquisition of slope and drainage easements on Route 10 (1953), Section 3, Tabor Road to Troy Hills Road, Whippany. An agreement was previously approved with Whippany Paper Board Co. in the sum of $175.00 covering Parcel ER19B, E19C and E19D. Subsequently the Title Bureau reported that the land over which these easements are required is owned by Richard W. McEwan, Jr. (with the exception of a small portion of the slope easement designated as Parcel E19D. This necessited the subdivision of Parcel E19D. The appraisers indicated that the elimination of the small portion of the slope easement would not materially affect the previous appraisals. Negotiations were conducted with Richard W. McEwan Jr. and wife with the result that an agreement has now been executed covering Parcel ER19B, E19C and E19D-1 in the sum of $175.00. It is recommended that this agreement be approved and that the previous agreement covering Parcel ER19B, E19C and E19D be rescinded. (Aug 3, 1962)

Right of Way-Route 28 (1953)

59. There is again presented the matter of condemnation of lands on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 16, Fred Fordemwalt et al. At the hearing before Condemnation Commissioners no testimony given on behalf of the owner. The testimony on behalf of the State was in the sum of $200.00. The Commissioners made an award in the sum of $250.00. It is recommended that this award be approved without interest. (Aug 1, 1962)

60. There is again presented the matter of condemnation of lands on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 18, Marilyn C. Lobby et al. At the hearing before Condemnation Commissioners the attorney for the owner testified that the State had left an eight inch depression between the house and the sidewalk and that drainage of his land was adversely affected by the State construction. The testimony on behalf of the State was in the sum of $200.00. The Commissioners made an award in the sum of $360.00. It is recommended that this award be approved without interest. (Aug 1, 1962)

- - - - - - - - - - -

61. There is presented again the matter of condemnation of lands on Route 28, Section 4, Green Brook to Bonegat Brook, Guy Herrick, et al, Parcel 25. Mr. Herrick testified that the State was taking 1000 square feet instead of 350 square feet. The testimony on behalf of the State was in the sum of $250, and an engineer for the State testified as to the dimensions of the highway and the location of the existing right of way line and stated that the complaint map is correct. The Commissioners made an award in the sum of $325. It is recommended that this award be approved without interest. (Aug 1, 1962)

- - - - - - - - - - -

62. There is presented again the matter of condemnation of lands on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 27, John M. Garretson et al. At the hearing before Condemnation Commissioners Mr. Garretson testified that his survey showed that the Highway was taking 900 square feet instead of the 450 square feet shown on the complaint map. The testimony on behalf of the State was in the sum of $250, and an engineer for the State testified as to the dimensions of the highway and the location of the existing right of way line and stated that the complaint map is correct. The Commissioners made an award in the sum of $300.00, and it is recommended that this award be approved without interest. (Aug 1, 1962)

- - - - - - - - - - -

63. There is presented again the matter of condemnation of lands on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 20, Joaquim F. Pimentel et al. At the hearing before Condemnation Commissioners Mr. Pimentel testified that his drainage had been affected by the highway construction; that water holes exist in his driveway; and that the State is taking more land than shown on our complaint map. The testimony on behalf of the State was in the sum of $200, and an engineer for the State testified to the area taking and the slope rights. The Commissioners awarded $300. It is recommended that this award be approved without interest. (Aug 1, 1962)

Right of Way-Route 295

64. There is presented again the matter of condemnation of lands on Route FAI 108-2-(5) also known as 295-2-(5), Warwick Road to Route 73, Parcels 89A & 89B, Andrew J. Bertolino et al. At the hearing before Condemnation Commissioners the testimony on behalf of the State was in the sum of $19,800 and the testimony on behalf of the owner was in the sum of $33,133. The Commissioners made an award in the sum of $22,625. The State has not entered upon this property. It is recommended that the award be approved without interest. (Aug 1, 1962)

No. 26 - 1962

No. 27 - 1962

Services-Engineering

11. Approval and execution is recommended of the attached Agreement dated August 13, 1962 between Hardesty and Hanover, Consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the reconstruction of the existing bridge carrying Route 3 over the Hackensack River from East Rutherford to Secaucus. The Consultant is to study the feasibility of raising the existing bridge and replacing the bascule span with a fixed span having a minimum vertical clearance of 50' above mean high water. The Consultant will also inspect the existing bridge to determine extent of repairs needed making foundation load analyses and estimates of reconstruction costs. The Consultant will be remunerated for his services under this Agreement as follows: (A) $3,000.00 at the time the work is 50% complete, (B) $3,000.00 at the time of completion of the final report, but in no event shall the total amount exceed $6,000.00 unless additional work is requested by the State under this Agreement and, to cover this contingency, it is recommended that an additional $1,500.00 be set up, making a total amount to be set up under this Agreement $7,500.00. (Aug 17, 1962)

- - - - - - - - - - -

12. Approval and execution is recommended of the attached Agreement between the State of New Jersey and Howard, Needles, Tammen & Bergendoff, Consultant, covering understandings in connection with the performance of Engineering Services relative to the proposed improvement of Route 78 Port Street, Newark to Springfield, more particularly the expediting and finalizing alternate alignments of Rt. 78 between the vicinity of Newark Airport westwardly to its intersection with the Garden State Parkway in Irvington. The Consultant is to be remunerated for the services performed under this agreement in an amount not to exceed $10,000.00 and it is recommended that this amount be set up. (Aug 10, 1962)

Reimbursement-Township of Edison

13. By Commission Action dated March 15, 1962, approval was authorized for reimbursing the Township of Edison for the relocation of their water supply facilities to accommodate the construction of Route U.S. 1 (1953) Sections 6C & 8C. However, during said construction additional conflicts arose which made it necessary to lower water mains at four additional locations described in the attached memorandum. Because the Township was not adequately staffed or equipped to perform this extra work, they engaged the services of the Acme Valve Installing Company to perform this work, which totaled $4,578.78. Also in connection with this extra work, the Township incurred inspection charges in the amount of $350. It is, therefore, recommended that the Township of Edison be reimbursed for this extra work, for which payment is to be made in the amount of $4,578.78 directly to the Contractor, Acme Valve Installing Company, except that the inspection charges of $350.00 be paid directly to the Township of Edison. Construction Program year 1959-60, Item Number 14. (Aug 14, 1962)

Utilities-Route 18, Section 7A

14. To accommodate the construction of the overpass and ramps at Route 18 and New Street in the City of New Brunswick, in connection with the State's construction of Route 18, Section 7A, it will be necessary for the Public Service Electric and Gas Company to relocate some of their electric distribution facilities in the area. The Utility Company is to be reimbursed for the actual cost of the relocation work which including 10% for contingencies is estimated at $4,500.00. Construction Program Year 1961-62, Item Number 18. (Aug 16, 1962)

Utilities-Route 80, Section 2J

15. Order PUO-18-80-2J issued to the New Jersey Bell Telephone Company and approved in June 1960, authorized reimbursement to the New Jersey Bell Telephone Company in the amount of $12,500.00 including 10% for contingencies for the relocation of a portion of their facilities to accommodate the construction of Freeway Interstate Route 80, Section 2J. As of this date the Utility Company has completed all the relocation work and have submitted all invoices to the Department, which invoices total $17,103.60. This amount represents $5,823.60 more than the original estimated cost of $11,280.00 excluding contingencies. This additional cost was due to the necessity of extending an underground conduit in Route 53, a total of approximately 100' in order to clear the Interstate Route 80 crossing. This work had not been anticipated in the original estimate. Further the splicing time which was originally estimated at 200 hours actually took 726 hours because of a poor estimate and interference from local officials. It is, therefore, recommended that an additional amount of $5,800.00 be set-up to cover the cost of the work in the above mentioned Order. Construction Program Year 1959-60, Item Number 50. (Aug 14, 1962)

No. 27 - 1962

Utilities-Route 80, Section 4H

16. Approval and execution is recommended of the attached Order, issued to the New Jersey Bell Telephone Company, covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 80, Section 4H, located in the City of Paterson, County of Passaic. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $80,000.00. Construction Program Year 61-62, Item No. 22. (Aug 10, 1962)

Utilities-Route 80, Section 5S

17. Approval and execution is recommended of the attached Order, issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 80, Section 5S, located in the City of Hackensack, Township of South Hackensack, Borough of Teterboro, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $39,400.00. Construction Program Year 60-61, Item Number 16. (Aug 20, 1962)

Slow Moving Traffic

18. In accordance with the provisions of R.S. 39:4-88 (as amended), it is recommended that the attached regulation, designating specific lanes for slow moving traffic, be adopted; Route U.S. 9, Sayreville Borough and Woodbridge Township, Middlesex County. (Aug 14, 1962)

Right of Way-Route 30

123. There is presented again the matter of acquisition of property on Route U.S. 30 (1953), Section 1, Taunton Road to Wellington Avenue, Parcel 6, William G. Rohrer and his wife. On May 16, 1960 an agreement in the sum of $7,420 was approved with a recommendation that condemnation proceedings be discontinued. The deed was executed and recorded but the owner could not secure a Release from the tenant. Because of this complication the matter was brought before the Condemnation Commissioners, there being no disagreement as to value. The Commissioners then made an award of $7,420 without interest which was subsequently approved with the understanding that if the owner and the tenant could not adjust their differences the award would be paid into Court. Our Title Bureau reports that it is necessary to pay this award into Court. It is therefore recommended that the award of $7,420 be paid into Court and that the action of May 16, 1960 approving the agreement be rescinded. (Aug 16, 1962)

Right of Way-Route 38

124. There is presented again the matter of condemnation of lands on Route 38, Section 1, Widening, from Connecting Road to Kings Highway, Parcel DA3, James Glynn and wife, on which a Judgment in the sum of $20,000 was previously approved. It is recommended that authorization be granted to pay interest at 6% on this Judgment from the date the Judgment was entered, February 20, 1962, to the date of payment. (Aug 16, 1962)

Right of Way-Route 80

125. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 61, Construction & Renting Corporation. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $224,200 and the testimony on behalf of the State was in the sum of $178,800. The commissioners made an award in the sum of $203,000. It is recommended that an appeal be authorized. (Aug 17, 1962)

83. There is presented a report together with estimate for disinterring and re-interring bodies now located in an old burial ground within the confines of Parcel 32B owned by the Township of Bridgewater and required in the construction of Route 287 (1953), Section 5, Project I-287-1-(12), Klines Mill Road to Route U.S. 202 & U.S. 206, and Project F 40-(7). The proposal for disinterring and re-interring submitted by Daniel H. Conroy, Undertaker of Bound Brook, New Jersey, is in the sum of $200 per body (if the re-interment is in township-owned cemetery). We have been assured by the Township attorney that burial plots are available in a public cemetery in the Township. It is estimated that from three to five bodies will be involved in the re-interment but the exact number will have to be determined after the burial ground has been opened. The construction contract for this project has been let. It is therefore recommended that Mr. Conroy's proposal be accepted and authority granted to proceed with the re-interments on this basis. Negotiations will be instituted for the acquisition of Parcel 32B together with other parcels required from the Township as soon as appraisals are completed. (Aug 24, 1962)

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner claims title to and compensation for adjacent lands. (Aug 24, 1962)

Right of Way-Route 80 (1953)

91. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Condemnation proceedings were previously authorized for Parcel R-18 (780 sq. ft.) Richard N. Westra and Mary, his wife, at which time the owners were demanding $20,000. Subsequently the plan was revised and the area required from this owner was reduced to 278 sq. ft., which parcel is now designated as Parcel 2R18. As the owner is still demanding the sum of $20,000, it is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel 2R18 in fee simple subject to any public utilities existing in the premises. It is further recommended that the previous action authorizing condemnation of Parcel R-18 be rescinded. (Aug 21, 1962)

Right of Way-Route 280

92. There are presented report and appraisal with map and description on Route 280, Section 6, Project I-280-5-(6), Kenilworth Place to Roseville Avenue, Parcel 13, F. & E. Realty Co. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $75,000, which is considered excessive. (Aug 21, 1962)

Claims-Settlements

6. This claim arises out of an automobile accident which occurred on October 4, 1961 on Martin Avenue, Maple Shade, New Jersey, and involved a Highway Department grader and another vehicle owned and operated by Myrtle Hamilton. As a result of this accident the Highway equipment was damaged and subsequently repaired at a cost of $131.99. Investigation by the Claims Bureau disclosed that the Highway equipment was emerging from the Maintenance Yard driveway and while in the process of making a left turn a collision resulted between the grader and Mrs. Hamilton's vehicle. The insurance company representing Mrs. Hamilton alleged that the Highway equipment pulled out of the driveway into the path of their assured's car and therefore denied payment of our claim. Subsequent negotiations with the Insurance Company resulted in their making an offer of 50% of our damages. In view of the circumstances under which the accident occurred and the fact that the insurance carrier representing Alfred and Myrtle Hamilton made an offer of payment of 50% of this claim, it is my opinion that the State would be justified in accepting the above offer of settlement. It is, therefore, my recommendation in accordance with Mr. Levine's memorandum dated August 28, 1962 attached hereto, and the recommendation of Deputy Attorney General William J. McCormick, that the offer of settlement receive favorable consideration. (Aug 31, 1962)

Services-Engineering

7. Approval and execution is recommended of the attached Agreement dated August 29, 1962, between Parsons, Brinckerhoff, Quade and Douglas, Consultant and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the proposed construction of Interstate Route 278 through the Bayway section of Linden from the vicinity of the Staten Island Rapid Transit bridge over Route U.S. 1 to an interchange in the vicinity of the New Jersey Turnpike and Bayway Avenue, a distance of about 1.4 miles, designated as N.J.-I-278-6(1) and the proposed construction of Route 76 from the said proposed interchange northeastwardly and northwardly skirting the dense areas of Elizabethport and Elizabeth to a connection with Route U.S. 1 at the vicinity of the Eaton Memorial Home, a distance of about 4.0 miles, designated as U-210(1).

(Continued on next page)

(Cont'd.) In order to remunerate the Consultant for work performed under the terms of this Agreement, it is recommended that funds be set-up in the following amount:

4.5% of a tentative estimate of cost of $20,000,000.00.....	$900,000.00
Alternate Alignment Studies.....	27,500.00
Work on major interchange, not to exceed.....	30,000.00
	$957,500.00
10% for contingencies.....	95,750.00
Total amount to be set-up.....	$1,053,250.00

(Aug 30, 1962)

68. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 119, John E. Georgi and wife. An agreement was previously approved in the sum of $500. Subsequently, construction plans were made available from which it was noted that access would be denied, closing off the owners' frontage on Vincent Avenue. The take was re-appraised on this basis and negotiations were re-opened which resulted in the execution of an agreement in the sum of $5,500. It is recommended that this agreement be approved and that the previous agreement be rescinded. (Aug 31, 1962)

- - - - - - - - - - -

69. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5M, Project I-80-5-(13), from a point East of Garden State Parkway to Saddle River Road. An agreement was previously approved with Conrad Ohnsorge and wife in the sum of $7,000 covering Parcel 4 (16,375 sq. ft.). Subsequently, the plan was revised requiring a larger area from this owner. Negotiations conducted for the acquisition of Parcel R-4 (20,254 sq. ft.) have resulted in the execution of an agreement in the sum of $9,400. It is recommended that this agreement covering Parcel R-4 be approved and that the previous agreement covering Parcel 4 be rescinded. Authority is requested to dispose of the garage and sheds to the road contractor, at public auction or by sealed bids. (Aug 28, 1962)

Right of Way-Route 287

70. There is presented again the matter of acquisition of property on Route 287 (1953), Section 4, Project I-287-1-(12), from Route U.S. 202 and U.S. 206 to Route U.S. 22, Parcel 146, Charles R. Boast, Jr. and wife. At the hearing before Condemnation Commissioners, the testimony on behalf of the owner ranged from $32,500 to $33,984; and the testimony on behalf of the State was in the sum of $21,200. The Commissioners made an award in the sum of $24,000. Immediately after the rendering of this award, the owner expressed a willingness to enter into an agreement on the basis of retaining and removing the dwelling. Negotiations were conducted on this basis which resulted in the execution of an agreement in the sum of $21,300 (owner to retain and remove the dwelling). It is recommended that this agreement be approved in lieu of the Condemnation Commissioners' award; and that all litigation in connection with this acquisition be discontinued. (Aug 31, 1962)

Right of Way-Route 80

71. There is presented again the matter of agreement between the United States Government and the State of New Jersey (Highway Department) providing for the conveyance of a grant of easement over Parcel R2, Route FAI-101-5-(3). The agreement provides for the replacement "in kind", insofar as possible, of the Government's facilities and that upon execution of the agreement by the Government, a right of entry for construction of the State's facilities would be granted. On July 6, 1962, the State Highway Commissioner approved the agreement and granted authority to transmit the same to the United States Government for execution. Subsequently, the Government submitted a new wage rate determination in substitution for the one contained in the original approved agreement. The Commissioner on July 19, 1962 approved acceptance of the new wage rate schedule. There is now presented Right of Entry Permit authorizing the State to enter on the property for the purpose of proceeding with the construction of its facilities. This instrument requires approval and signature by the Commissioner on behalf of the State. Approval is recommended. (Aug 31, 1962)

Right of Way-Route 295

72. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, Parcels 38A, R38B, 38C, and 38D, Lawnside Hills, Inc., on which an agreement was previously approved in the sum of $92,500 which agreement included a drainage clause. The owners have executed and delivered the Deed but a clause providing for the construction and maintenance of a subsurface drain, headwall and appurtenances has been stricken from this Deed. Our Engineers have indicated that this drainage easement will be eliminated. It is therefore recommended that the Deed (which excludes this drainage easement) be accepted and authority granted to pay the sum of $92,500 therefor in accordance with the agreement. (Aug 31, 1962)

Right of Way-Route U.S. 130 (1953)

73. There are presented four "Letters of Permission in Lieu of Easement" from the following listed owners granting to the State, without cost, permission to form slopes for the grading of Route U.S. 130 (1953), Sections 8, 9 & 10;

Section 8 - Pennsauken Creek to New Albany
Parcel E49A - Lakeview Memorial Park Association

Section 9 - New Albany to Cooperstown Road
Parcels E104 & E116 - Anna H. Makin, et vir.

Section 10 - Columbus Road, Burlington to Cooperstown Road
Parcel E59 - Trenton Dressed Beef Company

It is recommended that these four "Letters of Permission in Lieu of Easement" be accepted and that the Director of the Division of Right of Way Acquisition & Titles be authorized to acknowledge receipt of same and express appreciation and thanks on behalf of the Commissioner for the cooperation extended. (Aug 28,1962)

Right of Way-Disaster Area

74. There is presented again the matter of the Sea Isle City Amusement Center property which is located in the line of the emergency "sand dune" in Sea Isle City. On June 26, 1962 the State Highway Commissioner approved an agreement for this parcel in the sum of $50,152 plus conveyance by the Local Authority of Tax Map Lots 5, 12 the NW 11.5 feet of Lot 13 and NW 11 feet of Lot 6, in Block 40A. By the same action the Commissioner granted authority to transmit the agreement to the City of Sea Isle for approval and execution. Subsequently, the Municipal officials reported they had not approved the agreement as they desired the owners agree to immediately improve the lots to be conveyed as part consideration so as to restore tax ratables. The owners were reported as not being willing to comply with this provision and the City officials requested that Highway personnel aid them in re-negotiations. Re-negotiations resulted in a new agreement executed on August 16, 1962 in the sum of $57,725.

(continued on next page)

(Continued) Since the execution of the original agreement of June 23, 1962, one of the owners was elected a City Commissioner and it has been indicated that the Mayor may also have an interest in the subject property. It would appear that because of the legal provisions of NJSA 2A:135-8 the Municipal authorities cannot consummate this new agreement. It is therefore recommended that the approval granted on June 26, 1962 concerning the original agreement be rescinded and that authority be granted to transmit all data in connection with this case to the City of Sea Isle City for the institution of condemnation proceedings. (Aug 30, 1962)

Right of Way-Route 10 (1953)

75. There is presented again the matter of condemnation of slope & drainage easement on Route 10 (1953), Section 5, Livinston Avenue to Propsect Avenue, Parcel E18, Parker W. Teed, et al. At the hearing before Condemnation Commissioners this case was uncontested and the testimony on behalf of the State was in the sum of $600. The Commissioners made an award in the sum of $600. It is recommended that this award be approved. (Aug 28, 1962)

Right of Way-Route 80

76. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 5E, Project I-80-5-(11), Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 102B, William Faustini, single. At the hearing before condemnation commissioners, the owner testified in his own behalf to a valuation of $8,500 and the testimony on behalf of the State was in the sum of $2,000. The commissioners made an award in the sum of $3,100. It is recommended that an appeal be authorized. (Aug 28, 1962)

Right of Way-Route 95 (1953)

77. There is presented again the matter of condemnation of lands on Route 95 (1953), Section 1B, Projcet I-95-7-(2), Teaneck Road to Route 4, Parcel 96A, Robert Parkyn et al. Just prior to the presentation of testimony before condemnation commissioners, the matter of a settlement was discussed, as a result of which an Agreed Award was entered in the sum of $6,400. The State entered upon this parcel on November 29, 1960. It is recommended that the Agreed Award be approved. (Aug 31, 1962)

78. There is presented again the matter of condemnation of lands on Route 95 (1953) Section 1B, Project I-95-7-(2), Teaneck Road to Route 4, Parcel 96B, Robert Parkyn, et al. Just prior to the presentation of testimony before condemnation commissioners, the metter of a settlement was discussed as a result of which an agreed award was entered in the sum of $400. The State entered upon this parcel on August 7, 1961. It is recommended that the Agreed Award be approved. (Aug 31, 1962)

Right of Way-Route 287

79. There is presented again the matter of condemnation of lands on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcels 82A and 82B, Russell A. Zeliff et al. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $17,610 and the testimony on behalf of the State was in the sum of $7,100. The commissioners made an award in the sum of $8,000; plus interest at 4½" from the date of entry 9-18-61. It is recommended that this award be approved. (Aug 28, 1962) U.S.

Right of Way-Route/9 (1953)

80. There are presented report and appraisal with map and description on Route 9 (1953), Section 22, Project F-181-(8), Fort Plains to Route 33, Parcel 4, Ralph G. Jones and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner's demand of $10,000. is considered excessive. (Aug 28, 1962)

- - - - - - - - - -

81. There are presented report and appraisal with map and description on Route U.S. 9 (1953), Section 22, Project F-181-(8), Fort Plains to Route 33, Parcel 9, Albert Rifkin and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $125,000.00, which is considered excessive. (September 5, 1962)

NO. 30 - 1962

Sale of Property

58. There is presented the matter of a public sale held August 28, 1962 for the sale of the materials on Route 24 Freeway, Section 9, Project EU-204-(2), Whitehead Road to Whippany Road, Parcel 34. A bid in the amount of $550.00 was received from Mr. Edward Rembish of Clifton, New Jersey. In addition to the bid of $550.00 for materials, the successful bidder has agreed to demolish and remove the partially constructed structures together with the back filling of 10 open excavations. It is recommended that the bid in the amount of $550.00 be accepted and that the successful bidder be authorized to proceed with the work. Authority is requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State; said money to be returned after certification that he has complied with the terms of the sale. (September 9, 1962)

59. There is presented a report of the public sale for the dwelling located on Route 24 Freeway, Section 11, Project EU-204-(2), Ridgedale Avenue, Florham Park to River Road, Parcel 56. On August 8, 1962 this property was offered for sale at public auction, and a bid in the amount of $1,500.00 was received from William MacKenzie of Whippany, New Jersey. When the sale was concluded Mr. MacKenzie stated he could not comply with the terms and conditions of the sale as he claimed he was not prepared to pay the deposit for this building. The matter was taken up with Mr. William J. McCormack, Deputy Attorney General, who advised under date of August 15, 1962 that the building should be readvertised and that any deficit between the amount received and the bid made by Mr. MacKenzie should be referred to the Claims Division for action against Mr. MacKenzie. At the public sale held on August 29, 1962 a total of 5 bids were received for this property, ranging from $500.00 to a high bid of $775.00, which bid was submitted by Tuff Bungalow Sales, Inc. West Orange, New Jersey. It is recommended that the bid in the amount of $775.00 be accepted and that the successful bidder be authorized to remove the building upon payment of the full purchase price. Authority is further requested to refer this matter to the Claims Division for the institution of such action as may be deemed necessary in order to collect the difference between the high bid of $775.00 and the bid originally made by Mr. MacKenzie in the amount of $1,500.00. Authority is also requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State; said money to be returned after certification that he has complied with all terms of the sale. (September 10, 1962)

NO. 31 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - SEPTEMBER 17, 1962

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 3, Section 1D, from New Hackensack River Bridge to Paterson Plank Road, Hudson County, Project U-116(9). The amount of Federal Aid Urban funds obligated is $645,500.00 which is 50% of the estimated cost for Federal participation. (September 13, 1962)

- - - - - - - - - - -

2. It is recommended that the attached project agreement in duplicate be approved and executed for Right of Way: Route 38, Section 1, from Woodland Avenue to Airport Circle, Camden County, Project U-106(9). The amount of Federal Aid Urban funds obligated is $937,500.00 which is 50% of the estimated cost for Federal participation. (September 13, 1962)

Penn-Jersey Transportation Study

3. The necessity of extensive research in the performance of the Penn-Jersey Transportation Study, and an underestimate of personnel needs, time and over-all costs of the study, have increased the cost estimate by an amount of $800,000.00 over the previously approved total cost estimate of $3,623,000.00. The adjusted cost estimate for the completion of the study is $4,423,000.00 and the adjusted date of completion is now December 31, 1963. The increase in the New Jersey share of 18% of $800,000.00 or $144,000.00, will be participated in by the Bureau of Public Roads and can be provided from Highway Planning Funds. Approval and execution is recommended of the attached Supplementary Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, providing the necessary funds for a revised budget to satisfactorily complete the Penn-Jersey Transportation Study. (September 14, 1962)

Route U.S. 130 & U.S. 206 (1953), Section 1A

4. During the construction of Route U.S. 130 and U.S. 206 (1953), Section 1A, the contractor damaged a relocated customer water main lateral for which reimbursement had been made directly to the plumber (Morris P. Hunt and Son, Inc.) and approved by the Commissioner on August 2, 1961. M. P. Hunt billed the State for repairs to this damaged main in the amount of $72.94, and it is felt that this is an obligation of the State inasmuch as the water main relocation did not show on our drawings and that the damaged main was caused as a result of our revision of plans. It is, therefore, recommended that M. P. Hunt and Son, Inc. be reimbursed in the amount of $72.94 for the repairs of the lateral water main. Construction Program Year 1959-60; Item No. 7. (September 13, 1962)

Construction Items

Route 35 (1953), Section 12D, Victory Bridge

5. The construction of a beam guard rail on both sides of the Victory Bridge on Route 35 (1953), Section 12D, Perth Amboy City and Sayreville Borough, Middlesex County, was practically completed on June 15, 1962, by Whitmyer Bros., Inc., R.F.D. #3, Hammonton, New Jersey, which was the specified date of completion. The remaining work which consisted of minor clean-up items was completed on June 29, 1962. It is recommended that the work be accepted as complete on June 15, 1962, and the Commission Action of August 29, 1962 be modified to establish June 15, 1962 as the date of completion. (September 11, 1962)

Route 95, Section 1A

6. Previous Commission Actions dated November 3, 1961 and June 22, 1962, respectively on the Geo. M. Brewster and Sons contract for the construction of Sand Drains on Route 95, Section 1A, Federal Project I-95-7(3)63, recorded the completion date as being September 30, 1961. However, inasmuch as the major items of construction on this contract were completed on September 1, 1961, it is recommended that the previously approved completion date of September 30, 1961 be voided and that project be now considered as finally completed on September 1, 1961. (September 13, 1962)

Route 69, Section 5A

7. Commission Action dated December 6, 1961, on the Kingston Bituminous Products Company contract for the pavement widening and resurfacing on Route 69, Section 5A, from Back Brook to Rocktown, Townships of East and West Amwell, Hunterdon County, approved of making semi-final acceptance and authorized semi-final payment, withholding 1% of the value of the completed work pending receipt and review of bituminous pavement records and as-built quantities. Also approved was the deduction of $1,482.42, representing liquidated damages for an overrun of 29 calendar days on the contract. All the above conditions have now been met and it is recommended that this project be finally accepted and final payment authorized in accordance with the as-built quantities, when available, and after the necessary formalities have been observed, deducting from monies due the contractor the sum of $371.13, representing the net value of deductions computed as outlined in the Specifications for bituminous pavement and bituminous base courses. Also to be deducted is the sum of $1,482.42 representing liquidated damages authorized by the previous Commission Action of December 6, 1961. It is further recommended that the one year bond be made effective from December 6, 1961, the date of semi-final acceptance, since the roadway work was fully completed and opened to traffic on that date. (September 13, 1962)

NO. 32 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - SEPTEMBER 24, 1962

Administration Items

General Property Parcel Map-Route 208 (1953), Section 1

1. Approval is recommended of the attached prints of the General Property Parcel Map for Route 208 (1953), Section 1, from Grand View Avenue to Ewing Avenue, to be filed in Bergen County. (September 18, 1962)

Claims-Settlements

2. Reference is herewith made to a claim of the New Jersey State Highway Department arising out of an accident occurring on August 8, 1958 involving a vehicle owned by the Township of Maple Shade, operated by Fred W. Dickman and a vehicle owned and operated by Earl I. Chilcott. As the result of said accident, traffic signal equipment was damaged and had to be repaired at a cost of $344.79. During our negotiations with the insurance company involved, inquiry was made with reference to depreciation and salvage allowance. Our investigation disclosed that no allowance could be granted for depreciation but a salvage allowance of $14.10 could be granted, thereby reducing our claim to $330.69. Inasmuch as two vehicles were involved, one insurance carrier offered the sum of 50% and the other flatly refused to make any offer of settlement. Since we could not negotiate a settlement, a suit was instituted by the Claims Bureau in the Burlington County District Court against the owners and operators of both vehicles involved. Just prior to trial, an offer of $300.00 was made in full settlement of this claim. In view of the fact that it would be necessary to produce outside witnesses and Highway personnel in order to prove negligence as well as out costs, this office agreed to accept the sum of $300.00 in full settlement of this claim as it would undoubtedly cost the State more than the sum of $30.69 in travel to Mt. Holly with our witnesses in order to obtain a judgment. Therefore, it is our recommendation and in accordance with Mr. Levine's memorandum attached, hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement in the amount of $300.00 be approved and the balance of the claim be cancelled. (September 19, 1962)

Utilities-Route 28, Sections 1A & 7A

3. The Commissioner's action, approved April 27, 1960, set up the amount of $65,700.00 for reimbursement to the Lehigh Valley Railroad Company for rearrangement of their facilities to accommodate the construction of Route 28, Section 1A & 7A, in the Borough of Roselle Park. However, due to an unforseen increase in wage rates and labor surcharges but due primarily to the Railroad's having to surface and line its tracks on a weekly basis which was not anticipated in the original estimate, the original amount set up was exceeded by $9,090.98. Furthermore, we have been advised by the Railroad that an estimated additional amount of $10,790.00 will be needed during the next year for lining and surfacing its tracks as the fill placed by the State's contractor continues to consolidate. It is, therefore, recommended that the amount of $19,880.00 be set up to permit processing of invoices presently being held by this Department as well as for future billing. Construction Program Year 1960-61 Item No. 14 (miscellaneous Urban). (September 21, 1962)

Utilities-Route 35 Widening

4. The Commissioner's action, dated July 7, 1960, approved reimbufsement in the amount of $12,545.00 to the Lehigh Valley Railroad Company for the rearrangement of their facilities to accommodate the construction of Route 35 Widening in the City of Perth Amboy. However, due to the fact that the Railroad did not properly estimate its engineering and equipment costs and, in part, as a result of unforseen increase in wage rates and labor charges, the Railroad's final billing for this work exceeded the amount of money set up by $2,345.79. It is, therefore, recommended that the additional amount of $2,345.79 be set up so that the invoices presented by the Railroad may be paid. Construction Program Year 1958-59, Item 14. (September 19, 1962)

Utilities-Route 80, Section 4G

5. In connection with Agreement (PUA-60-80-4G) with the Passaic Valley Sewerage Commissioners relative to the State's contract for Freeway Interstate Route 80, Section 4G, it was necessary to issue the attached Change Order #1 involving the relocation of a sewer lateral from the Calvary Cemetery to a manhole on the Commissioners' trunk sewer. This relocation work was done as part of the State's contract but there were alterations inside the manhole, which work could not be performed by our Contractor because of the special work involved. This work was performed by the Passaic Valley Sewerage Commissioners with their own forces, at a cost of $452.03. It is, therefore, recommended that the Passaic Valley Sewerage Commissioners be reimbursed in the amount of $452.03 as evidenced by the attached invoice. Construction Program Year 1960-61, Item Numbers 17 & 19. (September 20, 1962)

Utilities-Route 80, Section 5S #1 (PUO-40C-80-5S)

6. Approval and execution is recommended of the attached Order/issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of gas distribution facilities to accommodate the construction of Freeway Interstate Route 80, Section 5S, located in the City of Hackensack, Township of South Hackensack, County of Bergen. The Utility Company is to be reimbursed for the actual cost of this rearrangement work, which including approximately 10% for contingencies is estimated at $21,640.00. Construction Program Year 1960-61, Item Number 16. (September 20, 1962)

Utilities-Route 208, Section 2B

7. By letter agreement dated August 2, 1961 which was based on the Commissioner's action approved on July 27, 1961 the sum of $1,650.00 was set up for reimbursement to the Public Service Gas Company for gas line relocation work necessitated by the State's construction of Route 208, Section 2B. However, the actual cost for this work was found to be $2,090.55 which exceeds the original amount set up by more than 25% or $440.55. This increase in cost was due entirely to increased labor charges over those estimated. It is, therefore, recommended that the additional amount of $440.55 be set up to cover the actual cost of the relocation work to be paid to the Public Service Gas Company. Construction Program Year 1960-61, Item Number 11. (September 18, 1962)

Utilities-Route 287, Sections 1E,4B & 5B #1 (PUO-66-287-4B & 5B)

8. Approval and execution is recommended of the attached Order/issued to the Somerville Water Company covering understandings in connection with the rearrangement of water facilities to accommodate the construction of Freeway Interstate Route 287, Sections 1E, 4B & 5B, located in the Township of Bridgewater, County of Somerset. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $17,000.00. Construction Program Year 1961-62, Item Number 28. (September 19, 1962)

Utilities-Route 287, Sections 1E,4B & 5B #1 (PUO-63-287-4B & 5B)

9. Approval and execution is recommended of the attached Order/issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Sections 1E, 4 B & 5B, located in the Township of Bridgewater, County of Somerset. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which work including 10% for contingencies is estimated at $88,200.00. Construction Program Year 1961-62, Item Number 28. (September 20, 1962)

No Parking Zones

10. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) and N.J.S.A. 39:4-199, it is recommended that the attached regulation be adopted establishing "No Parking" zones and providing for bus stops along Route 28, Somerville Borough, Somerset County. (September 18, 1962)

Right of Way-Route 1 (1953)

63. There is presented again the matter of condemnation of lands on Route 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcels 37, 38, 39 and 105, George Behr, Fred Behr et al. Condemnation proceedings were previously authorized at which time the owners were demanding $60,000.00. Continued negotiations resulted in the execution of an agreement covering all four parcels in the sum of $35,250.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. The buildings have been demolished by the contractor in the performance of his contract. (September 26, 1962)

Right of Way-Route 80

64. There is presented again the matter of acquisition of property on Route FAI 101-2-(2), Mt. Hope-Rockaway Road to Route U.S. 46 at Denville, Parcel 173A, Francis R. Crossin and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $4,550.00. Continued negotiations have resulted in the execution of an agreement in the sum of $2,365.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (September 26, 1962)

65. There is presented again the matter of acquisition of property on Route FAI 102-2-(15), also known as 78-2(15), from a point east of Central Railroad of New Jersey to Mulhockaway Creek, Parcels 45A1, 45B1, 45A2 and 45B2, Clarence L. Bigley and wife. A condemnation award in the sum of $69,500.00 was previously rendered from which an appeal was authorized. Continued negotiations have resulted in the execution of an agreement in the sum of $65,000.00. It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. Authority is requested to dispose of the building to the road contractor, by public auction or by sealed bids. (September 25, 1962)

Right of Way-Route 80 -

66. There is presented again the matter of acquisition of a power line easement required by the New Jersey Power and Light Company on Route FAI 101-2-(2), Mt.Hope-Rockaway Road to Route U.S. 46 at Denville, Parcel UE173B, Francis R. Crossin and wife; on which authority was previously granted to transmit data to the New Jersey Power and Light Company for the institution of condemnation proceedings. Continued negotiations have resulted in the execution of a grant of easement in the name of the New Jersey Power and Light Company for a consideration of $635.00. It is recommended that the previous action recommending condemnation be rescinded; that the consideration of $635.00 in the Grant be approved; and authority granted to transmit said Grant to the New Jersey Power and Light Company with the understanding that the State will reimburse the light company under R.S. 27:7A-7. (September 26, 1962)

67. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 229, Bernard Gallant et al. A condemnation commissioners' award in the sum of $52,580.00 without interest was previously approved. However, the owners filed an appeal. At the trial of appeal before the judge and without a jury, the testimony on behalf of the owner was $73,700.00 and the testimony on behalf of the State was in the sum of $50,000.00. The court awarded the sum of $52,000.00. Although the court indicated that interest should be paid at a rate of 4½%, the date of entry became a controversial issue to be settled by the court at a later date. It is therefore recommended that the verdict of $52,000.00 be approved and authority granted to pay the sum of $52,000.00 into court, pending a final decision as to the payment of interest. The buildings were demolished by the contractor in the performance of his contract. (September 25, 1962)

NO. 34 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - OCTOBER 8, 1962

Administration Items

Bureau of Public Roads-Signature

1. It is recommended that the attached signature of an official of this Department be certified to the Bureau of Public Roads. (October 1, 1962)

Prequalification of Bidders

2. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director & Chief Road Engineer, Counsel and State Highway Engineer. (October 5, 1962)

Federal Aid-Urban Funds

3. It is recommended that the attached modified project agreement in duplicate be approved and executed for construction: Lehigh Valley Railroad at Route 82 - Morris Avenue, Union County, Project U-124(5). The amount of Federal aid Urban funds obligated is $267,076.78 which is 50% of the estimated cost for Federal participation. This modification is necessary to receive final reimbursement. (October 2, 1962)

Services-Engineering

4. Approval and execution is recommended of the attached Supplemental Agreement dated October 1, 1962, between Clarke & Hartman, Consultant and the State of New Jersey covering understandings in connection with the additional services performed by the Consultant, as mentioned in the original Agreement executed March 20, 1961. Said additional services consisted of extraordinary drainage surveys and designs plus additional geometrics, which work was requested by the State. The Consultant is to bill the State upon proper vouchers for all services rendered and the State is to pay the actual amount of said vouchers but in no event is the amount to exceed $10,200.00. (October 4, 1962)

Reimbursement-New Jersey Highway Authority

5. In accordance with letter dated March 7, 1956 from Mr. O.H. Fritzsche, then Assistant State Highway Engineer, approval is recommended in reimbursing the New Jersey Highway Authority in the amount of $38,328.68 as evidenced by the attached invoice representing the construction cost of a third lane in each direction on Route 17 at Garden State Parkway, which work was performed by the New Jersey Highway Authority. (October 4, 1962)

Utilities-Route 80, Section 5S

6. Approval and execution is recommended of the attached Order issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 80, Section 5S, located in the City of Hackensack, Township of South Hackensack, Borough of Teterboro, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which work including approximately 10% for contingencies is estimated at $202,780.00. (Construction Program Year 60-61, Item Number 16). (October 4, 1962)

Utilities-Route U.S. 130, Section 10E

7. To accommodate the construction of Route U.S. 130, Section 10E, in the City of Burlington, it will be necessary for the Public Service Electric & Gas Company to relocate two poles which are located on property owned in fee title by the Company. The estimated cost for relocating these poles and their facilities is $1,950.00. It is, therefore, recommended that the Public Service Electric & Gas Company be reimbursed for the actual cost of this work as mentioned above. Due to the property rights of the Company in this matter, the cost of reimbursement will be a right-of-way charge. (Construction Program Year 60-61, Item Number 9) (October 4, 1962)

Utilities-Route 287, Section 5D

8. Approval and execution is recommended of the attached Order issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Section 5D, located in the Township of Bridgewater, County of Somerset. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which work including approximately 10% for contingencies is estimated at $330.00. (Construction Program Year 61-62, Item Number 28) (October 3, 1962)

Utilities-Route 287, Sections 5F & 6B

9. Approval and execution is recommended of the attached Order (PUO-75-287-5F & 6B), issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Sections 5F & 6B, located in the Township of Bedminister, County of Somerset. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which work including approximately 10% for contingencies is estimated at $4,800.00. (Construction Program Year 61-62, Item 28). (October 3, 1962)

Utilities-Route 287, Section 12B

10. In connection with PUO-67-287-1B issued to the New Jersey Bell Telephone Company to accommodate the construction of Freeway Interstate Route 287, Section 12B, approval is recommended of reimbursing the New Jersey Bell Telephone Company for the additional cost of extending by 525' the underground telephone duct construction to eliminate the construction of a double pole line in front of the new Parsippany-Troy Hills Municipal Building. The extension of the underground work is estimated to cost $8,250.00, which the State's estimated share is $7,550.00 based on a composite percentage of 91.5% which takes into consideration company betterments. (Construction Program Year 60-61, Item Number 22). (October 4, 1962)

Utilities-Route 295, Section 2F

11. In connection with Order (PUO-30-295-2F, Contract #1) issued to Public Service Electric& Gas Company in connection with the construction of Freeway Interstate Route 295, Section 2F, Change Order #1 has been issued changing the original suggested detour road for Route 73, which revision would add 500' in length to the original plan making the total length of the revised detour road 1200'. The cost of the original plan of temporary 12" steel by-pass gas main was $11,027.66, whereas the revised cost of the new detour by-pass would be $14,965.00 making a difference in cost of the temporary by-pass $3,667.34. Approval is, therefore, recommended of the additional cost in the amount of $3,667.34 as covered by Change Order #1 to PUO-30-295-2F. (Construction Program Year 61-62, Item Number 29). (October 2, 1962)

Speed Limits

12. In accordance with the provisions of R.S. 39:4-98 (as amended), it is recommended that the attached regulation be adopted establishing legal speed limits along: Route U.S. 202, City of Lambertville, West Amwell, East Amwell, Raritan & Readington Townships, Flemington Borough, Hunterdon County; Branchburg, Bridgewater, Bedminster, Bernards Townships, Raritan, Far Hills, Bernardsville Boroughs, Somerset County; Harding & Morris Townships, Town of Morristown & Morris Plains Boroughs, Morris County; and that Regulation LS-58-7, adopted March 31, 1958 and approved April 8, 1958, be rescinded. (October 1, 1962)

No Parking Zones

13. In accordance with the provisions of s. 78, c. 23, L. 1951 (C. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "No Parking" Zones along Route U.S. 1 & 9, City of Elizabeth, Union County. It is further recommended that the following regulations be rescinded:

Regulation	Adopted	Approved
RP-57-8	3/11-57	3/14/57
RP-58-27	9/4/58	9/10/58
RP-62-34	7/25/62	7/30/62

State Highway Commissioner

NO. 36 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - OCTOBER 22, 1962

Administration Items

Prequalification of Bidders-
Gerald Electric Construction Co.,Inc

1. Developments subsequent to the qualification and classification of the Gerald Electric Construction Co. Inc., a New Jersey corporation, have been brought to the attention of the New Jersey State Highway Commissioner which, in the opinion of the Commissioner, would affect the responsibility of the said Gerald Construction Co., Inc. as a Contractor or Sub-Contractor on projects to be paid for out of Federal or State funds, or both. The Gerald Electric Construction Co., is hereby barred from becoming Prequalified to bid and from bidding on any project to be paid for out of Federal or State funds, or both, until further notice. This order by the New Jersey Highway Commissioner is in addition to action, if any, which may be taken by the Federal Bureau of Public Roads, in the United States Department of Commerce. (October 18, 1962)

Federal Aid-Interstate Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 80, Section 5S, from Polifly Road to Hackensack River Bridge, Project I-80-5-(23)65. The amount of Federal-aid Interstate funds abligated is $4,850,100.00 which is 90% of the estimate cost for Federal participation. (October 17, 1962)

- - - - - - - - - - -

3. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 287, Sections 5F & 6B, from Rodenbach Terrace to North Branch of Chambers Brook, Including Route 78 Interchange Project I-287-1(28) The amount of Federal-aid Interstate funds obligated is $3,984,840.00 which is 90% of the estimated cost for Federal participation. (October 17, 1962)

Claims-Cancellation

4. The State Highway Department has a claim against Harvey Matthews in the amount of $60.89 arising out of an accident occurring on Route 35, Point Pleasant Beach on August 26, 1961. Upon presenting a bill to Mr. Matthews for the damage sustained by the guard railing, his insurance carrier denied liability on the grounds that their assured was cut off by an unknown motorist and that he pulled sharply to the left to avoid a collision. The insurance company claimed they had an outside witness who could substantiate their assured's version of how the accident occurred. The Claims Bureau attempted to contact this outside witness but without success. We advised the insurance carrierthat we could not accept a turndown and would press for collection of this claim unless they could furnish us with a statement from the disinterested witness. The insurance carrier was also unable to locate the witness and agreed to discuss settlement of the claim. At the conclusion of our negotiations, we agreed to accept the sum of $50.00 in full settlment of this claim rather than keep the file open in an effort to locate the outside witness. In view of the circumstances and the cost involved to pursue the matter further, it is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of $50.00 be accepted and the balance of the claim in the amount of $10.89 be cancelled. (October 21, 1962)

- - - - - - - - - - -

5. The New Jersey State Highway Department has a claim against David R. Teviotdale in the amount of $61.97 arising out of an accident occurring on January 19, 1962. Upon presenting our bill to Mr. Teviodale, his insurance company replied that they coult not accept liability for this accident as an unknown vehicle cut from the right lane to the left lane causing the car in front of their assured to stop abruptly. In an effort to avoid hitting this car, Mr. Teviotdale swung his vehicle and hit the Highway Department traffic signal which had to be repaird at a cost of $61.97. The police report obtained from the Hudson County Police Department substantiates Mr. Teviotdale's version of how the accident occurred. Subsequent negotiaions by the Claims Bureau has now resulted in the insurance company agreeing to offer the sum of $36.99 in full settlement of this loss. Giving due consideration to the circumstances under which the accidentooccurred, it is our recommendation and in accordance with Mr. Levine'S memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement be accepted and the balance of the claim in the amount of $24.98 be cancelled. (October 21, 1962)

Radio Corporation of America, NO. 36 - 1962
Agreements-R.C.A. Laboratories, David Sarnoff Research Center

6. Approval and execution is recommended of the attached Agreement dated October 15, 1962, between Radio Corporation of America, R.C.A. Laboratories, David Sarnoff Research Center, Princeton, New Jersey, and the State of New Jersey, covering understandings in connection with the improvement of traffic facilities on Route U.S. 1 at the site of the present Harrison Street jughandle. R.C.A. is to pay the State within 60 days after billing for actual costs as determined by audit for the reconstruction of traffic signalization and related electrical work presently estimated at $2,600.00. (October 17, 1962)

Services-Engineering

7. It is recommended that Item 1 on the Schedule of Approvals of October 15, 1962 increasing the ceiling of $15,000.00 established in the agreement dated February 3, 1961 with Madigan-Hyland for engineering services relative to proposed connector to Route 287 from Outerbridge, to $27,000.00 be rescinded. Approval had previously been given to increase the ceiling to $20,000.00 (Item 9, Schedule of Approvals, December 11, 1961.) It is therefore recommended that the ceiling of $20,000.00 be increased by $12,000.00 because of additional studies the Consultants were orderd to make by the Department. The new ceiling will hereby be $32,000.00. (October 22, 1962)

Reimbursements-City of Linden

8. To accommodate the construction of State Highway Route 27, Section 8B, in the City of Linden, it will be necessary for the City of Linden Fire Department to relocate portions of the fire alarm system. Inasmuch as the City of Linden's Fire Department is not adequately staffed or equipped to accomplish some of the work with its own forces, this work will be put out on contract. All other work will be accomplished by forces of the Fire Department at no cost to the State. It is, therefore, recommended that the City of Linden be reimbursed for the actual cost of relocating portions of its fire alarm system which, including 10% for contingencies is estimated at $5,500.00. Construction Program Year 1960-1961, Item Number 38. (October 18, 1962)

Utilities-Route 80, Section 4H

9. Approval and execution is recommended of the attached Order PUO-65-80-4H issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 80, Section 4H, located in the City of Paterson, County of Passaic. The Utility Company is to be reimbursed for the actual cost of the re-arrangement work, which work including approximately 10% for contingencies is estimated at $182,900.00. Construction Program Year 1961-1962, Item Number 22. (October 16, 1962)

Reimbursements- West Deptford Township

10. Under Agreement No. PUA-16-295-1D; NJ-I-295-1(15), with the West Deptford Township Water Department it was necessary to do some extra work involving water main facilities which were not covered in the original Agreement but were approved by the Engineer of Utilities as necessary construction to properly safeguard the roadway as well as the water facilities. This work was done for the Township by Wenzel & Robertson of Woodbury Heights and it is, therefore, recommended that they be reimbursed for the actual cost of the above mentioned work in the amount of $178.95 as evidenced by the attached invoice. Construction Program Year 1959-1960, Item Number 21. (October 22, 1962)

No Parking Zones

11. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1) the certain parts of State Highway Route 35 described herein below shall be, and hereby are, designated and established as "No Parking" Zones where parking is prohibited; Route 35, Point Pleasant Beach Borough, Ocean County. It is further recommended that Regulation RP-55-10, adopted August 15, 1955 and approved August 23, 1955, be rescinded. (October 21, 1962)

No. Parking, Stopping or Standing Zones

12. In accordance with the provisions of s. 78, c. 23, L. 1961 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "No Parking, Stopping or Standing" Zones along Route U.S. 206, Lawrence Township, Mercer County. (October 21, 1962)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - OCTOBER 31, 1962

Administration Items

Federal Aid-Interstate Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction (Permanent Signs); Route 95, Section 1L, from State Route 4 to Fletcher Avenue, Project I-95-7(13). The amount of Federal Aid Interstate funds obligated is $245,700.00 which is 90% of the estimated cost for Federal participation. (October 30, 1962)

Agreements-General Drafting Company (Maps)

2. Approval is recommended for payment of extra work requested and approved by the State and the Bureau of Public Roads on a force account basis calculated by multiplying all approved hourly pay rates for productive straight time hours by two (2) as provided in an agreement with the General Drafting Company dated December 1, 1961 for corrections and revisions of Passaic County General Highway Series Map, totalling three (3) sheets with the following renumerations:

Work over and above that in the basic Agreement calculations based on Part second, Section 2 of Agreement dated December 1, 1961 and General Drafting Company's letter dated July 27, 1962.

5½ hours @ 2.54 x 2 =	$27.94
1 hour @ 4.10 x 2 =	8.20
Total Payment for extra work	$36.14

Due to lack of personnel to check the work submitted delays were encountered by the Highway Department in reviewing the completed work. An extension of two months time to cover this work is hereby recommended. Cost of this work will be shared by the Bureau of Public Roads through the 1½ percent Planning Funds.
(October 25, 1962)

Lease Agreement-City of Clifton, Rt. S3

3. Approval and execution is recommended of the attached Lease Agreement dated August 7, 1962 between the State of New Jersey and the City of Clifton, covering understandings in connection with the granting of a lease by the State to the City of Clifton for public use only of all those certain lots, tracts, or parcels of land and premises situate, lying, and being in the City of Clifton in the County of Passaic and State of New Jersey, known as Parcels X-18 and X-19 on Route S-3, Section 4. These parcels are more particularly described in the attached Agreement. The City is to pay the State a yearly rental of $1.00 in advance from the date hereof. (October 24, 1962)

Services-Engineering

4. Approval and execution is recommended of the attached agreement between the United States Testing Company and the State of New Jersey, covering understandings in connection with the performance of testing and inspection of construction items used in the course of building roads and bridges to insure the quality and safety of these items. The United States Testing Company agrees to, when directed in writing by the State, perform the various items of work listed in the attached agreement for the price specified for each. It is estimated that the cost for the first year would be approximately $10,000.00. (October 26, 1962)

- - - - - - - - - - - -

5. Approval and execution is recommended of the attached Agreement dated October 26, 1962 between DeLeuw, Cather and Company, consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the improvement of a portion of State Highway Route 27 from Center Street on the east to the vicinity of Bridge Street on the west in the Borough of Metuchen, a distance of about 3,300'. The consultant is to be remunerated for the services performed under this Agreement as follows:

30 days after beginning of work	$15,000.00
Upon submission of Preliminary Report	15,000.00
Upon submission of Final Engr. Report	7,500.00
	$37,500.00
15% for contingencies	5,625.00
Total amount to be set up	$43,125.00

(October 30, 1962)

Utilities-Route 21 Freeway, Sec. 5

6. Approval and execution is recommended of attached Order No. 3 issued to the Public Service Electric and Gas Company, covering understandings in connection with the rearrangement of their facilities to accommodate the construction of Freeway Route 21, Section 5, municipality Newark-Belleville, Essex County. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which, including 10% for contingencies, is estimated at $148,800.00. Construction Program Year 1960-61, Item No. 6. (October 30, 1962)

Utilities-Route U.S. 46, Section 16D

7. Approval and execution is recommended of the attached Agreement between the New Jersey and New York Railroad Company, the Erie-Lackawanna Railroad Company, and the State of New Jersey, covering understandings in connection with the rearrangement of the Company's communication and signal facilities to accommodate the construction of Route U.S. 46, Section 16D, in the Borough of Hasbrouck Heights, Bergen County. Said Agreement identified the construction section as being Section 16C, which is in error, the correct designation should be Route U.S. 46, Section 16D. The Railroad Company is to be reimbursed for the actual cost of the rearrangement work which, including 10% for contingencies, is estimated at $14,205.00. Construction Program Year 1962-63, Item No. 14. (October 30, 1962)

Utilities-Route 295, Section 2F

8. In connection with the State's construction of Freeway Interstate Route 295, Section 2F, Change Order No. 2 has been issued changing the original detour road for Route 73 at Freeway Interchange Route 295, from the west side of Route 73 to the east side of Route 73. This Change Order will affect rearrangement work being done by the Public Service Electric and Gas Company on the Order PUO-29A-295-2F, inasmuch as the original corrected cost of the temporary electric work around the detour road was $8,000.00 whereas the revised cost of the temporary electrical work around the detour road will be $14,000.00. The difference in cost of the revised temporary electrical work is $6,000.00. All additional cost for work due to the revision is to be paid for by the State's contractor. It is, therefore, recommended that an additional amount of $6,000.00 be set up as covered by Change Order No. 2 to PUO-29A-295-2F. Construction Program Year 1961-62, Item No. 29. (October 31, 1962)

Bridge No. 187, Frankford Township, Sussex County

9. Approval is recommended of the plans and specifications submitted by the County of Sussex and for authorization for the County to advertise for bids for the reconstruction of Bridge No. 187 in Frankford Township, Sussex County. This bridge was damaged by the floods of August 18 and 19, 1955. (October 26, 1962)

No Parking Zones

10. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking" zones along Route 21, Town of Belleville, Essex County. (October 25, 1962)

No Parking, Stopping or Standing Zones

11. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping or standing" zones along Route U.S. 22, Mountainside Borough, Union County. Municipal resolution on file.. (October 25, 1962)

State Highway Commissioner

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - NOVEMBER 15, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director and Chief Road Engineer, Counsel and State Highway Engineer. (November 9, 1962)

Claims-Settlements

2. There is presented a claim arising out of an accident occurring on October 5, 1960 on the Trenton Freeway, Market Street Exit, and involved a vehicle owned by William Swayze and operated by Evelyn Swayze. As a result of the mishap a New Jersey State Highway Department lighting pole was damaged and subsequently repaired at a cost of $128.34. Investigation by the Claims Bureau disclosed that the vehicle involved was uninsured and that the operator did not have steady employment. The Trenton Police Department reported that Mrs. Swayze alleged she was forced off the road by an unknown vehicle and struck the Highway equipment. During the past two year period numerous letters were directed to Mrs. Swayze and also a considerable number of personal calls were made in an attempt to collect this claim. A total of $22.00 has been paid to date and several of these payments being made by checks which were ultimately returned for reason of "Insufficient Funds". In view of the debtor's financial status, an offer of $54.00 cash in full settlement was made, which is considerably more than 50% of the original claim. In view of Mrs. Swayze's financial status and the difficulty that has been experienced in collecting a small part of this claim over a two year period, it is my recommendation that the State would be justified in accepting the above offer of settlement, which is in accordance with Mr. Levine's memorandum attached hereto and the recommendation of William J. McCormack, Deputy Attorney General. (November 8, 1962)

Suburban Square, Inc., - Suburban Square Shopping Ctr.
Leases-[illegible]

3. There is presented letter from Mr. Earl L. Cahan, Secretary, Suburban Square, Inc., quoting price for rental of space at the Suburban Square Shopping Center on Parkway Avenue at Scotch Road, Ewing Township, Trenton, New Jersey. Authority is requested to submit the matter of entering into a lease to the Department of Purchase and Property. (November 15, 1962)

National Cooperative Highway Research

4. There is presented agreement with the National Academy of Sciences covering the Highway Department's participation in the National Cooperative Highway Research program. The Department's share of this undertaking is $60,502.00, which is to be withheld from funds available to the Department under Title 23 USC, Section 307(c). It is recommended that the agreement be executed. (November 15, 1962)

Services - Engineering

5. Approval and execution is recommended of the attached Agreement dated November 2, 1962 between Louis Berger & Associates and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the improvement of State Highway Route 17 in the Linwood Avenue, Paramus Road-East Saddle River Road area. The Consultant is to be remunerated for his services on a force account basis, limited to a ceiling of $30,000.00 to which should be added 15% for contingencies, making a total amount to be set-up under this Agreement $34,500.00. (November 9, 1962)

- - - - - - - - - -

6. Approval and execution is recommended of the attached Second Supplemental Agreement dated October 31, 1962 between Louis Berger & Associates, Consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the improvement of the intersection of State Highway Route 17 with Linwood Avenue together with a limited amount of work in connection with Paramus Road-East Saddle River Road Interchange. This Supplemental Agreement raises the ceiling of the two previous agreements dated December 27, 1960 & August 17, 1961, respectively from $59,000.00 for Items 1 & 3 to $64,000.00 making an increase in the ceiling of $5,000.00. It is, however, recommended that the amount of $6,000.00 be set-up to cover unanticipated contingencies. (November 2, 1962)

Services - Engineering

7. Approval and execution is recommended of the attached Supplemental Agreement dated November 7, 1962 between Boswell Engineering Company, Consultant and the State of New Jersey covering understandings in connection with the performance of additional engineering services relative to the improvement of Route 35 in Keyport, New Jersey. This Supplemental Agreement raises the ceiling of the original agreement executed on November 14, 1961 for Items 1 & 7 from $53,000.00 to $65,000.00, making a increase in ceiling of $12,000.00. It is, however, recommended that an amount of $14,000.00 be set-up to cover unanticipated contingencies. (November 13, 1962)

- - - - - - - - - - -

8. Approval and execution is recommended of the attached Agreement dated October 19, 1962 between Otis R. Seaman, Consultant and the State of New Jersey covering understandings in connection with the improvement of Sandy Hook Park for recreational purposes. This Agreement raises the ceiling of the original Agreement dated April 27, 1962 for Items 1 & 2 from $5,000.00 to $7,876.92, thereby raising the ceiling by $2,876.92. This Supplemental Agreement was necessitated by the fact that the Department of Conservation & Economic Development had requested the Consultant to perform engineering services prior to execution of the original Agreement and the Consultant has submitted vouchers to the State for work performed prior to April 27, 1962. Funds for the above have already been transferred to this Department by the Department of Conservation & Economic Development. (November 13, 1962)

Agreements-Jurisdiction, Control & Maintenance Functions

9. Approval and execution is recommended of the attached Agreement dated November 1, 1962 between the Township of West Deptford and the State of New Jersey covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of an interchange at Delaware Street and a service road for the use of local residents extending from the said Street to a Lane at Freeway on Route 44 Freeway, Section 9C,11B,14B & 15C. 90. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey & New York Railroad (Erie) at Hackensack to Hackensack River, Parcel 125A, Dominick DeSerio & wife & Josephine & Amelia DeSerio, both single. Condemnation proceedings were previously authorized at which time the owners were demanding $17,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $15,400.00 including down payment of $3,850.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the dwelling and garage to the road contractor, at public auction or by sealed bids. (October 31, 1962)

Right of Way-Route 208

91. There is presented again the matter of acquisition of property on Route 208, Section 2, Project F-189-(16), Ewing Avenue to Ramapo Valley Road, Parcel 7, Alfred Perry Meredith and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $7,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $6,400.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (November 7, 1962)

Right of Way-Route 287

92. There is presented again the matter of acquisition of property on Route 287 (1953), Section 4, Project I-287-1(12), from Route U.S. 202 & 206 to Route U.S. 22, Parcel 100, Richard M. Stillman & wife. Condemnation proceedings were previously authorized at which time the owners did not state a demand. Subsequently, it developed that the front porch and steps were much closer to the Right of Way line than shown on the plan and revised appraisals were obtained. The owners have now executed an agreement in the sum of$1,350.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (November 7, 1962)

Right of Way-Route 38 (1953)

93. There is presented an application for Riparian Grant required from the Department of Conservation & Economic Development on Route 38 (1953), Section 1, Project U-106-(9), from Route U.S. 130 to Route 73; Parcel T79.2 Chandlers Run. It is recommended that this application be executed by the State Highway Commissioner so that the same can be formally presented to the Department of Conservation & Economic Department. (November 14, 1962)

Right of Way-Route 18 (1953)

94. There is presented report from the Title Officer together with Deed for conveyance of Parcel VR16B on Route 18 (1953), Section 6, Project U-112-(18), from the State of New Jerseyto Rt. Rev. George L. Smith et al. This conveyance is being made in accordance with an agreement previously approved providing for the conveyance to the State of Parcels 24A, 24B & 24C at a consideration of $30,150.00 plus conveyance of the remnant acquired with Parcel 16. This remnant has now been designated as Parcel VR16B. All the other terms of this agreement have been consummated. It is recommended that this Deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcel VR16B is no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway.(November 1, 1962)

Right of Way-Route 35 (1953)

95. There is presented again the matter of acquisition of land and easements on Route 35 (1953), Section 12, Project U-20-(4), from Route U.S. 9 and South Amboy to New Jersey Turnpike. On May 3, 1960 the State Highway Commissioner approved a letter from the Lehigh Valley Railroad dated April 15, 1960 specifying approval of a consideration of $21,250.00 for the conveyance of Parcels R3A, R3B, R3C, RE3A, RE3B, R3D, R3E & R3F. Since that time, the parcel numbers have been revised although the revision involves only a slight change in total areas. The Lehigh Valley Railroad Company has now executed and submitted a Deed on the basis of these revisions covering Parcels R3A, 3R3B, 3R3C & ER3D. It is recommended that this deed be accepted and authority granted to pay the sum of $21,250.00 as originally agreed. It is further recommended that the previous action authorized 4/15/60 be rescinded. (November 9, 1962)

Right of Way-Route 10 (1953)

96. There is presented again the matter of condemnation of lands on Route 10 (1953), Section 4, Troy Hills Road, Whippany to Livingston Avenue, Parcel 35, Marie Spada, et al. Just prior to the presentation of testimony at the hearing before condemnation commissioners the attorney for the owner indicated a willingness to arrive at a settlement. After a discussion it was indicated that the sum of $1,700.00 would be accepted. A Consent Award in the amount of $1,700.00 was entered. It is recommended that this award be approved without interest. (October 31, 1962)

Right of Way-Route 18 (1953)

97. There is presented again the matter of condemnation of lands on Route 18 (1953), Section 1, Project U-112-(18), Weston's Mills to Tanner's Corner, Parcel 71, Zoltan H. Lind & wife. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $18,000.00; and the testimony on behalf of the State was in the sum of $7,550.00. The Commissioners made an award in the sum of $9,500.00. It is recommended that this award be approved without interest. (November 9, 1962)

Right of Way-Route 80 (1953)

98. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 229, Bernard Gallant et al, on which a Verdict in the sum of $52,000.00 was previously approved with the understanding that the Court would render a decision at a later date pertaining to the payment of interest. The Court has now determined that interest shall be paid from 11/15/61 to 10/25/62 amounting to $2,210 and resulting in a Judgment of $54,210. It is recommended that the previous action approving the Jury Verdict of $52,000.00 be rescinded and authority granted to pay the Judgment of $54,210 plus interest to date of payment. (November 1, 1962)

99. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey & New York Railroad (Erie) at Hackensack, Parcel 100, William Faustini, single. An appeal was previously authorized from a condemnation commissioner's award in the sum of $4,500.00. At the trial of appeal before a Judge and Jury, the testimony on behalf of the owner was in the sum of $6,200.00 and the testimony on behalf of the State was in the sum of $3,600.00. The Jury returned a verdict in the sum of $3,600.00 plus interest at 5%, amounting to $201.70, which resulted in a Judgment in the sum of $3,801.70. It is recommended that this Judgment be approved plus interest to the date of payment. (November 7, 1962)

Right of Way-Route 80 (1953)

100. There is presented again the matter of condemnation of lands on Route 80 (1953) Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey & New York Railroad (Erie) at Hackensack, Parcel 102B, William Faustini, single. An appeal was previously authorized from a condemnation commissioner's award in the sum of $3,100.00. At the trial of appeal before a Judge and Jury the testimony on behalf of the owner was in the sum of $8,580.00, and the testimony on behalf of the State was in the sum of $2,250.00. The Jury returned a verdict in the sum of $3,550.00 plus interest at 5%, amounting to $192.09, which resulted in a Judgment in the sum of $3,742.09. It is recommended that this Judgment be approved plus interest to the date of payment. (November 1, 1962)

Right of Way-Route 287

101. There is presented again the matter of condemnation of lands on Route F.A.I-104-2(4), also known as 287, Project U-95-(46), Stelton Road to Route U.S. 1, Parcel R433, Louise Disario single, et al. An appeal was previously authorized from a condemnation commissioners' award in the sum of $24,000.00. At the trial before a Judge and Jury, the testimony on behalf of the owner was in the sum of $31,456.00 and the testimony on behalf of the State was in the sum of $20,500.00. The Jury returned a Verdict in the sum of $25,000.00 plus interest at 4½% from 1/13/62 amounting to $856.25 resulting in a total Judgment of $25,856.25. It is recommended that this Judgment be approved plus interest to the date of payment. (November 1, 1962)

Right of Way-Route 4

102. There is presented again the matter of acquisition of lands on Route 4, Section 3, Hackensack River to George Washington Bridge Plaza. An agreement in the sum of $550.00 was previously approved with the Township of Teaneck covering Parcels 3A & 3B. Subsequently the Title Bureau reported that Parcel 3A is owned by the Township of Teaneck and that Parcel 3B is owned by the Estate of William W. Phelps. While the Phelps Estate dedicated lands including Parcel 3B for park purposes, the Township cannot legally make a conveyance to the State. It is therefore recommended that the previous agreement covering Parcels 3A & 3B be rescinded and that authority be granted to institute condemnation proceedings for the acquisition of Parcel 3B in fee simple, subject to any public utilities existing in the premises. Title is involved. (November 14, 1962)

Right of Way-Route 18 (1953)

103. There are presented report and appraisal with map and description on Route 18 (1953), Section 6, Project U-112-(18), from Tanners Corner to Old Bridge Traffic Circle, Parcel 63, Walenty Jasionowski and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner did not state a demand. (November 7, 1962)

Right of Way-Route 36 (1953)

104. There are presented report and appraisal with map and description on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 66, Joseph Napolitano and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of the parcel in fee simple, subject to any public utilities existing in the premises. Owner refuses to state demand. (November 7, 1962)

106. There are presented report and appraisal with map and description on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 173B, Miele Holding Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner refuses to state a demand. (November 7, 1962)

Right of Way-Route 38 (1953)

107. There are presented report andappraisal with map and description on Route 38 (1953), Section 1, Project U-106-(9), from Route U.S. 130 to Route 73, Parcel 87, Atlantic Refining Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owners have not made known their demands. (November 14, 1962)

Right of Way-Route 38 -

108. There are presented report and appraisal with map and description on Route 38, Section 1, Project U-106-(9), from Route U.S. 130 to Route 73, Parcel 88, William G. Rohrer and Phillip Zinman. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand of $226,000 is considered excessive. (November 14, 1962)

Right of Way-Route 69 (1953) -

109. There is presented again the matter of condemnation of an easement on Route 69 (1953), Section 5, from Route U.S. 202 to Mercer County Line. Condemnation proceedings were previously authorized for the acquisition of Parcel E28 (slope easement only) George E. Altonen et al. Subsequently, our Engineer determined that it would also be necessary to acquire drainage easement from these owners, and have now designated the slope and drainage easement required as Parcel ER28. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel ER-28, subject to any public utilities existing in the premises. It is further recommended that the previous action authorizing condemnation on Parcel E28 be rescinded. The owners have refused to state a demand. (October 31, 1962)

Right of Way-Route 78 (1953) -

110. There are presented report and appraisal with map and description on Route 78 (1953), Section 5C, Project EI-78-5-(2), Diamond Hill Road to Shunpike Road, Parcels 12A, 12B & 13, Westmark Builders, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple, subject to any public utilities existing in the premises. The owners are demanding $200,000.00 which is considered excessive. (November 1, 1962)

Right of Way-Route 80 -

111. There are presented report and appraisal with map and description on Route 80, Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 571-A, Bartolo Nifosi & Jenny, his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $12,000.00, which is considered excessive. (October 31, 1962)

112. There are presented report and appraisal with map anddescription on Route 80, Section 4-E, Project I-80-4-(4)57, Two Bridges to Glover Avenue, Parcel 186, John E. Cobianchi & Catherine, his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $12,500.00 which is considered excessive. (November 9, 1962)

Right of Way-Route 287 -

113. There is presented again the matter of acquisition of property on Route FAI-104-2-(2), also known as 287-2-(2), Route U.S. 22 to Easton Avenue. Condemnation proceedings were previously authorized for the acquisition of Parcels R37.., 37B & R37C, Harry R. Batkin, et al. Subsequently, the plan was revised to eliminate a proposed ditch along the slope taking. The parcels required are now designated as Parcels 2R37.., 37B & 2R37C. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcels 2R37.., 37B & 2R37C in fee simple, subject to any public utilities existing in the premises. It is further recommended that the action authorizing condemnation of Parcels R37.., 37B & R37C be rescinded. The owners refuse to make known their demands. (November 14, 1962)

Right of Way-Route 295 -

114. There is presented again the matter of acquisition of property on Route 108-1-(12), also known as 295-1-(12), North-South Freeway (F.I 109) to Verga, Parcel R27, Ernest C. Bell and wife, on which an agreement was previously approved in the sum of $ 235.00. This agreement was never consummated because the title search revealed the property to be owned of record by David F. Greenberg. Negotiations with Mr. Greenberg did not result in the execution of an agreement and the owner would not state his demands. It is recommended that the agreement previously approved be rescinded and that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. (November 14, 1962)

NO. 38 - 1962

Right of Way-Route 295

115. There are presented report and appraisal with map and description on Route F.I-108-2(5), also known as 295-2-(5), Warwick Road to Route 73, Parcel 214, William R. Russell and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $3,700.00 which is considered excessive. (November 7, 1962)

Right of Way-Route 287

116. There are presented report and appraisal with map and description on Route 287 (1953), Section 5, Project I-287-1-(12), Klines Mill Road to Route U.S. 202 & U.S. 206, Parcels 15A & 15B, Frederick B. Burdick and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this property in fee simple, subject to any public utilities existing in the premises. Owner's demand of $1,500.00 is considered excessive. (November 7, 1962)

Stephenson and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple, subject to any public utilities existing in the premises. Owners' demand is considered excessive. (November 7, 1962)

Sale of Property

118. In accordance with the State Highway Commissioner's action of October 4, 1962 a public sale of excess lands was held in Fernwood Building No. 8 on October 26, 1962. As a result of this public auction, it is recommended that the items listed in report dated October 31, 1962 be approved for sale to the high bidder. It is further recommended that the bids which were considered too low be rejected and that these items along with those on which no bids were received be included in a future sale; and that authority be granted to hold action in abeyance on certain items as listed in the tabulation pending clarification as to their disposal. Authority is requested to withdraw from the sale the items listed in the tabulation, as they may be required for future Highway improvement. In the event that any of the items are not required for future Highway improvement, authority is requested to advertise and sell them at a future sale. (November 1, 1962)

- - - - - - - - - -

119. There is presented a report from theTitle Officer together with deed from the State to the successful bidder covering the following item, the sale of which was approved by the State Highway Commission on November 1, 1962: Item 4050, Route 30, Section 2A, Parcel 2E. It is recommended that this deed be executed and authority granted to make delivery of same upon payment to the State of the full amount of the bid. (November 14, 1962)

- - - - - - - - - -

120. There is presented reports of the Public Sale held on November 1, 1962 for the dwellings located on Route 24 Freeway, Section 12, Project EU-204-(6), River Road to Route 78, as follows:

Parcel	Name of Bidder	Amount of Bid	Performance Guarantee Money

Claims-Settlements

10. This claim arises out of an automobile accident which occurred on September 26, 1961 on South Broad Street, Trenton, and involved a vehicle owned and operated by A. C. McBride and a State Highway Department vehicle. As a result of the mishap a New Jersey State Highway Department vehicle was damaged and subsequently repaired at a cost of $44.29. Based upon information contained in the report of the operator of the Highway vehicle, it is the opinion of the Claims Bureau that the McBride vehicle pulled out from a line of cars parked at the curb into the path of the Highway vehicle. Upon contacting the carrier representing Mr. McBride, the Claims Bureau learned that McBride alleges the accident to have occurred when the Highway vehicle attempted to overtake his own. Mr. McBride's wife, a passenger, is ready to support this description of the accident. Only one witness to the accident was listed in the accident report. Upon contacting this witness, we were told that he had not actually witnessed the accident though present at the time and could furnish no useful information. Soon after the accident, McBride's carrier was contacted regarding the Highway Department's claim. At that time, based on information given by their insured, all liability was denied. As the result of further negotiations with this carrier, an offer of $25.00 in full settlement of the Highway claim has been made to the Claims Bureau. This offer, then, is $19.29 less than the total claim of the Highway Department. Inasmuch as it would cost us more than the sum of $19.29 to prepare this case for trial and in view of the possible difficulty in obtaining a favorable judgment, it is our recommendation and in accordance with Mr. Levine's memorandum, attached hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement receive favorable consideration and be approved. (November 21, 1962)

Services-Testing

11. Approval and execution is recommended of the attached Agreement dated October 19, 1962, between the Jersey Testing Laboratories and the State of New Jersey covering understandings in connection with the performance by the Laboratory for testing and inspection services in connection with the State's building of roads and bridges. The Laboratory, when directed in writing by the State, will perform the items of work mentioned in the Agreement for the prices specified for each. It is estimated that the cost for the first year would be approximately $30,000.00. (November 30, 1962)

- - - - - - - - - - -

12. Approval and execution is recommended of the attached Agreement dated November 19, 1962 between Haller Testing Laboratories, Inc., and the State of New Jersey, covering understandings in connection with the testing of materials in the course of the building of roads and bridges by the State to insure the quality and safety of construction items. When directed in writing by the State, the Testing Laboratories will perform the items of work mentioned in the Agreement for the price specified for each. It is estimated that the cost for the first year of work will be approximately $10,000.00. (November 29, 1962)

Services-Engineering

13. Approval and execution is recommended of the attached Agreement dated November 16, 1962, between Clarke and Hartmann, Inc., consultant and the State of New Jersey, covering understandings in connection with the improvement of a portion of State Highway Route 36, from First Avenue in Atlantic Highlands to the east end of the Navesink River Bridge (excluding the bridge itself), a distance of abour four miles. The consultant is to be remunerated for his work on properly drawn vouchers in the lump sum fee of $113,000.00 to which should be added 5% for contingencies or $5,650.00 making a total amount to be set up to cover the work called for under this Agreement $118,650.00. (November 21, 1962)

- - - - - - - - - - -

14. In February 1958 this Department entered into an agreement with DeLeuw, Cather and Brill (now Brill Engineering Corporation) for engineering services on Route 78 between Pluckemin and Berkeley Heights. This project has been actively worked on since that time and is now substantially complete although the bulk of the fees for this work were earned two to three years ago. We have been retaining 10% of the fees due this consultant and by letter of November 19, 1962 (copy attached), they have requested that the retained percentage be reduced from 10% to 5%. Based on the above, and because it is felt that to retain 10% for so long a period of time places an undue hardship on the consulting engineering firm, it is hereby recommended that the retained percentage on this engineering contract be reduced to 5%. (November 21, 1962)

Services-Engineering

15. Approval and execution is recommended of the attached Supplemental Agreement dated August 20, 1962, between Parsons, Brinckerhoff, Quade and Douglas, consultant, and the State of New Jersey, which Agreement revises the interim stage dates of completion of work in the original Agreement with the consultant executed May 22, 1961. (November 27, 1962)

No Parking Zones

16. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), the certain parts of State highway route number U.S. 206 described herein below shall be, and hereby are, designated and established as "no parking" zones where parking is prohibited along Route U.S. 206, Newton, Town of, Sussex County. General Property Parcel Map-Route 3 (1953), Section 4

77. There is presented General Property Parcel Map on Route 3 (1953), Section 4, Pleasant Avenue to 8th Street, Federal Project U-116-(11), showing right of way to be acquired between New York Susquehanna and Western Railroad and Paterson Plank Road; together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. On September 26, 1962, the State Highway Commissioner approved three sheets of the plan; authorized negotiations for Parcels 23 and 24 and also authorized the setting up of $150,000.00 to cover their estimated cost. It is recommended that this General Property Parcel Map be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The total estimated cost of this project is $1,500,000.00, of which $150,000.00 has already been set up; therefore, authority is requested to set up the balance of $1,350,000. from funds available under Item 3 of the 1962-63 Construction Program. The Right of Way Division will be in a position to begin obligating funds on this project within four months after receipt of the necessary approvals from the Bureau of Public Roads. Only a portion of the right of way plan on this project is complete enough to appraise and negotiate for the necessary right of way. Agreement forms for 18 of the 51 parcels required on this project are being held in this office pending receipt of approval by the State Highway Commissioner and the Bureau of Public Roads. (November 27, 1962)

General Property Parcel Map-Route 23 (1953), Section 4

78. There are presented nine sheets of the General Property Parcel Map on Route 23 (1953), Section 4, Union Valley Road to Smith Mills, showing right of way to be acquired between Union Valley Road and Station 190; together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It is recommended that these sheets be approved subject to such changes as may be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of this right of way is $85,000.00 and authority is requested to set up this amount from funds available under Item 36, of the 1960-61 Construction Program. The Right of Way Division will be in a position to begin obligating funds on this project within four months after receipt of the necessary approvals from the Bureau of Public Roads. The right of way plans are only complete enough to start appraising and negotiating for a few parcels. There are 38 parcels to be acquired on this project, of which agreement forms have only been prepared for two parcels. The right of way tracings are presently in the hands of our Consulting Engineers for correction. (November 26, 1962)

General Property Parcel Map-Route 23 (1953), Section 5

79. There are presented six sheets of the General Property Parcel Map on Route 23 (1953), Section 5, Canistear Road to Union Valley Road, showing right of way to be acquired between Allison Avenue and Union Valley Road; together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It is recommended that these sheets be approved subject to such changes as may be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of this right of way is $350,000.00 and authority is requested to set up this amount from funds available under Item 36, of the 1960-61 Construction Program. The Right of Way Division will be in a position to begin obligating funds on this project within four months after receipt of the necessary approvals from the Bureau of Public Roads. The right of way plans are only complete enough to start appraising and negotiating for a few parcels. There are 54 parcels to be acquired on this project, of which agreement forms have only been prepared for 15 parcels. The right of way tracings are presently in the hands of our Consulting Engineers for correction. (November 26, 1962)

General Property Parcel Map-Route 78 (1953), Section 4A

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this drainage easement subject to any public utilities existing in the premises. The owners have not made known their demands. (November 16, 1962)

Right of Way-Route 295

107. There is presented report from the Title Officer, together with Deed for conveyance of Parcels VR1H and V4B2 on Route FAI 108-1-(12), also known as 295-1-(12), North-South Freeway (FAI 109) to Verga, from the State of New Jersey to Texaco, Inc. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on July 25, 1962, under the terms of which Texaco, Inc. conveyed to the State Parcels 2R97A, R97B, 97C and 97D at a consideration of $183,875.00 plus conveyance of Parcels VR1H and V4B2 on Route 44 (1927), Section 9. All the other terms of this agreement have been consummated. It is recommended that this Deed be executed and authority granted to make delivery of same. The State Highway Commissioner doew hereby determine that Parcels VR1H and V4B2 are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway. (November 20, 1962)

Right of Way-Route 287 (1953)

108. There is presented report from the Title Officer together with Deed for conveyance of Parcel V87B on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, from the State of New Jersey to Frank Pisarcik. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on August 16, 1962, under the terms of which Frank Pisarcik conveyed to the State Parcel R86 at a consideration of $2,400.00 plus conveyance of Parcel V87B. All the other terms of this agreement have been consummated. It is recommended that this Deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcel V87B is no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction of any State Highway. (November 20, 1962)

Sale of Property

109. There is presented a report of a Public Sale held on November 8, 1962, for property located on the southeasterly side of Route 25, Exit Ramp to Raymond Boulevard, approximately 240 feet west of the New Jersey Turnpike, in the City of Newark, County of Essex, New Jersey. A bid in the amount of $4,000.00 was submitted for this property by the Bayonne Barrel and Drum Company of Newark, New Jersey. It is recommended that the bid in the amount of $4,000.00 be accepted, and a Deed of Conveyance be executed and delivered to the successful bidder upon payment of the full purchase price. (November 19, 1962)

110. There is presented again the matter of the public sale held on May 24, 1962, for the building located on Route 287 (1953), Section 5, Klines Mill Road to Route U.S. 202 and 206, Parcels 20A,B,C, at which time Fale Realty Company were the successful bidders for the building. Under date of June 7, 1962, the successful bidders paid the balance due and, also, deposited a check in the amount of $300.00 to guarantee the compliance with the terms and conditions of the sale. Due to certain zoning requirements, the successful bidders were unable to move this building, and it became necessary for the contractor to enter upon the property and demolish the building. Authority is requested to declare the amount of $1,000.00 which was the high bid on the property, together with the $300.00 that was to be held in escrow, be forfeited to the State. (November 21, 1962)

Demolition of Buildings

111. There are presented bids for the demolition of the building located on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 215, formerly owned by Mystic Bottling Company, Inc., as follows:

Name of Bidder	Amount of Bid
V. Ottilio and Sons	$375.00
William M. Young & Company	$400.00

It is recommended that the bid in the amount of $375.00, which was submitted by V. Ottilio & Sons, be approved and the authority be granted to authorize the bidder to proceed with the demolition of the building. (November 26, 1962)

Sale of Property

112. There is presented again the matter of the Public Sale of Excess Lands held on October 25, 1962, for Items 497 and 498, Route 4 (1927), Section 3. At the sale on October 25, 1962, Home Investors, Inc. bid the sum of $6,500.00 for Parcel 1X, designated as Item 497, and Dominick Lombardi bid the sum of $25,000.00 for Parcel 1Y, designated as Item 498. On November 1, 1962, the State Highway Commissioner held the matter of disposal of these two Items in abeyance pending clarification on the part of the Township of Teaneck as to their willingness to acquire the Parcels for public purposes at the prices offered by the above bidders. Transmitted is communication from the Township Manager of the Township of Teaneck indicating that the Township Council, after meeting the public requirements, will pass an ordinance to purchase the Items referred to above. Authority is requested to return the deposit of Home Investors, Inc. in the sum of $1,500.00 for Item No. 497 and the deposit of $6,250.00 by Dominick Lombardi for Item No. 498. Authority is also requested to dispose of these Items to the Township of Teaneck in the amount as indicated and that the agreement entered into with the Township on February 16, 1937, for the use of the above Parcels for park purposes be rescinded upon delivery of the consideration and conveyance by the State. (November 30, 1962)

Appraisal Orders

113. Authority is requested to rescind previous action approving Appraisal Order 1962-A-632 to Sidney M. Schwarz of Dover. Mr. Schwarz is unable to complete the assignment at this time. (November 19, 1962)

SCHEDULE OF APPROVALS-DECEMBER 17, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director & Chief Road Engineer, Counsel and State Highway Engineer.
(December 8, 1962)

Claims-Settlements ✓

2. There is presented claim covering the cost of removing and replacing broken sheathing which was damaged on December 9, 1961 as the result of an accident occurring at the Victory Bridge, Perth Amboy, New Jersey. At approximately 1:15 A.M. on the above date a vessel believed to be owned by the Russell Towing & Transportation Company in passing through the draw of the Victory Bridge collided with the bridge damaging the sheathing. Investigation by the Claims Bureau disclosed that the operator of the bridge, who filed an accident report, was unable, because of the darkness and the weather, to positively indentify the vessel involved. He believes the owner of the vessel to be the Russell Towing & Transportation Company, as shown on markings on the boat, but cannot definitely identify a particular vessel owned by that company. Further investigation revealed that the two other Department employees on duty on the bridge at the time of the accident had not witnessed the accident and could offer no information. In reply to letters from the Claims Bureau the Russell Company submitted extracts from ship's logs and statements from seamen on the two Russell vessels which were at the time near the scene of the accident. In view of this evidence, the Russell Company has denied all responsibility for the damage to the Bridge. The Russell Company has, however, offered to settle this claim by payment of $51.60 in order to avoid litigation and because of the possible responsibility for the damage. Giving due consideration to the evidence submitted by the Russell Company and the difficulty in observation by the Highway employee any suit to recover the total amount of the claim would have uncertain chances of success. It is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack, that the offer of settlement receive favorable consideration and be approved.
(December 17, 1962)

Services-Engineering ✓

3. It is recommended that the current agreement with Hardesty & Hanover, dated February 11, 1959 for the prepartion of plans for Route 3, Section 2, be extended to include the services necessary to reconstruct the existing bridge over the Hackensack River so as to replace the existing bascule drawspan with a fixed span providing 50-foot vertical underclearance. These services will be covered by the Extra Work provisions of Paragraph (e) of Part Third of the current agreement. The estimated cost for engineering services necessary to accomplish this work is $115,000.00. This will be subject to Federal Participation under Project No. U-116(3), and the approval of the Bureau of Public Roads has been obtained.
(December 12, 1962)

Agreements-Charles Mattison & Ebba Mattison, Route 22 ✓

4. Approval and execution is recommended of the attached Agreement dated December 3, 1962, between Charles Mattison & Ebba Mattison, his wife, and the State of New Jersey covering understandings in connection with the disposal of an old storage barn, property of the owner, it is entirety, at the State's discretion and time, which property encroaches upon the State's Route 22 rightof way, and the deterioration of the property has become dangerous to pedestrians using the sidewalk area.
(December 7, 1962)

Utilities-Route 80, Section 5G ✓

5. By action dated December 2, 1960, $20,000.00 was set-up to reimburse the New York, Susquehanna & Western Railroad Company for the relocation of their facilities to accommodate the construction of Interstate Route 80, Section 5G. At that time no money was requested to cover protective personnel costs in connection with subsequent bridge contracts because adequate plans were not available at that time. There has been issued Change Orders #1 & #2 in the amount of $1,568.00 & $3,700.00 respectively to cover protective personnel costs related to contracts on Route 80, Sections 5H & Route 80, Section 5T. Also there is an over-run of the estimate on the original agreement in the amount of $2,232.00. It is, therefore, recommended

that $7,500.00, covering Change Orders #1 & #2 and the over-run on the original estimate be set-up so as to permit processing by the Audit Section of presently held and future billing invoices in accordance with the terms and conditions of the Agreement dated December 2,1960. Construction Program Year 1960-61, Item 16. (December 17, 1962)

Utilities-Route 80, Section 5J

6. In connection with Freeway Interstate Route 80, Section 5J, Change Order #4 has been issued to the Public Service Electric & Gas Company for the lowering of a 6" gas main at Station 24+0 Green Street, to allow for the construction of a 42"x27" CM storm drain at an approximate cost of $1,900.00; and the lowering of a 6" gas main to allow for the construction of a 15" RCCP storm drain at Station 22+30 Green Street at an approximate cost of $1,450.00. Also under previously issued Change Order #2, it was necessary to lower a gas main at Green Street to accommodate the construction of a 30" & 15" storm drain at an approximate cost of $2,183.00. Inasmuch as these costs involve more than 25% over the original estimated price, it is recommended that an additional amount of $5,533.00 covering Change Orders #2 & #4 be set-up. Construction Program Year 1960-61, Item 16. (December 17, 1962)

- - - - - - - - - -

7. Under date of February 6, 1961, the Commissioner approved FUO-48B-80-5J issued to the Hackensack Water Company setting up an amount of $1,430.00 covering reimbursement to the Hackensack Water Company for the rearrangement of their water facilities to accommodate the construction of Freeway Interstate Route 80, Section 5J. At the time of this approval it was not deemed necessary to lower an 8" cast iron water main because it was felt that this main was deep enough as to not interfere with the Highway's drainage system, which was to be constructed. However, during the construction it was felt that the water main was not as deep as the records indicated and it was, therefore necessary to lower it. Change Order #1 was issued authorizing this work. The Hackensack Water Company completed all work covered under the above mentioned order including work to be done under Change Order #1, which work totalled $2,434.52. It is, therefore, recommended that an additional amount of $1,004.52 be set up to cover the cost of FUO-48B-5J and Change Order #1. Construction Program Year 1959-60, Item 20. (December 7, 1962)

Sec. 12B

Reimbursement-Township of Parsippany-Troy Hills, Route 28

8. Approval and execution is recommended of the attached agreement between the State of New Jersey and the Township of Parsippany-Troy Hills, covering understandings in connection with making reimbursement to the Township of Parsippany-Troy Hills for the relocation of certain facilities of the existing water supply and fire alarm system which is owned and operated by the Township, which relocation is necessary to accommodate the construction of a section of Freeway Interstate 287, Section 12B, through a portion of the Township. The Township of Parsippany-Troy Hills is to be reimbursed for the actual cost of the relocation work which, including 10% for contingencies, is estimated at $275.00. Construction Program Year 1960-61, Item 22. (December 10, 1962)

Flood Damage-Sussex County.Bridge No. 187

9. Submitted herewith is a Resolution of Award of Contract from the Board of Chosen Freeholders of Sussex County for the construction of Bridge No. 187 in Frankford Township, which was damaged by the floods of August 18 & 19, 1955. Salmon Bros.,Inc. of Netcong,New Jersey, submitted a bid of $19,884.33 for this work, being the lowest of four (4) bids received on November 27, 1962. It is recommended that we concur in the Award of Contract to Salmon Bros., Inc. (December 7, 1962)

Legal Speed Limits

10. In accordance with the provisions of R.S. 39:4-98 (as amended), it is recommended that the attached regulation be adopted establishing legal speed limits along Route U.S. 22, Town of Phillipsburg, Lopatcong, Pohatcong & Greenwich Townships, Warren County; Town of Clinton, Lebanon & Bloomsbury Boroughs, Bethlehem, Union, Clinton & Readington Townships, Hunterdon County;Bound Brook, North Plainfield & Watchung Boroughs, Branchburg, Bridgewater & Green Brook Townships, Somerset County; Mountainside & Kenilworth Boroughs, Scotch Plains, Springfield, Union & Hillside Townships & Town of Westfield, Union County; and City of Newark, Essex County; and that Regulation LS-60-6, adopted November 22, 1960, and approved December 8, 1960, be rescinded. (December 14, 1962)

- - - - - - - - - -

11. In accordance with the provisions of R.S. 39:4-98 (as amended) it is recommended that the attached regulation be adopted establishing legal speed zones along Route 78 (F....I.), Greenwich & Franklin Townships, Warren County; Bloomsbury Borough, Bethlehem & Union Townships, Town of Clinton & Clinton Township, Hunterdon County. It is further recommended that the following regulation be rescinded: Regulation LS-59-8 - Adopted 3-12-59 - Approved 3-30-59. (December 12, 1962)

Construction Items

Route 95, Section 1P

12. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after such approval has been received from the Bureau of Public Roads for Route 95, Section 1P, from Edgewood Road to approximately 125 feet East of Fletcher Avenue, Highway Lighting System, Borough of Fort Lee, Bergen County, Federal Project No. N.J.-I-95-7(14)65." (December 13, 1962)

Route 29 Freeway, Section 12A

13. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Grading, Drainage & Paving on Route 29 Freeway, Section 12A, from Calhoun Street to South Willow Street, City of Trenton, Mercer County, Federal Project No. U-198(11). Bids to be received January 8, 1963 (December 7, 1962)

Route U.S. 46 (1953), Section 16D

14. Approval is recommended in making Award of Contract to Schiavone Construction Company, Inc., for Widening & Resurfacing Bridge & Approaches over New Jersey & New York Railroad, on Route U.S. 46 (1953), Section 16D, in the Boroughs of Hasbrouck Heights & Teterboro, Bergen County, Federal Project No. U-117(7), at their bid, the lowest of 6 bids received on November 15, 1962 in the amount of $496,864.59. (December 7, 1962)

Route 2B, Sections 1A & 7A

15. It is recommended that the Construction Service Company, Bound Brook, New Jersey, be reimbursed in the amount of $110.00 as per bill submitted for the employment of an operating engineer and oiler on Route 2B, Section 1A & 7A, Lehigh Valley Railroad Bridge. It was necessary to make borings during the progress of the foundation excavation and the contractor was directed to employ additional help to perform this work. (December 12, 1962)

Route 95, Section 1E

16. It is recommended that the attached Surety Bond be accepted from Geo. M. Brewster & Son, Inc., in the amount of $45,000.00, representing liquidated damages for 30 calendar days at $1,500.00 per day for the month of November 1962, in connection with their contract for the construction of Route 95, Section 1E, Federal Project I-95-7(9)63. It is further recommended that the amount withheld of $45,000.00 be released for payment to the contractor. (December 17, 1962)

Route 287, Section 1B

17. The Commissioner under date of November 2, 1962 approved final acceptance of Yonkers Contracting Company contract for the construction of Route 287, Section 1B, Federal Project N.J.-I-287-1(7)1. At this time it was recommended that the one year maintenance bond run from January 19, 1962, the date of semi-final acceptance, at which time the roadway was substantially completed and fully opened to traffic. However, in accordance with previous opinions rendered on this matter, the surety bond on any project shall run from the date of final completion and acceptance of the entire project. Therefore, since the bridge work on this project was finally accepted on August 23, 1962, it is recommended that the action of November 2, 1962 concerning the bond be rescinded and, in replacement thereof, it is recommended that the surety bond shall run from August 23, 1962 - the date of final acceptance of the bridge work. The Commissioner's approval of November 2, 1962 applied to roadway items only. (December 10, 1962)

Route 3, Section 1B, Hackensack River Bridge Substructure.

18. J. Rich Steers, Incorporated, contractor for the construction of the Hackensack River Bridge Substructure in the Town of Secaucus, Hudson County, on Route 3, Section 1B, Federal Project U-116(6), have satisfactorily completed the road portion of their contract as of August 17, 1962. All bridge items were finally accepted on September 25, 1962. It is, therefore, recommended that the roadway items on this project be finally accepted and final payment authorized in accordance with the as-built quantities, when available, and after the necessary formalities have been observed. (December 10, 1962)

Route U.S. 22 (1953), Section 14B

19. Mal-Bros Contracting Company, contractor for the Resurfacing & Widening of Bridge over Lehigh Valley R.R. & Liberty Avenue on Route U.S. 22 (1953), Section 14B, in the Township of Hillside, Federal Project #U-178(18), have satisfactorily completed the work under their contract as of July 31, 1962. Right of Way-Route 4 Parkway

91. There is presented correspondence from Mr. Harold Harris, President of Council of the Township of Clark, in which they request this Department to convey that portion of Parcel 150 on Route 4 Parkway, Section 5, Inman Avenue, Woodbridge Township, to Central Avenue, Clark Township. This office has been advised by the Division of Roads and Bureau of Planning and Traffic that the portion of Parcel 150 lying outside of the Highway Right of Way is no longer required for Highway purposes. It is recommended that authority be granted to convey a portion of Parcel 150 to the Township of Clark for the sum of $630.00, with the understanding that this property will be used for Public purposes only. (December 13, 1962)

Right of Way-Route 42

92. There is presented again the matter of acquisition of property on Route 42, Sections 1 & 2, from Williamstown to Atlantic County Line, Parcel 104. An agreement in the sum of $125.00 was previously approved with the former owners, Katherine Slobogan and husband. This agreement contained a clause to the effect that the existing 1½ story dwelling, which is located slightly within the limits of the right of way, may remain for the life of said structure or until such time as the owner may remove or reconstruct same. A construction contract is presently underway for the improvement of this highway to the full width of the existing right of way. The present owners, Cecil Tavern, Inc. (Lester C. Dingee, President and Treasurer) was notified by our engineers to remove said encroachment, which was done at a cost of $2,500.00. It is recommended that authority be granted to reimburse the present owner in the amount of $2,500.00 upon execution of a release of all claims for damages. (December 10, 1962)

Right of Way-Route 287

93. There is presented again the matter of acquisition of property on Route FAI-104-2-(4) also known as 287, Stelton Road to Route U.S. 1. An agreement in the sum of $100,000.00 was previously approved with the Township of Edison covering Parcels 415, 2R429A, 429B, 429C, 429D, 429F, 429G, 429H, 429J, 429K, 2R429P, 2R429S, 429T, 429V, R429W, 429Y1, 429Z, 430C, E430F, 430J & R430K. (Parcels 415, 429V & 429Z are on Project U-95-(46)). Our Title Officer now reports that title to Parcels 429T, 429J & 430K is defective and the Township intends to perfect these titles as soon as possible. It is recommended that authority be granted to accept title for all the remaining parcels and pay the sum of $90,000.00 therefor; withholding $10,000.00 until title is perfected to the remaining three parcels. (December 7, 1962)

122. There is presented a report of the Public Sale held November 28, 1962, for the dwelling located on Route 280 (1953), Section 5, Project I-280-6-(4), Northfield Avenue to Kenilworth Place, Parcel 33. This dwelling had previously been advertised for sale, but no bids were received. Subsequently, a demolition contract was awarded in this area. The building located on Parcel 33 was included in this demolition contract. This office was in receipt of a letter from James J. Sheeran, Esquire, in which he guaranteed to bid the sum of $1,200.00 if this building were offered for Public Sale again, and he forwarded a check in the amount of $300.00 to guarantee his bid. Between the time of the guaranteed offer and the date of the actual sale, the building was vandalized to such an extent that Mr. Sheeran felt that his client should be relieved of his guaranteed bid. A bid in the amount of $1,000.00 was received for the building from Mr. Joseph L. Cella of Orange, New Jersey. It is recommended that the bid in the amount of $1,000.00 be approved and that the check in the amount of $300.00 be returned to Mr. Sheeran. Authority is requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State; said money to be returned after certification that he has complied with the terms of the sale. (December 13, 1962)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - DECEMBER 31, 1962

Administration Items

Federal Aid-Primary Funds ✓

1. It is recommended that the attached modified project agreement in duplicate be approved and executed for Construction: Route 72 (1953), Section 5D, from Hilliard to Ship Bottom, Project F-130(8). The amount of Federal Aid Primary funds obligated is $382,739.03 which is 50% of the estimated cost for Federal participation. This modification is necessary to receive final reimbursement. (December 19, 1962)

Claims-Settlements ✓

2. This claim arises out of an accident which occurred on October 30, 1961 at the intersection of 440 and Sip Avenue, Jersey City, New Jersey, and involved a vehicle owned by Nyad Motors and operated by Carl Andrews. As a result of this accident, a culvert and parapet wall were damaged and subsequently repaired at a cost of $361.91. Negotiations by the Claims Bureau with the insurance company representing Nyad Motors resulted in their denying payment of our claim on the grounds there was no negligence on the part of their assured's driver. This assertation is defended by the fact that the insurance company has a statement from an outside witness who was at the scene of this occurrence and states that the accident was caused solely by an unknown driver who proceeded through a red light directly in the path of the truck owned by Nyad Motors. The statement further indicates that the Nyad Motors' vehicle in an effort to avoid an accident struck the Highway Department's property. The Jersey City Police Department investigated this accident and their report indicates that the "driver in attempting to avoid a vehicle that had jumped the red light and crossed Route 440 from Sip Ave., skidded from his northerly direction west across Route 440 into a canal..." Further negotiations by the Claims Bureau with the insurance company resulted in their making an offer of 50% of the State Highway Department's claim. In view of the circumstances under which this accident occurred, and the fact that the insurance company representing Nyad Motors has made an offer of 50% of our claim, it is my opinion that the State of New Jersey would be justified in accepting the above offer of settlement, and it is my recommendation, in accordance with Mr. Levine's memorandum dated December 10, 1962, attached hereto, and the recommendation of William J. McCormack, Deputy Attorney General, that the offer be approved. (December 26, 1962)

Agreements-Burlington County Bridge Commission ✓

3. Approval and execution is recommended of the attached Agreement dated December 20, 1962, between The Burlington County Bridge Commission and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the improvement of an approach road (Keim Boulevard) to the Burlington-Bristol Bridge at which time a new channelized intersection was constructed at its junction with Route U.S. 130, in the City of Burlington, County of Burlington. This construction also entailed improvements to portions of both the bridge approach road and Route U.S. 130. (December 21, 1962)

Agreements-City of Rahway(Drainage Improvements, Rt. 27 ✓

4. Approval and execution is recommended of the attached Agreement dated December 21, 1962, between the City of Rahway and the State of New Jersey covering understandings in connection with the construction of drainage improvements on Route 27 and West Lake Avenue, in the City of Rahway, which improvements will be performed as a joint project between the two parties. The State is to pay the City of Rahway its share of the cost in this improvement, in the exact amount of $2,500.00. (December 26, 1962)

Speed Limits ✓

5. In accordance with the provisions of R.S. 39:4-98 (as amended), it is recommended that the attached regulation be adopted establishing legal speed limits along Route 28, Bridgewater Township, Raritan Borough, Somerville Borough and Bound Brook Borough, Somerset County; Middlesex Borough, Dunellen Borough, Middlesex County; and that Regulation LS-58-11, adopted May 15, 1958, and approved May 20, 1958, be rescinded. (December 19 1962)

No Passing Zones

6. In accordance with the provisions of s. 114, c. 23, L. 1951 (c. 39:4-201.1), it is recommended that the attached regulation be adopted establishing "no passing" zones along Route 34, Howell Township, Monmouth County. (December 20, 1962)

No Parking, Stopping or Standing Zones

7. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping or standing" zones along Route 77, Upper Deerfield Township, Cumberland County. Municipal resolution on filed. (December 19, 1962)

- - - - - - - - - - -

2. It is recommended that the attached modified project agreement in duplicate be approved and executed for Right ofWay: Route 36, Palmer Avenue East 850', Monmouth County, Project U-111(6). The amount of Federal-Aid Urban funds obligated is $475,000.00 which is 50% of the estimated cost for Federal participation. (January 9, 1963)

Federal Aid-Interstate Funds

3. It is recommended that the attached modified project agreement in duplicate be approved and executed for Preliminary Engineering: Route 78, Allerton Road to FAI 287, Hunterdon & Somerset Counties, Project No. I-78-3(2). The amount of Federal-Aid Interstate funds obligated is $634,320.00 which is 90% of the estimated cost for Federal participation. (January 9, 1963)

Services-engineering

4. Approval and execution is recommended of the attached Agreement dated December 31, 1962 between Parsons, Brinckerhoff, Quade & Douglas, Consultant and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the proposed improvement of Route 18 in the vicinity of Albany Street, New Brunswick, Middlesex County, to the vicinity of Green Brook Township, Somerset County, a distance of about 9 miles. To remunerate the Consultant an amount of $40,000.00 should be set-up which is broken down as follows:

1. Monthly part-payment for the proportion completed to date toward accumulative hourly rate fee.

2. A monthly part-payment applied to an amount of $15,200.00 representing fixed fee.

3. Repayment of expense for printing and reproduction work.

4. Payment for vehicle mileage on behalf of the project at the rate of ten cents (10¢) per mile. (January 4, 1963)

- - - - - - - - - - -

5. In connection with agreement dated June 25, 1962 between Boswell Engineering Company, Consultant, and the State of New Jersey, it is recommended that an addition/sum of $20,000.00 be set up for engineering fees for use of the Consultant's survey personnel who are assigned to the Parsippany-Troy Hills Office. This personnel consists of field party people who are assisting in field work operations. (January 2, 1963)

Construction Items

Route 35 (1953), Section 2B

6. Approval is recommended of the plans and specifications and authority to advertise for the Intersection Revisions at Bay Boulevard & Central Avenue & Ramp Connection on Route 35 (1953), Section 2B, in the Borough of Seaside Heights, Dover Township, Ocean County, Item No. 51, Construction Program Year 1962-63. (January 10, 1963)

Route 3 (1953), Section 4C

7. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the UnderpassWidening at the New Jersey Turnpike on Route 3 (1953), Section 4C, in the Town of Secaucus, Hudson County, Federal Project No. U-116(14). Bids to be received January 30, 1963. Item No. 3, Construction Program Year 1962-63. (January 2, 1963)

Route U.S. 206 (1953), Section 22

8. It is recommended that the Commissioner's Action, approved on September 10, 1962, with reference to Sappah Construction Company, Inc., for the construction of Route U.S. 206(1953), Section 22B, be rescinded. This action, among other things, provided for a deduction in payment from monies due the contractor representing the value of deficiencies in the FABC-2 pavement. Further analysis of the contract shows that the specifications outline in detail the method of payment for bituminous concrete pavements and provide that pay quantities will be adjusted to As-Built measurements. It is, therefore, recommended that the Sappah Construction Company, Inc., contract which was satisfactorily completed on July 26, 1962 be finally accepted and final payment authorized in accordance with the specifications, as-built quantities, when available, and after the necessary formalities have been observed. Further there is an overrun of four days in the working time allowed on this contract, for which the contractor is being assessed liquidated damages in the amount of $80.00, which amount is to be deducted from final monies due the contractor. (January 8, 1963)

Route 208 (1953), Sections 2A, 1A, 3B

9. Under date of January 15, 1962 semi-final acceptance and semi-final payment was approved for the Samuel Braen's Sons contract for the construction of Route 208 (1953), Sections 2A, 1A, 3B, Federal Project F-189(21). All bridge items were accepted and final payment recommended by action approved by the Commissioner on August 22, 1961. The road protion of this project is now ready for final acceptance and it is recommended that final payment be authorized in accordance with the as-built quantities, when available, and after the necessary formalities have been observed. It is further recommended that the one year maintenance bond extend from January 15, 1962 the date of semi-final acceptance, at which time the road was completed and fully open to traffic. (January 10, 1963)

Route 287, Sections 1C & 2B

10. Under date of October 26, 1962 the Geo. M. Brewster, Inc., contract for the construction of Route 287, Sections 1C & 2B, Federal Project No. N.J.-I-287-1(9)3, was finally accepted by the Commissioner with further approval that the one year surety bond be made effective from November 15, 1961, the date of semi-final acceptance at which time the roadway was completed and opened to traffic. In accordance with previous opinions rendered thereon, the surety bond on any project shall run from the date of final completion and acceptance of the entire project. The bridge work was finally accepted by the Commissioner on April 16, 1962. It is, therefore, recommended that the action of October 26, 1962, concerning the surety bond be rescinded, and in replacement thereof that the surety bond for the entire project run from April 16, 1962. (January 8, 1963)

Route 287, Sections 1E,4B & 5B

11. Approval is recommended of the request of F.A. Canuso & Sons, Inc., 173 West Roosevelt Boulevard, Philadelphia 20, Pennsylvania, contractor for the construction of Route 287, Section 1E, 4B & 5B, from Route U.S. 202 & 206 Interchange to Route U.S. 22 Interchange, and Route U.S. 202 & 206 (1953), Section 1B, from Garretstown Road to Eighth Avenue, Grading, Paving & Bridges, Bridgewater Township, Somerset County, Federal Projects Nos. N.J. I-287-1(23(15) & F-40(5), to sublet Items 298 & 299, 10BP42 Steel Piles & Steel Pile Splices, in the amount of $13,820.00, representing 0.2460% of the total contract amount less Specialty Items, to Gates Construction Corporation, Foot of Industrial Avenue, Little Falls, New Jersey. (January 4, 1963)

69. There is presented purchase agreement on Route 295 (1953), Section 1G, Project I-295-1-(23), Oldmans Creek to Hollywood Ave.; Parcel 43, Robert H. Shahan and wife, consideration $12,000.00 including down payment of $3,000.00 (owner to retain and remove dwelling and garage). Approval is recommended. (January 16, 1963)

70. There is presented again the matter of acquisition of property on Route 18 (1953), Section 6, Project U-112-(18), from Tanners Corner to Old Bridge Traffic Circle, Parcel 89, Chester Skowronski and wife, on which an agreement was previously approved in the sum of $30,000.00 including down payment of $7,500.00 (owner to retain and remove dwelling). The down payment of $7,500.00 was made in accordance with this agreement and the Deed to the State was delivered. Subsequently, the owners were unable to secure the lot upon which to relocate the dwelling and requested that negotiations be reopened on the basis of the State acquiring the dwelling and garage. These negotiations have resulted in the execution of an agreement in the sum of $31,500.00 (including down payment of $7,500.00 previously made) leaving a balance due under this new agreement of $24,000.00. It is recommended that this agreement be approved and that the previous agreement be rescinded. Authority is requested to dispose of buildings to the road contractor, at public auction or by sealed bids. (January 16, 1963)

71. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcels 41A and 41B, Americus Lamberti and wife and Joseph Menditto and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $11,250.00. Continued negotiations have resulted in the execution of an agreement in the sum of $9,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (January 16, 1963)

72. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River, Parcel 3B, John J. Law, et al. Condemnation proceedings were previously authorized at which time the owner did not state his demand. Continued negotiations have resulted in the execution of an agreement in the sum of $7,250.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (January 16, 1963)

73. There is presented again the matter of acquisition of property on Route 280 (1953), Section 6, Project I-280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 34, Ghisela Kurzban, widow. Condemnation proceedings were previously authorized at which time the owner refused our offer of $37,730.00 and demanded $50,000.00. Continued negotiations have resulted in the execution of an agreement

(continued on next page)

73 (contd.)
in the sum of $37,730.00 including a down payment of $9,432.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction or by sealed bids. (January 16, 1963)

74. There is presented again the matter of condemnation of lands on Route 18 (1953), Section 1, Weston's Mills to Tanners Corner, Parcel 46, J. Wallace McCue, et al. Before presentation of testimony before Condemnation Commissioners, an award in the sum of $6,000.00 without interest was entered with the consent of Counsel. It is recommended that this agreed award be approved without interest. (January 16, 1963)

75. There is presented again the matter of condemnation of lands on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a point east of Fletcher Avenue, Fort Lee, Parcel 6, Joseph F. Nagle and wife. An appeal was previously authorized from a condemnation commissioner's award in the sum of $335,000.00. At the trial before a judge and jury, the testimony on behalf of the owner ranged from $485,000.00 to $500,000.00; and the testimony on behalf of the State ranged from $235,000.00 to $260,400.00. The jury returned a verdict in the sum of $300,000.00 to which interest was added by the Court at 6% from the date of entry (2-17-61) amounting to $34,100.00. This resulted in a total Judgment of $334,100.00. It is recommended that this Judgment be approved plus interest to the date of payment. (January 18, 1963)

76. There are presented report and appraisal with map and description on Route 70 (1953), Section 1, from Route 38 to Route 41, Parcel 9, James B. Kelley, 3rd, s/m. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners are demanding $125,000.00 which is considered excessive. (January 16, 1963)

77. There are presented report and appraisal with map and description on Route 280 (1953), Section 5, Project I-280-6-(4), Northfield Avenue to Kenilworth Place; Parcel 142, Filomena M. Greco and Daniel Greco, her husband. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $14,520.00 is considered excessive. (January 16, 1963)

78. There is presented a report of the public sale held on January 10, 1963, for the dwelling located on Route 24 Freeway, Section 11, Project EU-204-(2), Ridgedale Avenue, Florham Park, to River Road, Parcel 77. A bid in the amount of $500.00 was submitted by Tuff Bungalow Sales of West Orange, New Jersey. It is recommended that the bid in the amount of $500.00 be rejected and that the deposit in the amount of $125.00 be returned to Tuff Bungalow Sales. It is further recommended that authority be granted to readvertise and sell at public sale the afore-mentioned building at a later date. (January 16, 1963)

79. There is presented a report from the Title Officer, together with deeds from the State to the successful bidders covering the following items, the sale of which was approved by the State Highway Commissioner on November 1, 1962. (Schedule 38 - Item 118)

Item	Route	Section	Parcel

NO. 4 - 1963

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - FEBRUARY 11, 1963

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route U.S. 46 at New Jersey and New York Railroad, Teterboro, Bergen County, Project U-117(7). The amount of Federal-aid Urban funds obligated is $267,500.00 which is 50% of the estimated cost for Federal participation. The total estimated cost of this project is $535,000.00. (February 8, 1963)

Services-Engineering

2. Because of the drastic increase in the scope of the project for the improvement of New Jersey Route 3, it is recommended that the ceiling on the present contract with Howard, Needles, Tammen and Bergendoff dated December 22, 1961, in connection with subject improvement, be increased from the present ceiling of $170,000.00 to a new ceiling of $201,000.00 or an increase of $31,000.00. (February 8, 1963)

No parking Zones

3. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), the certain parts of State highway route number U.S. 206 described herein below shall be, and hereby are, designated and established as "no parking" zones where parking is prohibited: Route U.S. 206 (Main Street), Town of Newton, Sussex County. It is further recommended that Regulation RP-62-45, adopted November 27, 1962 and approved November 30, 1962, be rescinded. (February 5, 1963)

Construction Items

Route 3 (1953), Section 4B

4. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Widening, Resurfacing, Bridge and Walls on Route 3 (1953), Section 4B, from the New York, Susquehanna and Western Railroad to the western underpass of the Paterson Plank Road, in the Township of North Bergen, Town of Secaucus, Hudson County, Federal Project No. U-116(15). Construction Program Year 1962-63, Item No. 3. (February 11, 1963)

Route 69 & U.S. 202 (1953), Section 2A

5. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Dualization, Resurfacing, Barrier Curb and Bridges on Route 69 and U.S. 202 (1953), Section 2A, from Third Neshanic River to Flemington Circle, in the Township of Raritan, Borough of Flemington, Hunterdon County, Federal Project F-83(13). 6. Approval is recommended of the plans and specifications for Route 95, Section 1N, Construction of six (6) bridges for the Interchange with Route 80 in the vicinity of Teaneck Creek, Township of Teaneck, Bergen County, Federal Project No. N.J.-I-95-6(5)63, for submission to the Bureau of Public Roads and for authority to advertise this project for bids after concurrence has been received from the Bureau of Public Roads. Construction Program Year 1962-63, Item No. 24. (February 7, 1963)

Route 18 (1953), Section 6B

7. Approval is recommended in making Award of Contract to Jannarone Engineering Company for Dualization and Turnarounds on Route 18 (1953), Section 6B, from the vicinity of Fountain Avenue to Matawan Road, in the Townships of East Brunswick and Madison, Middlesex County, Federal Project No. U-112(22), at their bid, the lowest of eleven bids received on January 17, 1963, in the amount of $1,023,546.30. (February 8, 1963)

Route 35 (1953), Section 2A

8. The necessary formalities have been observed for making final payment of the contract with L. Zimmerman and Sons, Inc. for Route 35 (1953), Section 2A, from Eisenhower Avenue to Curtis Point Drive, Dover and Brick Townships and Borough of Lavallette, Ocean County, as authorized by action dated July 23, 1962, except for settlement of three claims totaling $17,916.00 all of which involve Gant Brothers, Inc. alleged to have been a sub-contractor but not approved as such by this Department. Attorney for L. Zimmerman and Sons, Inc., prime contractor, advises suit is being instituted on counter claims and has furnished attached bonds in double the amounts of the following disputed claims, acceptance of which is recommended in lieu of requiring the contractor to provide releases:

Gant Brothers, Inc. against L. Zimmerman and Sons, Inc.	$14,910.50

Right of Way-Route U.S. 1 (1953)

46. There is presented again the matter of acquisition of property on Route U.S. 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 109, Adrian N. Vandermast and his wife. Condemnation proceedings were previously authorized at which time the owners were demanding $1,500.00. Continued negotiations have resulted in the execution of an agreement in the sum of $1,100.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (February 6, 1963)

Right of Way-Route 80 (1953)

47. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 132, Albino Nigro and wife. An appeal was previously authorized from a condemnation commissioners' award in the sum of $21,500.00. The State entered upon this property on October 18, 1961. Continued negotiations have resulted in the execution of an agreement in the sum of $17,500.00. It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. (February 6, 1963)

Right of Way-Route 280 (1953)

48. There is presented again the matter of acquisition of property on Route 280 (1953), Section 6, Project I-280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 7, John C. Clark and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $18,500.00. Continued negotiations have resulted in the execution of an agreement in the sum of $17,900.00 including down payment of $4,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the building to the road contractor, by public auction or by sealed bids. (February 8, 1963)

Right of Way-Route 21 Freeway

49. There is presented again the matter of acquisition of property on Route 21 Freeway, Section 5, Project U-126-(16), Riverside Avenue to Rutgers Street, Parcel 12, Viking Tool and Machine Corp., on which an agreement in the sum of $150,000.00 was previously approved. After completion of the title examination, our Title Officer now reports that a 40 foot strip along the northerly boundary of Parcel 12 is affected by a right of way for the construction, maintenance and repair of a storm drain or sewer granted to the Town of Belleville. Our Construction Division has indicated that provision has been made for the continued operation and maintenance of this storm sewer. It is therefore recommended that authority be granted to accept title to Parcel 12 subject to this easement and to make payment in the full sum of $150,000.00. (February 6, 1963)

Right of Way-Route U.S. 1

50. There is presented again the matter of condemnation of lands on Route U.S. 1, Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 43, Chip & Anthony, Inc. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $13,500.00 and the testimony on behalf of the State was in the sum of $6,300.00. The Commissioners made an award in the sum of $12,775.00. It is recommended that an appeal be authorized. (February 6, 1963)

Right of Way - Route 17 (1953)

51. There is presented again the matter of condemnation of lands on Route 17 (1953), Section 5, Ridgewood Ave. to Allendale Ave., Parcels 1A and 1B, Mary Gabriel and husband. At the hearing before condemnation commissioners, the testimony on behalf of the owner was $56,800.00 and testimony on behalf of the State was in the sum of $3,150.00. The Commissioners made an award in the sum of $3,650.00. It is recommended that this award be approved without interest inasmuch as the property has not been entered by the State. (February 6, 1963)

Right of Way-Route U.S. 22 (1953)

52. There is presented again the matter of condemnation of lands on Route U.S. 22 (1953), Section 10, Project U-178-(19), Finderne Ave. to King George Road, Parcels 4A, E4B and E4C, Adele Speare and husband. An appeal was previously authorized from a condemnation commissioner's award in the sum of $36,695.00. At the trial of appeal before a judge and jury, the testimony on behalf of the owner ranged from $109,000.00 to $115,500.00 and the testimony on behalf of the State was in the sum of $27,785.00. The jury returned a verdict in the sum of $33,000.00 to which interest was added at 6% from February 21, 1961, amounting to $3,802.68. This resulted in a total judgment of $36,802.68. It is recommended that this judgment be approved plus interest to the date of payment. (February 8, 1963)

56. There are presented report and appraisal with map and description on Route 18 (1953), Section 6, Project U-112-(18), Tanners Corner to Old Bridge Traffic Circle, Parcel 59, Steven Wisniewski and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owners' demand of $12,427.00 is considered excessive. (February 6, 1963)

Right of Way-Route U.S. 22 (1953)

57. There are presented report and appraisal with map and description on Route U.S. 22 (1953), Section 11, Project U-178-(21), King George Road to Green Brook; Parcel 3C, Anna F. Cramer, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $635.00 is considered excessive. (February 8, 1963)

Right of Way-Route 35 Freeway

58. There is presented report and appraisal with map and description on Route 35 Freeway, Section 3, Project EF-207-(4), Poplar Road to Route 38, Parcel R-4, George W. Schueler, et als, T/A Homestead Acres, (a partnership). It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner's demand of $50,000.00 is considered excessive. (February 6, 1963)

Right of Way-Route 80

59. There are presented report and appraisal with map and description on Route 80, Section 4E, Project I-80-4-(10), Two Bridges to Glover Avenue, Parcel 90, Otto Schopf and Johanna, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. 60. There are presented report and appraisal with map and description on Route 80, Section 4E, Project I-80-4-(10), Two Bridges Road to Glover Avenue, Parcel 93, John Sudol and Agnes, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $22,000.00 which is considered excessive. (February 6, 1963)

- - - - - - - - - -

61. There are presented report and appraisal with map and description on Route 80, Section 4E, Project I-80-4-(10), Two Bridges Road to Glover Avenue, John DeMasso and Rose Kooymjian t/a, Karnik Realty Co., Parcel 94. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $18,000.00 which is considered excessive. (February 6, 1963)

Right of Way-Route U.S. 206 (1953)

62. There are presented report and appraisal with map and description on Route U. S. 206 (1953), Section 23, From Route 94 to Pines Road, Parcel E1A, Ideal Farm Realty Company, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this easement subject to any public utilities existing in the premises. The owners refuse to execute an agreement and have not indicated their demand. (February 8, 1963)

Right of Way-Route U.S. 206 (1953)

63. There are presented report and appraisal with map and description on Route U.S. 206 (1953), Section 23, from Route 94 to Pines Road, Parcel E1B, Ideal Farm Realty Company, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this easement subject to any public utilities existing in the premises. The owners refuse to execute an agreement and have not indicated their demand. (February 8, 1963)

Right of Way-Route 280 (1953)

64. There is presented again the matter of acquisition of property on Route 280 (1953), Section 6, Project I-280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 15, Sidney Lipstein et al on which an agreement was previously approved in the sum of $82,500.00. Our Title Officer reports that this agreement has never been consummated because the property is encumbered by a lease held by Albert and Daniels, which lease will not expire until October 31, 1967. These lessees are still occupying the property acquired by the State and the owners have been unable to agree with the lessees as to the value of their leasehold. Because of this complication, the owners have requested that the State acquire Parcel 15 through condemnation proceedings based on the value of $82,500.00 which they will not contest. It is therefore recommended that the agreement be rescinded and that condemnation proceedings be instituted to acquire Parcel 15 in fee simple subject to any public utilities existing in the premises. (February 6, 1963)

65. There are presented report and appraisal with map and description on Route 280, Section 5, Project I-280-6-(4), Northfield Avenue to Kenilworth Place, Parcel 268, Norman S. Young and Estelle, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. Owner will not state monetary demand. (February 6, 1963)

Right of Way-Route 287 (1953)

66. There is presented report and appraisal with map and description on Route 287 (1953), Section 5, Project I-287-1-(12), from Klines Mill Road to Route U.S. 202 and U.S. 206, Parcel 56A and E56B, Jewish Community Center of Somerville, N. J., Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner's demand of $50,000.00 is considered excessive. (February 6, 1963)

Right of Way-Route 295 (1953)

67. There are presented report and appraisal with map and description on Route 295 (1953), Section 1G, Project I-295-1-(23), Oldmans Creek to Hollywood Avenue, Parcel 39, Audrey M. Summerill, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner has not made known her demand. (February 8, 1963)

Demolition of Buildings

68. There are presented estimates for the cost of demolishing the building located on Route 24 Freeway, Section 9, Whitehead Road to Whippany Road, Parcel 34, as follows:

Interstate Wrecking Co., Inc.	$1,900.00
V. Ottilio and Sons	$4,700.00

It is recommended that the low bid in the amount of $1,900.00 submitted by Interstate Wrecking Co., Inc. be approved, and that they be authorized to demolish the building and clear the site. (February 6, 1963)

Sale of Property

69. There are presented reports of a Public Sale held on January 29, 1963 for the sale of a building located on Route 69 Freeway, Section 1, from the vicinity of the Pennington Circle to Route U.S. 1 in the vicinity of Slackwood, as follows:

Parcel	Name of Bidder	Amount of Bid	Amount of Guarantee
44	Frabco Enterprises	$525.00	$300.00

It is recommended that the above bid be accepted and that the successful bidder be authorized to remove the building upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which they will be required to post with the State; said money to be returned after certification that they have complied with the terms of the sale. SCHEDULE OF APPROVALS - FEBRUARY 28, 1963

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route No. 29, Section 12B, from Calhoun Street to Willow Street, Project No. U-198(11). The total estimated cost of this project is $619,900.00. The amount of Federal-aid Urban funds obligated is $293,200.00 which is 50% of the estimated cost for Federal participation. (February 26, 1963)

Federal Aid-Interstate Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route No. I-95, Section 1M, from Teaneck Creek to Overpeck Creek, Bergen County, Project No. I-95-7(12)63. The total estimated cost of this project is $2,246,900.00. The amount of Federal-aid Interstate funds obligated is $2,022,210.00 which is 90% of the estimated cost for Federal participation. (February 26, 1963)

Agreements - Settlement

3. This claim arises out of an automobile accident which occurred on July 31, 1960 at the intersection of Routes 70 and 206, Red Lion Circle, Burlington County, New Jersey, and involved a vehicle owned and operated by Charles Harmon. As a result of this accident, New Jersey State Highway Department electrical signs and equipment were damaged and subsequently repaired at a cost of $496.60, less an allowance for salvage and depreciation of $15.00. Investigation by the Claims Bureau disclosed that the vehicle involved was uninsured and that the owner, Mr. Charles Harmon, did not have steady employment. Since the time of this accident the Claims Bureau has written numerous letters and made a number of personal calls in an attempt to collect this claim. A total of $290.00 has been paid to date and a balance therefore remains of $191.60. In view of Mr. Harmon's financial status, the difficulty which can be expected in the collection of the balance of the claim, and considering the expenses which would be incurred therein, it is my recommendation that the State would be justified in accepting the above named amount in full settlement which is in accordance with Mr. Levine's memorandum, attached hereto, and the recommendation of William J. McCormack, Deputy Attorney General. (February 20, 1963)

Agreements-N.J. Turnpike Authority-Route 3

4. Approval and execution is recommended of the attached Agreement dated January 10, 1963, between the New Jersey Turnpike Authority and the State of New Jersey covering understandings in connection with the distribution of costs for the construction of State Highway Route 3 - New Jersey Turnpike - Lincoln Tunnel Interchange Complex, in the Township of North Bergen, County of Hudson, Town of Secaucus, in pursuant of the terms of an Agreement dated August 30, 1961, between the parties hereto which indicates a completion dead-line of January 1, 1964. (February 27, 1963)

Rt. 287
Reimbursement-Erie-Lackawanna Railroad Company

5. In connection with the State Highway Department's construction of Interstate Route 287 - Basking Ridge, it will be necessary for highway forces to enter upon lands of the Erie-Lackawanna Railroad Company for the purpose of making borings. It is recommended that the sum of $285.00 be set up as reimbursement to the Erie-Lackawanna Railroad Company to cover railroad costs for inspection, flagging and labor surcharges necessitated by the boring operations to be undertaken by State forces, Construction Program Year I-62-63, Item Number 98. (February 27, 1963)

Rt 34 Sec 1A + 2A
Reimbursement-Township of Wall

6. To accommodate the State's construction of Route 34, Sections 1A and 2A, Route 35, Section 3A, from Route 71 to Route 33 in the Township of Wall, it was necessary for the Township to reset two fire hydrants back of the new curb line. The Township has submitted invoices totaling $385.75 for the cost of this work and it is recommended that they be reimbursed in this amount, Construction Program Year 61-62, Item Number 10. (February 21, 1963)

NO. 6 - 1963

No Parking Zones

7. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) and N.J.S.A. 39:4-199, it is recommended that the Regulation RP-63-3 be adopted establishing "no parking" zones and providing for bus stops along Route 439, City of Elizabeth, Union County. (February 25, 1963)

No Parking, Stopping or Standing Zones

8. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) it is recommended that the Regulation RP-63-4 be adopted establishing "no parking, stopping or standing" zones along Route 165, City of Lambertville, Hunterdon County and that Regulation RP-59-53, adopted December 18, 1959 and approved January 5, 1960, be rescinded. (February 25, 1963)

No Parking Zones

9. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) it is recommended that the Regulation RP-63-5 be adopted establishing "no parking" zones along Route 82, Union Township, Union County. (February 25, 1963)

General Property Parcel Map
Right of Way-Route 69 (1953)

58. There is presented a sheet of the General Property Parcel Map on Route 69 (1953), Section 9, First Street to Route 24, showing slope easement to be acquired, designated as Parcel E1; together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham. It is recommended that this sheet be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of acquiring this easement is $500.00 and authority is requested to transfer this amount from funds available in the existing Right of Way Accounts. (February 26, 1963)

Gen. Property Par. Map NO. 6 - 1963 69
Right of Way-Route U.S. 202 & 206 (1953), Sec. 1

59. There is presented General Property Parcel Map on Route U.S. 202 & 69 (1953), Section 1, Route 69 to Conover Road; together with processing form from Mr. F. L. Gerard which has been approved by Mr. Cunningham. It is recommended that this General Property Parcel Map be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of this right of way is $250,000.00 and authority is requested to set up this amount from funds available under Item 16, of the 1962-63 Construction Program. Authority is also requested to give Relocation Advisory Assistance and to make payments for moving costs to all eligible persons being relocated on this project in accordance with approved procedures. Included in the estimated cost of this project is the estimated sum of $10,000.00 to cover the relocation costs. The Right of Way Division will be in a position to begin obligating funds on this project within four months after receipt of the necessary approvals from the Bureau of Public Roads. The right of way plan appears to be satisfactory for right of way acquisition. Of the 40 parcels to be acquired, agreement forms for 26 parcels have been furnished to this office and are being held pending approvals by the State Highway Commissioner and the Bureau of Public Roads. (February 26, 1963)

L. Gerard which has been approved by Mr. Cunningham. It is recommended that these sheets be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of this right of way is $75,000.00 and authority is requested to set up this amount from funds available under Item 16 of the 1962-63 Construction Program. Authority is also requested to give Relocation Advisory Assistance and to make payments for moving costs to all eligible persons being relocated on this project in accordance with approved procedures. Included in the estimated cost of this project is the estimated sum of $4,000.00 to cover the relocation costs. The Right of Way Division will be in a position to begin obligating funds on this project within four months after receipt of the necessary approvals from the Bureau of Public Roads. The right of way plan appears to be satisfactory for right of way acquisition. Of the 15 parcels to be acquired, agreement forms for 3 parcels have been furnished to this office and are being held pending approvals by the State Highway Commissioner and the Bureau of Public Roads. (February 26, 1963)

Relocation Costs for Federal Aid Right of Way Projects

61. There is presented Schedule of Estimated Relocation Costs for Federal Aid Right of Way Projects on which the State Highway Commissioner has heretofore approved either all or a portion of the General Property Parcel Map; authorized the setting up of funds and granted authority to acquire the property. The Schedule shows those projects on which negotiations or condemnation is pending and on which the improvements have not yet been vacated by the owners and tenants. Authority is requested to provide Advisory Relocation Assistance and to make Payments for Relocation Costs to eligible persons in accordance with approved procedures. There are sufficient funds in the existing Right of Way Accounts on these projects to cover the estimated costs as set forth in the Schedule. Authority is requested to transfer amounts as shown from the existing Right of Way Accounts to the Relocation Costs Account for each project. (February 19, 1963)

Right of Way-Route U.S. 1 (1953)

71. There is again presented the matter of acquisition of property on Route U.S. #1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 23, Ernest L. Varga, et ux. Condemnation proceedings were previously authorized at which time the owner's demand of $4,000.00 was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $3,100.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. The two-car stucco and block garage was demolished by the road contractor in the performance of his contract. (February 19, 1963)

Right of Way-Route 80

72. There is presented again the matter of acquisition of property on Route 80, Section 4D, Project I 80-4-(4), Glover Avenue to Passaic River, Parcel 521, Michael Yacco, single. Condemnation proceedings were previously authorized at which time the owner was demanding $30,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $22,000.00, including down payment of $5,500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction or by sealed bids. (February 26, 1963)

Right of Way-Route U.S. 130 (1953)

73. There is presented again the matter of condemnation of lands on Route U.S. 130 (1953), Section 9, Cooperstown Road to New Albany, Parcel 10B, Roy Riker, Mae R. Driscoll, William Riker and Harold C. Riker, trading as Riker Motors. An appeal was previously authorized from a condemnation commissioners' award in the sum of $3,000.00. The State entered upon this property on January 4, 1960. Just prior to the presentation of testimony before a Judge and Jury, the attorneys representing the State and the owner entered into a discussion with a view to reaching a settlement. This resulted in the execution of an agreement in the sum of $1,900.00. It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. (February 25, 1963)

Right of Way-Route 280 (1953)

74. There is presented again the matter of acquisition of property on Route 280 (1953), Section 5, Project I 280-6-(4), Northfield Avenue to Kenilworth Place, Parcel 41, Theresa Christiano and husband. Condemnation proceedings were authorized previously at which time the owners were demanding $42,000.00. The disagreement as to payment for stained glass murals was resolved and said murals were determined to be personal property. Continued negotiations have resulted in the execution of an agreement in the sum of $36,000.00 including down payment of $9,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction or by sealed bids. (February 25, 1963)

Right of Way-Route 208 (1953)

75. There is presented again the matter of acquisition of property on Route 208 (1953), Section 2, Project F 189-(16), Ewing Avenue to Ramapo Valley Road, Parcel R26B, New Jersey Bank and Trust Company, Executor of the Last Will and Testament of Annie Hafels Meyer. Condemnation proceedings were previously authorized at which time the owners would not make known their demand. The State entered upon this property on September 18, 1961. (continued)

(75 continued)
Further investigation in this case revealed sales reflecting a higher land value and for this reason the appraisals were reviewed and revised upward. Based on these revised appraisals, negotiations were continued which resulted in the execution of an agreement in the sum of $37,500.00. The buildings formerly located within the taking were demolished by the Contractor in the performance of his contract. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (February 19, 1963)

Right of Way-Route 287

76. There is presented again the matter of the Purchase Agreement which was approved by the State Highway Commissioner on November 30, 1962 on Route 287 (1953), Section 5, Project I 287-1-(12), Klines Mill Road to Route U.S. 202 & U.S. 206, Parcel 63A & B. The agreement provided for the owner to retain and remove the dwelling and attached garage, and have the cellar filled in. The attorney for the owner has requested that we make settlement for this property, withholding the sum of $1,000.00, pending the proper filling of the cellar at a time when the ground is not frozen. It is recommended that authority be granted to make settlement with the owners, Richard R. Kowal, et ux, and withholding the amount of $1,000.00 until the cellar is filled in, at which time the $1,000.00 will be refunded to the owner upon proper certification that the work has been satisfactorily completed. (February 25, 1963)

Right of Way-Route 80

77. There is presented again the matter of acquisition of property on Route 80, Section 3D, Project I 80-3-(6), Horseneck Road to Two Bridges Road (Fairfield Road), Parcels 1A & 1B, Gibralter Construction Corp., on which an agreement was previously approved in the sum of $74,000.00. This agreement was not processed toward a settlement pending the result of a further investigation which was deemed necessary. This investigation has been satisfactorily completed. The owners feel that they are entitled to additional compensation by reason of this delay; and further negotiations have resulted in the execution of a Deed for the total sum of $75,100.00. It is recommended that this Deed be accepted and that authority be granted to pay the sum of $75,100.00 therefore upon approval of title. It is further recommended that the previous agreement be rescinded. (February 19, 1963)

Right of Way-Route 69 Freeway

78. There is presented again the matter of condemnation of lands on Route 69 Freeway, Section 1, from the Vicinity of Pennington Circle to Route U.S. 1, in the vicinity of Slackwood, Parcel 7, Heath Investment Co., Inc. An appeal was previously authorized from a condemnation commissioner's award in the sum of $96,500.00. At the trial before the Judge, the testimony on behalf of the owner was in the sum of $120,000.00 and the testimony on behalf of the State was in the sum of $42,853.00. The Court awarded the sum of $80,000.00 and a Judgment in this amount was entered without interest. It is recommended that this Judgment be approved. (February 28, 1963)

79. There is presented again the matter of condemnation of lands on Route 69 (1953), Section 5, from U.S. 202, Ringoes to Mercer County Line, Parcel 24A3, Helen Bevis, et al. At the hearing before condemnation commissioners, no testimony was presented on behalf of the owners and the testimony on behalf of the State was in the sum of $150.00. The Commissioners made an award in the sum of $150.00. It is recommended that this award be approved without interest. (February 26, 1963)

Right of Way-Route 80 (1953)

80. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 4D, Project I 80-4-(4), Glover Avenue to Passaic River, Parcel 441B, Sonoma Vineyards Winery. An appeal was previously authorized from a condemnation commissioners' award in the sum of $7,830.00. The complaint in this case was filed on September 25, 1961. Continued negotiations have resulted in the execution of an agreement in the sum of $7,000.00. It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. (February 26, 1963)

Right of Way-Route U.S. 22 (1953)

81. There are presented report and appraisal with map and description on Route U.S. 22 (1953), Section 11, Project U-178-(21), King George Road to Green Brook, Parcel 3A, Anna F. Cramer, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner's demand of $31,800.00 is considered excessive. (February 19, 1963)

92. There is presented again the matter of the Public Sale held on October 18, 1961, for Parcel X8 and 1X9 on Route 25 (1927), Section 3F. A bid in the amount of $250.00 was made for this property and the owners have failed to pay the balance in the amount of $185.00, which was due on their bid of $250.00, claiming that there was a misunderstanding due to the access to the property. It is recommended that the deposit in the amount of $65.00, made by Mr. Clarence Laarz who was the high bidder, be returned to him and that the property be included at a future Public Sale. (February 25, 1963)

Sale of Property

93. There is presented again the matter of the Public Sale held on October 25, 1962, for Parcels 11X, 12X, 13X, 14X, and 20X on Route 25 CL, Section 1, at which time a bid in the amount of $1,850.00 was received from Messrs. N. Siegel and R. Taylor. Under date of November 1, 1962, the State Highway Commissioner authorized the holding of the above parcels in abeyance pending clarification as to their disposal. At that time the City of Jersey City expressed a desire to purchase these properties. We have now been informed that the City of Jersey City is not interested in acquiring these parcels, and authority is requested to confirm the sale in the amount of $1,850.00 to Messrs. N. Siegel and R. Taylor, and that a deed be executed for these parcels upon payment of the full purchase price. (February 28, 1963)

NO. 7 - 1963

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MARCH 11, 1963

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the following project agreement in duplicate be approved and executed for construction: Route No. 18, Section 6B from Matawan Road North to Fountain Street, Middlesex County, Project No. U-112(22). The total estimated cost of this project is $1,092,363.00. The amount of Federal-aid Urban funds obligated is $546,181.50 which is 50% of the estimated cost for Federal participation. (March 6, 1963)

Signatures-Bureau of Public Roads

2. It is recommended that the revised attachment of signatures of officials of this Department be certified to the Bureau of Public Roads. (March 6, 1963)

3. Enrico Vassallo, a bridge operator assigned to the Electrical Division of the State Highway Department, sustained personal injuries as the result of a third party accident occurring on February 18, 1961 on the Route 3 Passaic River Bridge, Rutherford, New Jersey, involving a vehicle owned and operated by Emil C. Widner. As the result of said injuries, the State Highway Department was required to expend the sum of $4,566.85 for medical services rendered and compensation payments made. This employee retained hhe services of an attorney who instituted a suit against the third party, Mr. Widner. Recent negotiations between the insurance company representing the third party and the employee's attorney has resulted in a final offer being made by the insurance company in the amount of $5,250.00. The attorney recently called the Claims Bureau to inquire if the State Highway Department would accept the sum of $1,500.00 net in full settlement of its compensation claim. The attorney at the time of his call expressed his fear in having the matter tried for the reason that his client would make a very poor witness which could result in an unfavorable verdict. The Claims Bureau advised the attorney that they did not feel that his offer of $1,500.00 net would receive favorable consideration by the Highway Department. The attorney has now submitted an offer of $2,300.00 net in full settlement of our claim. If the Highway Department received a full settlement for monies previously expended, it would wind up with the sum of $2,844.57 after deducting the statutory allowances towards this employee's counsel fee and expenses of suit. The difference between a full recovery less statutory deductions, and the amount now being offered is $544.57. Giving due consideration to the possibility of a "no cause" being rendered should this matter go to trial in which case the State would receive nothing, it is our opinion that the offer of $2,300.00 should receive favorable consideration. It is therefore our recommendation and in accordance with Mr. Levine's memorandum attached, hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement in the amount of $2,300.00 net be approved. (March 6, 1963)

4. It is recommended that an additional amount of $20,000.00 be set up to cover field engineering services on the Boswell Engineering Company Agreement dated June 25, 1962 covering understandings in connection with the performance of various field engineering services relative to the proposed construction of Routes 95, 80, and others. (March 8, 1963)

5. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) and N.J.S.A. 39:4-199, it is recommended that the attached regulation be adopted establishing "no parking" zones and providing for bus stops along Route 35, Woodbridge Township, Middlesex County. (March 1, 1963)

NO. 7 - 1963

No Parking, Stopping or Standing Zones

6. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) it is recommended that the following regulation be adopted establishing "no parking, stopping or standing" zones along Route 23, Cedar Grove Township, Essex County. Municipal resolution on file. (March 5, 1963)

NO. 8 - 1963

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MARCH 18, 1963

Administration Items

Federal Aid-Interstate Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Utility Preliminary Engineering and Utility Construction: Route No. 287, Burnt Mills Road North to Routes US 202 & 206, Somerset County, Project No. I-287-2(4)22. The total estimated cost of this project is $133,700.00. The amount of Federal-aid Interstate funds obligated is $120,330.00 which is 90% of the estimated cost for Federal participation. (March 12, 1963)

Services-Engineering

2. Inasmuch as the present billing on the Madigan & Hyland Contract for the Improvement of Route I-104(1) Old; I-287-1(1) New have gone over the 90% mark, it is recommended the retained percentage on this contract be reduced from 10% to 5% in order the current invoice may be released for payment. (March 12, 1963)

Route 29 Freeway, Section 12A

3. To accommodate the construction of Route 29 Freeway, Section 12A in the City of Trenton, it will be necessary for the City to discontinue and abandon existing water facilities serving the Comfort Station (being demolished due to Freeway construction). The City is to be reimbursed for this work which, including 10% for contingencies, is estimated at $700.00, Construction Program Year 1961-62, Item Number 9. (March 15, 1963)

Route 38, Section 1C

4. To accommodate the construction of Route 38, Section 1C, it will be necessary for the Merchantville-Pennsauken Water Commission to rearrange their water distribution facilities located in the Townships of Pennsauken and Cherry Hill, Camden County. It is recommended that the Water Commission be reimbursed for the actual cost of this work which, including 10% for contingencies, is estimated at $8,070.00, Construction Program Year 1961-62, Item Number 14. (March 15, 1963)

No Parking, Stopping, Standing Zones

5. In accordance with the provisions of Section 78, Chapter 23, Public Laws 1951 (c. 39:4-138.1) it is recommended that Regulation RP-63-8 be adopted establishing "no parking, stopping, standing" zones along Route U.S. 206, Hamilton Township, Mercer County. It is further recommended that the following be rescinded:

59. There is presented again the matter of acquisition of property on Route 295 (1953), Section 1G, Project I 295-1-(23), Oldmans Creek to Hollywood Avenue, Parcel 5, Harry Jenkins, single et al. Condemnation proceedings were previously authorized at which time the owners were demanding $25,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $15,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 18, 1963)

Right of Way-Route 80 (1953)

60. There is presented again the matter of Parcel 117 on Route 80 (1953), Section 4E, Project I 80-4-(10), Two Bridges Road to Glover Avenue, formerly owned by Stephen N. Stroub and wife, on which an agreement was previously approved by the State Highway Commissioner on August 20, 1962. In order for the owners to comply with the terms and conditions of the sale whereby they were to remove certain equipment and machinery from the building, it became necessary to tear out a portion of a side wall in the building. Arrangements were made with the owner's attorney for the payment of $250.00 to the State for the privilege of demolishing part of the wall. It is recommended that the check in the amount of $250.00 be accepted as payment in full for all claims against Mr. Stroub. (March 14, 1963)

Right of Way-Route 17 (1953)

61. There is presented report from the Title Officer together with Deed for conveyance of Parcels V14 and V15 on Route 17 (1953) Section 3, Project U 102-(14), Route 4 to Ridgewood Avenue, from the State of New Jersey to Adcor Realty Corporation. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on March 23, 1962 under the terms of which Adcor Realty Corporation conveyed to the State Parcels 7A & 7B at a consideration of $1.00, plus conveyance of Parcels V14 and V15. All the other terms of this agreement have been consummated. It is recommended that this Deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcels V14 and V15 are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any state highway. (March 14, 1963)

Right of Way-Route S28

62. There is presented report from the Title Officer together with Deed for conveyance of Parcels 6X4 and 6X7 on Route S28, Section 2A, Oldbridge, from Rue's Lane to Matawan Road, from the State of New Jersey to J. C. Williams Co. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on August 29, 1932, Under the terms of which George C. Baker and wife conveyed to the State Parcels 12A, 12B, 12C, 12D and 12E on Route 828, Section 2A at a consideration of $100.00 plus the conveyance of Parcels 6X3, 6X4, 6X5, 6X6, and 6X7 on Route S28, Section 2A. All the other terms of this agreement have been consummated. It is recommended that this Deed be executed and authority granted to make delivery of same. (The remaining X-parcels; namely, 6X3, 6X5, and 6X6 adjoin lands of other owners who have not indicated an assignment thereto from George and Addie Baker) The State Highway Commissioner does hereby determine that Parcels 6X4 and 6X7 are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction or maintenance of any state highway. (March 14, 1963)

66. There is presented again the matter of condemnation of lands on Route U.S. 130, Section 9, Cooperstown Rd. to New Albany, Parcel 10A, Roy Riker et al. An appeal was previously authorized from a condemnation commissioner's award in the sum of $11,766.00. At the trial before a Judge and Jury, the testimony on behalf of the owner ranged from $17,850.00 to $18,800.00 and the testimony on behalf of the State was in the sum of $4,475.00. The Jury returned a verdict in the sum of $4,500.00 which will carry interest at 6% from the date of entry, January 4, 1960 amounting to $855.00. This resulted in a total Judgment in the sum of $5,355.00. It is recommended that this Judgment be approved plus interest to the date of payment. (March 18, 1963)

Right of Way-Route 10 (1953)

67. There is presented report, map and description on Route 10 (1953) Section 4, Troy-Hills Road, Whippany to Livingston Avenue, Parcel 91, Ace Industries, Inc. Authority is requested to place a condemnation complaint on file immediately in order to insure stoppage of building operations now under way within the area of Parcel 91; - with the understanding that negotiations in the regular manner will eventually be conducted in an effort to reach an amicable settlement. (March 14, 1963)

Right of Way-Route 15 (1953)

68. There are presented report and appraisal with map and description on Route 15 (1953) Section 2, Project EF 206-(4), Berkshire Valley Road to Morris-Sussex County Line, Parcel 7, Lakeland Hotel & Cocktail Lounge Corporation. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner demanded $2,250.00 which is considered excessive. (March 12, 1963)

Right of Way-Route 22 (1953)

69. There are presented report and appraisal with map and description on Route 22 (1953) Section 10, Project U 178-(19), Finderne Avenue to King George Road, Parcels 1B, 1C & 1D, Mary Weeks, widow and John McMurray and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple subject to any public utilities existing in the premises. The owners' demand of $52,200.00 is considered excessive. (March 12, 1963)

Right of Way-Route 36 (1953)

70. There is presented report and appraisal with map and description on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 78, Albert R. Kaupp and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel, in fee simple, subject to any public utilities existing in the premises. Owner's demand of $2,000.00 is considered excessive. (March 14, 1963)

EC, 8 - 1963

Right of Way-Route 36 (1953)

71. There is presented report and appraisal with map and description on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 132, Michael J. Pinto and his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel, in fee simple, subject to any public utilities existing in the premises. Owner's demand of $500.00 is considered excessive. (March 14, 1963)

Right of Way-Route 280 (1953)

72. There is presented report and appraisal with map and description on Route 280 (1953) Section 5, Project I 280-6-(4), Northfield Avenue to Kenilworth Place, Parcel 93, Estate of John Monica. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The Title is involved. (March 12, 1963)

Right of Way-Route 287 (1953)

73. There are presented report and appraisal with map and description on Route 287 (1953) Section 13, Project I 287-3-(5), Intervale Road to Main Road, Montville, Parcel 74, Bertron Van Lenten and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $4,500.00 is considered excessive. (March 12, 1963)

Right of Way-Route U.S. 322 (1953)

74. There is presented again the matter of acquisition of a drainage easement on Route U.S. 322 (1953) Section 10, Project F 105-(13), Clayton Road to Cecil, Parcel E27, Golda Housman et al. Condemnation proceedings were previously authorized when the owners refused the offer made. There is now presented a memorandum from John V. Lincoln, Assistant District Engineer, indicating that this easement is no longer necessary because the owner had his land adjoining the highway graded to shoulder elevation making the installation of a pipe to drain the previously existing low area unnecessary. It is therefore recommended that the action authorizing condemnation be rescinded and that this easement be not acquired. (March 18, 1963)

Sale of Property

Right of Way-Route 24 Freeway

75. There is presented a report of the Public Sale held on March 7, 1963, for the dwelling and the cyclone fence located on Parcels R25A & R25B on Route 24 Freeway, Section 10, Project EU 204-(2), Whippany Road to Ridgedale Avenue, Florham Park. A bid in the amount of $1,500.00 was received for the dwelling and $75.00 for the cyclone fencing, which high bid was submitted by Michele Estates of Paterson, New Jersey. It is recommended that the bids in the amount of $1,500.00 for the dwelling and $75.00 for the fencing be approved, and that the successful bidder be authorized to remove the building and the fencing upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which they will be required to post with the State; said money to be returned after certification that they have complied with the terms of the sale. (March 14, 1963)

Appraisal Orders

76. Authority is requested to rescind previous action approving Appraisal Order 1963-A-89 to Franklin Hannoch for Parcel 18, on Route 280, Section 6. This parcel had previously been appraised under another Appraisal Order. (March 15, 1963)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MARCH 25, 1963

Administration Items

Federal Aid Funds - General

1. Recommendation is made for approval and execution of the attached modification of the Federal Aid Project Agreement in duplicate for HPS-1(21). The following is the revised setup of funds:

	Prog. Item	Total Funds	Federal Funds	State Funds	Pro rata
Primary	224	157,011.82	78,505.91	78,505.91	50-50
Urban	279	266,856.56	133,428.28	133,428.28	50-50
Secondary	256	55,811.20	27,905.60	27,905.60	50-50
Interstate	153	1,009,461.42	908,515.16	100,946.26	90-10
TOTALS		1,489,141.00	1,148,354.95	340,786.05	

The modification increases the original project by a total of $33,000.00 as summarized:

A.	Somerville Traffic Study	$ 2,000
B.	Route 4 & 17 O. & D. Study	6,000
C.	Center Barrier Accident Analysis	25,000

This will increase the Federal Participation by $25,448.04. (March 19, 1963)

Federal Aid - Urban Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 3, Interchange with Route 20, in the Borough of East Rutherford, to New Hackensack River Bridge, Project U-116(10). The amount of Federal Aid Urban funds obligated is $2,165,380.00 which is 50% of the estimated cost of $4,330,760 00 (March 25, 1963)

Federal Aid-Interstate Funds

3. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route I-80, between Lakeview Avenue, City of Paterson, Passaic County, and River Drive, Borough of East Paterson, Bergen County, Project I-80-4(14)60. The amount of Federal Aid Interstate Funds obligated is $5,145,660.00 which is 90% of the estimated cost of $5,859,100.00 for Federal participation. (March 25, 1963)

Prequalification of Bidders

4. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director and Chief Road Engineer, Counsel and State Highway Engineer. (March 20, 1963)

Claims-Settlements

5. This claim arises out of an automobile accident occurring on November 11, 1953 at the intersection of Routes 33 and 9, Freehold, New Jersey, and involved a vehicle owned by Eddie Barnes and operated by Willie B. Evans. As a result of the accident, traffic signal equipment owned by the New Jersey State Highway Department was damaged and subsequently repaired at a cost of $543.46. An agreement was reached between Barnes and Evans that each would contribute 50% of this claim, making the total amount owed by each $271.23. Investigation by the Claims Bureau disclosed that the vehicle involved was uninsured and that neither the owner or the operator had steady employment. Both men are employed in street and heavy plumbing construction and are laid off during the winter months and have periodic employment during the spring, summer and fall months. A Judgment was subsequently entered against the two above named men in the Monmouth County District Court by the Claims Bureau. (Continued)

(5 continued)

The Claims Bureau has written numerous letters and made a considerable number of personal calls in an attempt to collect this claim. At the present time, Mr. Barnes' balance is $126.73. He has now made an offer of 50% in full settlement of this claim and has borrowed $63.37 in order to pay the claim. In view of Mr. Barnes' financial status, the fact that ten years has lapsed since the accident occured and the difficulty which can be expected in the collection of the balance, it is my recommendation that the State of New Jersey would be justified in accepting the above offer of settlement, which is in accordance with Mr. Levine's memorandum, attached hereto, and the recommendation of the Deputy Attorney General of the New Jersey State Highway Department. (March 22, 1963)

Agreements-Sewage Authority of Pennsauken Route 38, Section 1C

6. Approval and execution is recommended of the attached agreement between the State of New Jersey and the Sewerage Authority of Pennsauken covering understandings in connection with the relocation of certain facilities of the existing Sanitary Sewerage system which is owned and operated by the Authority, to necessitate the construction of Route 38, Section 1-C. The State will cause this work to be performed under its road contract for Route 38, Section 1C and the facilities constructed by the State and paid for by the State under the terms of this Agreement shall become the sole property of the Sewerage Authority, who will be solely responsible for the operation, repair and maintenance thereof. Item 14; Construction Year 1961-62. (March 22, 1963)

Construction Items

Route 49 (1953), Section 2B

7. Approval is recommended of the plans and specifications for Route 49 (1953), Section 2B, Penns Neck Bridge Fender System Repair, in Lower Penns Neck Township and City of Salem, County of Salem, and for authority to advertise this project for bids. Bids to be received April 18, 1963. Maintenance Funds will be used for this project. (March 21, 1963)

Route 38, Section 1C

8. Approval is recommended in making award of contract to the Union Paving Company for the widening, resurfacing and barrier curb on Route 38, Section 1C including interchanges at Marlton Pike and Cuthbert Boulevard in the Townships of Pennsauken and Cherry Hill, Camden County, Federal Project U-106(10) at their bid, the lowest of three bids, received on February 28, 1963 in the amount of $3,647,358.43. (March 25, 1963)

Route 280, Section 5B

9. It is recommended that award of contract be made to the Interstate Wrecking Company, Inc. for the demolition of buildings on Route 280, Section 5B in the Town of West Orange and City of Orange, Essex County, Federal Project No. NJ-I-280-6(4)57. Their bid, the lowest of 5 bids received on February 28, 1963, is in the amount of $28,735.00. (March 19, 1963)

Route 4 Parkway, Sections 1H,2K,3A, etc.

10. Frapaul Construction Company, Contractor for the Barrier Curb and Guard Rail on Rt. 4 Pkway, Secs. 1H, 2K, 3A, etc. from King Georges Road to Line between Borough of Kenilworth and Twp. of Union, Middlesex & Union Counties, have satisfactorily completed the work under their contract as of October 31, 1962. It is recommended that this project be finally accepted and final payment authorized the Contractor in accordance with the as-built quantities and after the necessary formalities have been observed. There is an overrun of 11 working days on this Contract; and it is recommended that the Contractor be allowed an extension of time of 11 working days because of unanticipated delays due to the high traffic density experienced on this job and for restrictions placed on the contractor's method of operation to expedite traffic movement, which causes were beyond the contractor's control. (March 20, 1963)

Route 52 (1953), Section 1B

11. Under date of April 12, 1962, the Commissioner authorized semi-final payment, withholding $1,500.00 to assure the satisfactory completion of patch work underneath slabs on Route 52 (1953), Section 1B, Beach Thorofare, Rainbow Thorough, Elbow Thorough, and Ship Channel, Deck Slab Repairs, Municp. of Ocean City and Somers Pt., Atlantic and Cape May Counties. (cont.)

(11 continued)

Brann and Stuart Company, 448 Whitehead Road, Trenton, New Jersey, Contractor on this project, has satisfactorily completed this work. It is thereby recommended that final payment be authorized. (March 21, 1963)

Route 208, Section 3C

12. Samuel Braen's Sons, Contractor for the grading, paving and bridge on Route 208, Section 3C, Federal Aid Project #U-189(28), have substantially completed the work on their contract as of December 18, 1962 with the exception of a small amount of work which remains to be completed when weather conditions are favorable. It is recommended that the completed work be semi-finally accepted and semi-final payment authorized, withholding 2% of the value of the completed work pending receipt of the bituminous concrete core reports, minor pavement surface repairs and other incidental work that may be necessary. This recommendation applies to roadway items only. (March 19, 1963)

Route 3 (1953), Section 1E

13. Approval is recommended of the request of Franklin Contracting Company of Route 46, Little Falls, New Jersey, contractor for the construction of Route 3 (1953), Section 1E, from the Interchange at Route 20 to the Hackensack River, Grading, Paving, Resurfacing and Bridges in the Borough of East Rutherford, Bergen County, Federal Project No. U-116(10), to sublet the following:

Krovath, Sr., et ux. Condemnation proceedings were previously authorized at which time the owner's demand of $7,500.00 was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $6,500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 20, 1963)

NO. 9 - 1963

Right of Way-Route 36 (1953)

51. There is again presented the matter of acquisition of property on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 79, Norman Siderman, et ux. Condemnation proceedings were previously authorized at which time the owner's demand of $50,000.00 was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $15,950.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 20, 1963)

- - - - - - - - - - -

52. There is again presented the matter of acquisition of property on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 155, William H. Wentz and wife. Condemnation proceedings were previously authorized at which time the owner's demand of $28,000.00 was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $16,000.00 (owner to remove signs and roof overhang). It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 20, 1963)

Right of Way-Route 295

53. There is presented again the matter of acquisition of property on Route 295 (1953), Section 1G, Project I 295-1-(23), Oldmans Creek to Hollywood Avenue, Parcels 36A and 36B, Joseph R. Cunningham and wife. An agreement was previously approved in the sum of $18,500.00 including down payment of $4,600.00 (owner to retain and remove dwelling). Under this agreement the State was to dispose of the garage-apartment. Subsequently, the owners indicated that they wished to retain the garage-apartment as well as the dwelling and negotiations were re-opened which resulted in the execution of an agreement in the sum of $17,750.00 including down payment of $4,600.00 already made (owner to retain and remove dwelling and garage-apartment). It is recommended that this agreement be approved and that the previous agreement be rescinded. (March 20, 1963)

Right of Way-Route 3 (1953)

54. There is presented again the matter of condemnation of lands on Route 3 (1953), Section 1, Project U-116-(5), from 8th Street to Route 20. Condemnation proceedings were previously authorized for the acquisition of Parcels 13A and R13B (0.431 acres) Baris Lumber Company. Subsequently, the plan was revised decreasing the area of Parcels R13A and 2R13B by 0.076 acres and Parcel 13D (0.241 acres) was included. Negotiations were re-opened with the result that the owner is demanding $36,000.00 for Parcels R13A, 2R13B and 13D. It is therefore recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcels R13A, 2R13B and 13D, in fee simple, subject to any public utilities existing in the premises. It is further recommended that condemnation proceedings previously authorized for Parcel 13A on 1-19-62 and for Parcel R13B on 1-15-62, be rescinded. (March 19, 1963)

Right of Way-Route 9 (1953)

55. There is presented again the matter of acquisition of property on Route 9 (1953), Section 22, Project F 181-(8), Fort Plains to Route 33. Condemnation proceedings were previously authorized for the acquisition of Parcel 4 (12,400 sq. ft.), Ralph G. Jones and wife. Subsequently, the plan was revised to Parcel R4 (12,230 sq. ft.). As the owners are demanding $7,500.00 which is considered excessive, it is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel R4 in fee simple subject to any public utilities existing in the premises. It is further recommended that the previous action authorizing condemnation of Parcel 4 be rescinded. (March 20, 1963)

Right of Way-Route 36 (1953)

56. There is presented report and appraisal with map and description on Route 36 (1953), Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 51, Poole Properties, Inc. The owner is demanding $10,000.00, which is considered excessive. (March 20, 1963)

Right of Way-Route 18 (1953)

61. There is presented again the matter of condemnation of lands on Route 18 (1953), Section 1, Weston's Mills to Tanners Corner, Parcel 52, Middlesex Aluminum Co., Inc. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $14,105.00 and the testimony on behalf of the State was in the sum of $2,900.00. The Commissioners made an award in the sum of $10,500.00 It is recommended that an appeal be authorized. (March 25, 1963)

Right of Way-Route 80 (1953)

62. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5K, Project I 80-5-(12), New Jersey and New York RR (Erie) at Hackensack to Hackensack River, Parcel 161, Mario Recchia & Wife. Condemnation proceedings were previously authorized, at which time the owners were demanding $45,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $22,500.00, including a down payment of $5,600.00. The buildings formerly located on this property were vacated July 19, 1962 and were subsequently demolished by the road contractor in the performance of his contract. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 25, 1963)

Right of Way-Route 208 (1953)

63. There is presented again the matter of acquisition of property on Route 208 (1953), Section 2, Ewing Avenue to Ramapo Valley Road, Project F 189-(16), Parcel 55, Emanuel T. Occhipinti & Wife. Condemnation proceedings were previously authorized, at which time the owners were demanding $2,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $800.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 25, 1963)

Right of Way-Route 287 (1953)

64. There is again presented the matter of acquisition of property on Route 287 (1953), Section 5, Project I-287-1-(12), from Klines Mill Road to Rt. U.S. 202 and U.S. 206, Parcel 29, Bernard T. Bruckner, single. Condemnation proceedings were previously authorized at which time the owner's demand of $23,000.00 was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $22,400.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (March 25, 1963)
